

# Albion State Normal College Eleven to Play E. O. N. Here Saturday

## FIRST CHANCE TO SEE MOUNTAINEER TEAM IN ACTION

Normal School, After Three Out-of-Town Games, to Tackle Idaho Squad on Local Field.

The Eastern Oregon Normal school football team, after playing three games out of town, will make its debut to La Grande and Union county fans here Saturday, Oct. 22, lining up against the Albion State Normal college of Albion, Ida., at 2 p. m.

The game brings together the two teams for the first time, and as far as Albion's strength is concerned, no one here apparently knows what to expect.

All that is known here is that the Albion eleven plays teams of Eastern Idaho and Nevada, rarely entering the country farther west.

Game Is Challenged Originally the game was scheduled for Friday afternoon but because the funeral of President Hoover, of Albion, who was killed in an automobile accident last week, is to be held on Saturday, it was necessary to change the date of the game.

So far this season the Mountaineers have lost two and won one game, scoring 33 points against opponents. Two of these games were with larger, four-year colleges—really out of the Normal school's class, although the Mountaineers made a strong showing in the face of defeat.

The Normal school squad returned to La Grande last Friday after its Portland game Thursday night, and thus will have a full week of practice before meeting Albion Saturday.

On no one is on the injured list at E. O. N. this week. Much attention is being spent this week on blocking and tackling, which didn't show up so well in Portland.

Albion, Oct. 18 (AP)—Word was received from Albion this morning that the Idaho eleven would be here Friday in time for a light workout late in the afternoon on the L. H. S. field.

## Chuck Klein Is Most Valuable Player in 1932

By Alan Gould (Associated Press Sports Editor) NEW YORK, Oct. 18 (AP)—As the climax to his steady rise toward the top, Charles Herbert (Chuck) Klein, of Indianapolis, cleanup outfielder of the Philadelphia Nationals, today emerged as the choice of the baseball experts for the distinction of being the National league's most valuable player during the 1932 season.

Klein was third in the 1930 voting and runner-up to Frankie Frisch, St. Louis Cardinals, last year in the balloting by the committee representing the Baseball Writers' Association of America. His selection was announced by J. Roy Stockton, of St. Louis, chairman of the committee.

The Phillie Phanatic, now generally rated among the greatest all-around ballmen in the major leagues, won the honor of League MVP, while the Chicago Cubs' sensational freshman pitcher, and Frank (Lefty) O'Doul, of Brooklyn, league batting champion, in a brisk three-cornered contest.

Klein received 78 out of a possible maximum of 80. He was the first choice of six and second choice of the remaining two members of the writers' committee. Warnings, first choice of two critics was next with 68 points. O'Doul finished with 58. Paul Waner, of the Pirates, and Riggs Stephenson, of the Cubs, with 37 and 32 respectively, completed the top five.

Frank Frisch, the 1931 winner, received only three points, one less than the young St. Louis pitcher, Dizzy Dean. Hack Wilson, of Brooklyn, 1930 selection, collected six points.

Klein hung up a fine record in every offensive department, besides showing speed and skill on the defense. He finished third in the National league batting race with 346, tied with Mel Ott for home run leadership with 35, led both leagues in run-scoring with 154, drove in 134 runs and stole 20 bases.

Twenty-four players were mentioned in the balloting, in which each of eight writers listed ten candidates, in the order of preference. The points were figured on the basis of ten for first place, nine for second, etc.

BAUGS DWARF DEER GRASS VALLEY, Cal. (AP)—Charlie Dart went hunting deer for many years and got his first this season, but he's not particularly proud of his kill. It was a dwarfed buck weighing only 37 pounds dressed, although it was a four pointer with a well formed, normal head.

## Old Days of West Are Re-Enacted

The city of Tombstone, Ariz.—where the west was once wild, wicked and woolly—turned back the clock 52 years when it celebrated its founding with a rousing "Hellorado" in which citizens donned the garb of the 1880's and showed what life in the raw was like.

## Oregon Elevens Will See Action Next Saturday

PORTLAND, Ore., Oct. 18 (AP)—Reduced within a period of ten seconds from a dark horse status and a good chance at the Pacific coast football conference title, to a position where only a fierce struggle and good fortune can put them up with the leaders, the University of Oregon football team got down to work today at Eugene in preparation for the next Saturday match with University of Idaho at Moscow.

