THRILLS APLENTY IN EVENING GAME AT CORVALLIS, ORE.

Soldiers Open Game With Sixty Yard Gain For Touchdown — Beavers Come Back Strong.

CORVALLIS, Ore., Oct. 29 (AP) — Oregon State college had another football victory to its credit today as it defeated the West Coast Army team...

The Beavers scored again just before the close of the first quarter, but failed to convert. Their third touchdown came late in the second period when McIntosh took a punt on his own 32-yard line and ran 69 yards to the Army goal.

The Soldiers got their final two points in the third quarter by blocking a punt behind the Oregon State goal line, the ball rolling out of the end zone.

UNION PERSONALS

By Mrs. L. Z. Terrill (Observer Correspondent)

UNION (Special)—Mr. and Mrs. H. C. McClay were over from La Grande Wednesday evening to attend the Eastern Star initiation services.

Mr. and Mrs. Cecil Ager came over from La Grande Wednesday evening to spend the evening with Mrs. Paul Ager and Mrs. Edith Phay.

Merton Kuhn who has spent the past two months at Paradise and Lostine, returned home Thursday. His cousins, Clifford Kuhn and Mr. and Mrs. Harold Kuhn brought him home.

C. E. Lawson is out in the Minam country rounding up the remainder of his stock from the range. He thought it a good time to locate the missing 40 head as he is able to track them in the snow.

Vergil Spencer, of Muddy Creek, and Miss Ruth Rode called on Bev and Mrs. R. C. Lee Sunday evening. Some much needed repair work is being done on the Methodist church this week.

Mr. and Mrs. Ellis Hess returned Wednesday evening from Denver, where Mrs. Hess had been under the care of a specialist for some time. She is slowly convalescing.

Mr. and Mrs. L. J. Allen, of Corvallis, are making a trip through Eastern Oregon in the interest of 4-H club work. Mr. Allen being assistant state supervisor of that work.

They were at Union Thursday, made a trip to Baker on Friday and planned to go on to Wallowa county the last of the week.

Mrs. Edith Phay entertained the Carnation club at a lovely luncheon in Northwestern university. The centerpiece was a large bowl of pink and white butter chrysantheums, and four tall pink tapers were lighted during the meal.

Covers were laid for 12 and the serving was done by Mrs. Paul Ager and Mrs. Mark Phay. The afternoon was spent in sewing and visiting.

Northwest Title At Stake Tonight At Salem, Oregon

SALEM, Oct. 29 (AP) — College of Puget Sound will be battling for its first Northwest conference football championship when it meets Williamette university here tonight.

Coach Roy Sandberg, of Puget Sound, has congregated the greatest football team in the school's history and a win for his Loggers tonight would leave only Albany college's feeble form in the pathway of a Tacoma pennant.

Williamette is the favorite of the conference, but the Loggers are expected to give the Loggers an edge over the Bearcats who were rated fourth or fifth in early conference predictions.

Walter Erickson back in the starting lineup, gives the Bearcats full strength for the first time this season. Jockiah and Weisser, two towering tackles, set the pace in the line and Oravee and Erickson, are both sensational halfbacks.

Should the Bearcats win they would still have to defeat Linfield, Pacific and Whitman to take the championship.

McIntosh scores on Loug Run The Beavers scored again just before the close of the first quarter, but failed to convert.

Mrs. Culbertson Eliminated From Bridge Tourney

By R. W. Spears

NEW YORK, Oct. 29 (AP) — The drama of a bridge game by which P. Hal Sims' team eliminated Mrs. Ely Culbertson from the Vanderbilt cup tournament in the quarter-final early today drew a roomful of usually reserved players and kibitzers into a literal uproar.

All other players had been finished for an hour when Waldemar von Zedwitz and Harold A. Vanderbilt of the Sims forces, fastest players in the tournament, reached the last board against Louis H. Watson and Samuel Fry Jr., Mrs. Culbertson's team-mates.

At this stage the Sims foursome was 310 points behind and it looked as if they had lost. Sims and his partner, Willard S. Karn, were the more certain of defeat because they had set two tricks the opponents who had played that hand against them at four spades.

