

Oregon State Preparing For Battle With Cougars Saturday

SCHISSLER'S MEN HARD AT WORK ON AERIAL DEFENSE

Fear George Sander's Ability With Forward Passes — Rook Makes Afternoon Interesting.

CORVALLIS, Ore., Oct. 19 (AP)—Washington State's habit of transforming a football into a Zeppelin and sending it on long, hot-air flights from the hands of George Sander to the eager fingers of some Cougar receiver will meet with all the discouragement Oregon State can give when the two teams meet here Saturday in a Pacific Coast conference game.

Coach Paul J. Schissler was giving his Orange men an intensive course today in how to be successful obstructions to aerial navigation. The freshman squad was drafted to keep the ball in the air, for the Cougar plan and the efforts of the varsity were concentrated in breaking up such attack. Woody Joslin, rook assigned to emulate the Cougar passing threat, Sander, proved a successful enough understudy to enable his teammates to collect considerable yardage against the varsity.

Vic Curbin, center, injured in an automobile accident Sunday, and Curly Miller, tackle, with a mild attack of lumbago, were missing from the lineup today, but both are expected to be in shape for Saturday's game. Miller will be acting captain for the occasion, Coach Schissler announced. He names a different captain for each game.

ARIZMENDI IS WINNER OVER NEWSIE BROWN

LOS ANGELES, Oct. 19 (AP)—Alberto Arizmendi is still the featherweight champion of the world, although the title so far as Dave Montrose, alias Newsie Brown, is concerned. Displaying all the speed and agility of his Aztec ancestry along with the fire which warms the Spanish blood in his veins, the brown idol of Old Mexico and Little Mexico alike, decisively whipped his Los Angeles Jewish opponent here last night before 7000 spectators.

Only in one round could Brown, who boasted a previous win over Arizmendi, muster up the necessary fight to hold his own. Except for a brief lull during the middle of the fight, the lad from Mexico City, who recently was awarded the world's title so far as the California commission is concerned, won all the way.

Prize Wisecrack Recalled by Coach Of Syracuse Team

This is the sixth of a series of articles in which O. W. "Red" Severance, noted official, relates the humorous and "inside" stories he has run across in long association with leading football coaches. By O. W. "Red" Severance (Written For The Associated Press) Hanson, head coach at Syracuse university, still gets a chuckle out of this unforgettable wisecrack from his great pair of ends—George Ellert and Abe Stoneberg.

American League May Oust Radio

CHICAGO, Oct. 19 (AP)—Banning the radio from the American league baseball parks next season will come up for serious consideration at the annual meeting in December, President William Harridge indicated today. There is a growing sentiment, President Harridge said, against the broadcasting of baseball games. The eastern half of the league is solidly opposed to the radio, three of the clubs—Philadelphia, New York and Washington—even forbid telegraphic reports to be filed out of the park for broadcasting purposes.

Sport Slants

By Alan J. Gould (Associated Press Sports Editor) The 105-yard gallop for a touchdown by Herbert McAndy, University of Florida, fullback, in the game with Sewanee stirs the reminiscent mind of Parke H. Davis, national gridiron statistician. When bigger and better football statistics are turned out, they will be produced by Davis, who notes that the southern boy's run is one of the longest made from scrimmage in many years. McAndy had dropped five yards behind his own goal line to punt but was obliged to change his mind. He dashed for the open and completed his sensational dash through the whole Sewanee team.

THAT WAS A RUN The record run from scrimmage, 115 yards, was made by Wyllys Terry of Yale against Wesleyan in

It's Mrs. Bobby!

No wonder she's a clever golfer—she certainly has had expert tutelage. Pictured here while she was qualifying in the Georgia Women's Tournament at Brookhaven Country club, Atlanta, is Mrs. Bobby Jones, wife of the world's greatest amateur. She took up the game only a comparatively short time ago.

1884. The field in that day also measured 110 yards. "Benny Boynton of Williams in 1920 caught a Hamilton punt ten yards behind his own goal line and ran 110 yards to score. G. C. Gray of Oberlin in 1908 received a Cornell punt nine yards back of his own goal line and also got away for a touchdown. The late Walter Eckersall of Chicago in 1904 raced 100 yards to score after catching a Wisconsin punt.

HERE ARE THE BEST For purposes of the present record, Davis offers the following interesting list of record scoring runs, for each of the past eleven seasons, giving the year, number of yards, player and play. 1920, 110, Benjamin Boynton, Williams vs. Hamilton; caught punt. 1921, 98, Charles West, W. and J. vs. Syracuse; kick-off. 1922, 100, Harvey F. Sweeney, Susquehanna vs. Colgate; kick-off. 1923, 87, John Hagerty, Georgetown vs. Georgia Tech; intercepted pass. 1924, 104, William Senn, Knox vs. Coe; intercepted pass. 1925, 102, A. L. Cronin, Loyola vs. St. Ambrose; intercepted pass. 1926, 99, Gerald R. Thompson, Georgetown vs. Lebanon Valley; kick-off. 1927, 105, Gilbert Welch, Pittsburgh vs. West Virginia; kick-off. 1928, 105, Harold Stubbs, Denison vs. Ohio; kick-off. 1929, 105, Lois Weller, Haskell vs. Creighton; kick-off. 1930, 105, George Wilson, Idaho vs. Whitman; scrimmage. 1931, 109, Edmund Jack Burke, Mississippi vs. Alabama; kick-off.

MORE FISHING RODS SOLD CHICAGO, Oct. 19 (AP)—W. Bruce Pirnie, president of the Montague Rod and Reel Co., reported today that sales of fishing rods in the middle west are running almost 50 per cent greater than last year, one of the greatest increases ever recorded.

When Chocolate Became a Champ

Some heavy swings had just about won the featherweight championship of the world for Kid Chocolate, when the above action took place in Madison Square Garden, New York. Lew Feldman, the challenger who twice before had been beaten by the little Cuban, is shown at left as he took a count of nine in the ninth round. And three rounds later Referee Patsy Haley stopped the match to spare Feldman further punishment.

Writers Select Jimmie Foxx As Most Valuable

NEW YORK, Oct. 19 (AP)—A committee of the Baseball Writers' Association of America has designated Jimmie Foxx of the Athletics as the American league's most valuable player in 1932, thereby turning this year's major league selections into an all-Philadelphia affair.

Foxx polled a total of 75 points out of a possible 80 to win the American league award by a decisive margin from Lou Gehrig of the Yankees who received 55 points. Chuck Klein of the Phillies was announced yesterday as the committee's choice as the National league's most valuable player, beating out Lonnie Warneke of the Cubs and Frank O'Doul of the Dodgers. Announcement of both winners was made by J. Roy Stockton of St. Louis, chairman of the selection committee in each league.

Foxx's winning total was made up of five first choices, one second and two thirds. Gehrig was picked for second place by a 14 point margin over Heinie Manush of the Senators.

Valuable Secretions

The mother of pearl of commerce is the inner portion of the shells of certain large marine bivalve mollusks—oysters and their relatives. Like pearls themselves, it is made up of a secretion of the oyster, built up layer by layer. The shells are collected chiefly in the tropical seas, but some are produced in inland waters of the United States, Germany, China, Russia and a few other countries.