Meanwhile, on the Corvallis campus the Oregon Staters, rested and in good physical shape, continued to drill steadily for the big chance of the season, the game with Washington State next Saturday on Bell field.

The state college Beavers did not engage in competition last Saturday and Coach Paul J. Schlaster went to Berkeley where from the stands he scouted the Washington State-California game in which the Cougars were victorious. The Beavers looked like a real football team against the Southern California Trojans two weeks ago, according to Bill Spaulding, coach of the Utes.

The Oregon Webfoots, meanwhile, defeated by the U. C. L. A. outfit in a heart-breaking reversal with only seconds to go before the final gun, not only had their champion hopes dynamited but incurred new injuries.

Captain Bill Moyman, star tackle, and one of the best in the conference, is out of the game now with both hands and wrists bandaged. He received a fractured left wrist in the second period of the UCLA game after having played the previous week with his right hand in a cast.

The Oregon team already was crippled by the absence of Mike Mikulak and Stan Kostka, star backfielders.

COUGARS AT WORK PULLMAN, Wash., Oct. 18 (AP)—Washington State's Cougars, winners of a 7 to 2 victory over the University of California football team Saturday, took a few minutes off to be heroes before they plunged into practice for next Saturday's game.

On their arrival yesterday the team was met by a thousand or more students at the railroad station. After a brief parade through the business section, the squad moved to the gym to start preparations for the Oregon State college eleven Saturday.

Frank Ingram's smashed nose and Capt. George Sander's bruised legs and body were the most serious injuries.

Catarrhal Deafness May Be Overcome If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels, you will be glad to know that these distressing symptoms may be overcome in many instances by the following treatment which you can easily prepare in your own home at little cost.

Secure from Red Cross Drug store or your druggist 1 cc. Parmit (double strength). Take this three times daily with 1/2 pint hot water and a little sugar. One tablespoonful four times a day should quickly relieve distressing catarrhal head noises, clogged nostrils, difficult breathing and dropping mucus, and improve hearing. All victims of catarrhal deafness or head noises should give Parmit a trial.

Arrow Kills Deer Near Tacoma, Wash. TACOMA, Wash., Oct. 18 (AP)—S. L. Michael and George Robinson go deer hunting, but they leave their guns behind and arm themselves with bows and arrows.

Back from a hunting trip in the Lake Christine district, they showed a 225-pound buck today as evidence of Michael's skill with the weapons of the primitive Indians.

From a distance of 30 yards, they said, Michael shot an arrow 20 inches into the buck's body.

## FIVE TEAMS SEEK E. O. GRID TITLE

La Grande, One of Contenders, Will Play Wallawalla Here on Friday.

Slowly but surely the gridiron situation in Eastern Oregon is clarifying. Last weekend's games resulted in three developments of much interest.

First, La Grande High turned back the 1931 champions, the Enterprise Savages, 6 to 0, thus apparently eliminating the Wallawalla county lads from a claim for the championship. However, it is likely to be the only loss on the Savage record, as future games include contests with Wallawalla, Joseph and Cove, all teams generally regarded as not so strong as the Enterprise aggregation.

The victory left La Grande in the running, in spite of the scoreless tie with Mac-Hi.

Over the mountains Pendleton High served notice of strength by defeating a strong Heppner eleven 13 to 0. It was a gallant comeback after a 38 to 6 defeat at the hands of Walla Walla, and indicates that the Bucks will provide La Grande with some strong opposition on Armistice day in the Bound-Up City.

Another game of much importance was the contest at The Dalles. Mac-Hi lost 34 to 0, and although this does not relegate the Pioneers to the ash-heap, it certainly doesn't improve the Mac-Hi record. The Dalles, however, is out of this section of Eastern Oregon, and the game must be regarded as an inter-district one without sectional championship at stake in any sense of the word.

Baker Loses Again A strong Ontario team humbled Baker last Friday 12 to 0, making it four straight losses for the Bulldogs. But Ontario always has a strong team, and it doesn't mean that Coach George Scott's team is not dangerous.

As a matter of fact, the Bulldogs out-gained and in general outplayed the Ontario Tigers, but succumbed to somewhat lucky scoring of the Southeastern team.

Baker is another team that will be a tough one for the La Grande eleven to defeat. With everything to win and nothing to lose, look out for the Bulldogs!

As it stands now, Pendleton, Mac-Hi, La Grande, Ontario, Nyssa are all undefeated, and a two- or three-way tie for the Eastern Oregon championship is not unlikely.