Congratulations Too Soon Von Zedwitz bid five diamonds on it. While he struggled slowly to make the contract, Mrs. Culbertson, wrapped in ermine, was receiving congratulations.

The five-diamond contract gave von Zedwitz-Vanderbilt 400 points, the team had a swing of 500, and von the match by the narrow edge of 100, one of the narrowest ever made in a tournament.

The others who won the right to compete in a 48-board semi-final today and tonight were Mr. Culbertson, Oswald Jacoby, Theodor A. Lightner and Michael T. Gottlieb, by 4105 points; David Burnstine, Howard Schenken, Richard Frey and Charles Lechridre, 1275; Walter Malowan, Julien Barth, H. Hubert, Bosowitz and Sherman Stearns, 2400.

This was the epic last hand: NORTH S-9 3 3 2 H-A K Q 2 D-C 9 2 WEST S-4 5 2 H-7 5 2 D-A Q J 5 2 C-J

EAST S-K J 8 7 H-10 8 5 4 D-K 8 3 C-A K 6 5 4 SOUTH S-A 10 4 H-10 8 5 4 D-7 4 1 C-10 8 7 3

Neither side was vulnerable and South the dealer.

With Karn and Sims north and south and William Huske and Mrs. Culbertson east and west, respectively, the bidding had been:

Two passes, north one heart, east double, south two hearts, west three diamonds, north pass, east three spades, south pass and west four spades.

But when Watson and Fry sat north and south and Vanderbilt and von Zedwitz east and west they bid like this:

Two passes, north one heart, east double, south two hearts, west three diamonds, north pass, east four diamonds, south pass and west five diamonds. North led the king of hearts.

STANFORD-BRUIN GAME HEADS BILL

Indians, After 13 to 0 Whipping By Trojans, Out to Defeat U. C. L. A.

By Paul Zimmerman (Associated Press Staff Writer) LOS ANGELES, Oct. 29 (AP) — University of California at Los Angeles' right to remain in a tie for the leadership of the Pacific coast conference football race will be seriously questioned by Stanford here today.

Still smarting from the 13 to 0 thumping Southern California gave them a week ago, Coach Glenn (Pop) Warner's Indians went to the Olympic stadium today with the idea in mind of showing at least one of the southland's leaders out of the top perch.

A surprisingly strong Bruin, reluctant about being rudely nudged out of the position it is holding for the first time in conference history, growled its refusal to move without serious conflict and fifty thousand were expected to be present for the first hand information on the outcome.

Main Game on Coast The game, which holds the chief interest of the Pacific coast, promises to be another test of Stanford's defense against pass, for the Bruins have showed themselves to be quite adept at the aerial art. It was only a week ago that the Indians fell victims of an overhead attack at the hands of the Trojans.

Coach Bill Spaulding's team, somewhat lighter than the Stanford eleven, will attempt to stop the Warner razzie-dazzie attack with speedy and willing but rather inexperienced ends and tackles.

Injuries will handicap both eleven. Stanford's left end, Colvin, will not start, while Houghton Norfleet, U. C. L. A. left tackle, has no chance to play and Joe Keeble, fullback, probably will view most of the game from the bench.

Hospital Fire At Enterprise Is Extinguished

By W. L. Flower (Observer Correspondent)

ENTERPRISE (Special)—A fire at the Enterprise hospital caused a lot of excitement in Enterprise Thursday evening about 5 o'clock. The alarm was sent in after those working at the hospital discovered that sparks from the furnace chimney had set the shingles on the roof on fire.

A prompt response was given by the Enterprise fire department and the blaze was soon under control without it being necessary to remove any of the patients.

A high wind was blowing but fortunately the fire was on the protected side of the building so that no great damage was done.

The Enterprise high school volleyball team defeated the team from Joseph High school 4 out of 5 games at Enterprise Thursday evening. The games were all closely contested and were won by small margins.