But there are some tough games ahead for most of the leaders, and anything may happen.

Games scheduled for the coming weekend include: Friday—Wallawalla at La Grande, Enterprise at Joseph. Saturday—Baker at Pendleton.

## Baseball Leads To Training of Boy's Voice By Cantor

CHICAGO, Oct. 18 (AP)—The horsehide cover of a baseball may exude culture after all.

This has been learned by Meyer Zollo, who protested some time ago to the sports editor of a newspaper that something to abolish baseball should be done.

"It's on account of my little son, Irving, 13, who is leader of a boys' baseball team himself. Every time the Cubs lose he cries for two days. Anyhow baseball has no culture."

Nothing was done and nothing was heard of Mr. Zollo until yesterday when he reappeared and asked the editor not to do anything about abolishing baseball.

"A cantor," he said, "has heard my boy yelling at the kids on his team. The cantor likes his voice and he's training him now. Maybe the boy'll be an opera singer, and all on account of his baseball."

AMERICAN GRAPPLERS TOO ROUGH FOR PARIS PARIS (AP)—All-in wrestling, as the modern imported game is called here, is too rough for Paris.

Jeff Dixon, American promoter who brought the game to France, announced that, although he made money on the two programs presented here, he had decided to discontinue the bouts on the grounds they are not "sporting" enough.

Not only did the wrestlers hurl each other in the spectators' laps and continue their bouts in the high priced seats, but the crowd took to throwing all sorts of things in the ring, including chairs.

## Youthful Union Nimrod Brings In Large Deer

By Mrs. L. Z. Terrall (Observer Correspondent)

UNION (Special)—Boyd Waters, youthful hunter, brought in the largest deer Sunday that has been killed by Union hunters this year and on Saturday he bagged his limit of Chinese pheasants. The buck killed at the head of Little Catherine creek was a six-pointer and weighed 236 pounds without its feet or antlers.

Boyd, 12-year-old lad, was out with a hunting party including his father, Fred Waters, Chester Nice and the George brothers.

The annual reception for the teachers held at the Union hotel Friday night was a delightful affair. The dining room and lobby were attractively decorated in fall flowers and a delicious three-course dinner was served to 114 people.

Mrs. S. E. Miller made plans to entertain ten members of a theatrical group from the Cornish school of music and art on Sunday and Monday but heavy rains in Idaho delayed their trip so that they didn't arrive until Monday noon.

They had lunch with Mrs. Miller but the weather did not look very auspicious for their long planned horseback riding so they continued on their way to Seattle.

Mr. and Mrs. C. B. Benschaw, of Walla Walla; Mrs. Art Hughes and Mrs. Amy Minear, of Preewater, and Mrs. Burnette Wilson, of Imbler, were dinner guests of Mr. and Mrs. P. N. Fox on Sunday.

## DEPUTY SHERIFF ENDS LION HUNT

(Continued from Page One)

The islands to give the two jungle beasts time to accustom themselves to their new freedom, returned and began beating the bush for the quarry. But they found no trace of the lions.

Wright Angered Nonplussed, Wright and the other hunters returned to Commerce. There they learned that Hotchkiss had killed the beasts an hour and a half after they had been released from the cage in which they were transported from St. Louis.

Wright protested angrily, but Hotchkiss contended he had done his official duty because the lions were a "menace to the peace and safety of the livestock and people of Southeast Missouri."

The two young lionesses, born in captivity and accustomed to life in a circus, were easy marks. Hotchkiss said, when he had located them in a willow thicket, he walked to within about ten feet of them, fired four times and the hunt was ended.

# The Age of SELECTION Is Here. . . .

Our times are marked by one vast advantage over all past history — freedom of choice for the average person.

A young man now has a hundred interesting careers to consider. His grandfather had ten. Many paths are open to the scientist, writer, teacher, athlete, business man. When we travel, we often choose between rail and bus and car and plane. Every last thing we buy is one of many offered.

This is the Age of Selection. For advertising keeps us informed. Tells us the special benefits of this, the new features of that. Shows us how to build houses and how to make muffins. Explains why and where and when and how much.

As we read we learn how to discriminate, to recognize worth, to be sure of value received. Before we buy a car or refrigerator or a can of beans, we know what it is and what it offers. Advertising teaches us how to live by this year's rules.

Read the advertisements in this paper. They bring you up to date in this Age of Selection.