The Torcia Honor society in the Enterprise high school held its initiation last Thursday morning in the assembly room. This society takes as members those who have excelled in studies and school spirit.

The following were initiated: Verdarae Robertson, Tribby Robertson, Billy Savage, Peggy Lee Reavis, Ruth Barton, Agnes Dixon, Shannon Gettings, Wm. Stickey, Lynn Johnson, Jay Langston, Lee Stieckler, Gertrude Homann, Bonita Hulse, Elfrieda Christensen and Bob Evans. It was found that the senior class of the High school headed the honor roll for the month of October with 51.4 per cent.

TIGERS DEFEAT BAKER ELEVEN IN TOUGH GAME, 7-0

(Continued from Page One)

ation of the ball within La Grande's 20-yard line.

The Tiger team, facing the strong Bulldog outfit, made considerable yardage outside of the Baker 20-yard line, particularly E. DeBoe and Sailer. Roe played the safety role on defense and did a nice job of it, making some fair returns of punts. Kimmell and Irwin at the ends, performed well, furnishing some nice blocking, although the team blocking as a whole was under par. Munnhall did some nice defensive work — in fact, most of the men on the Tiger team played good football, although at times did not click so well.

Baker made most of its yardage through the efforts of Graber, freshman fullback, who will undoubtedly be heard from more next year.

The Bulldogs resorted to passing time and again, throwing about 15, but only one was completed. The ends and tackles were rushing the Baker passer so fiercely that he was unable to get set, and twice Kimmell tackled prospective passer before he could get the ball away.

Officiating High Both teams found the officiating very fair.

The La Grande high school band and a large crowd of students and townspeople accompanied the Tigers to Baker yesterday.

Next Saturday Union plays in La Grande and the Armistice day the Tigers close their season at Pendleton.

The starting lineup for La Grande follows: Irwin, left end; Howard, left tackle; Munnhall, left guard; Owsley, center; Alvey, right guard; Feuerhelm, right tackle; Kimmell, right end; Webb, quarterback; Baker, left half; Roe, right half; DeBoe, fullback. Substitutes were: Munnell, quarterback; Steop, tackle; Thompson, guard; E. Reynolds, back; R. DeBoe, back; Floberg, back; Corey, tackle.

Officials: Reynolds, referee; Mimmnagh, umpire; Duff, head linesman; Peare, timer.

Oregon Not So Sure Gonzaga U. Will Be 'Set-Up'

Eugene, Ore., Oct. 29 (AP) — Though lay clouds flirited with the horizon the threat of rain appeared remote today, and the Oregon university Webfoots and the Gonzaga university Bulldogs faced the prospect of a fast, dry field when they tangle here this afternoon in a non-conference football game.

Oregon rules the favorite despite injuries to Leighton Gee and Pepper Pepinback that will keep them out of the opening lineup. A new backfield triple-threat, 101-pound Bob Parke, will be initiated into Oregon service. Butch Morse will be in at end in place of Red Bailey.

Though the Bulldogs are also entering the contest as the underdogs, a feeling of apprehensiveness has been sprung up here that the Gonzaga boys will crowd the Webfoots and not provide the "breather" Oregon would like before its tussle with Oregon State a week from today.

The TINYMITES. STORY BY HAL COCHRAN PICTURES BY JOE KING

(READ THE STORY, THEN COLOR THE PICTURE)

THE horse sailed on with all its might and cried to Duncy. "Hang on tight, I know my tail will not pull out, so you are safe and sound." "You asked for speed, that's what you'll get. I'll give you plenty, you can bet. I'm going to sail high before I head back to the ground." "The other Tinies, down below, began to loudly cry out, 'Whoa! Come back and bring wee Duncy. Please don't travel very far.'" "We told the farmer that we would help him get home as best we could. How can we do it, if you are not here to tow his cart?" "Ah, listen to them call for me. I would return, but I can't see why I should not have fun at first," the horse said, with a smile. "This sailing through the air, you see, is as refreshing as can be. I promise that I will not travel more than half a mile." "We'll I will turn back willingly, so they can make good use of me. When once again I pull that cart, please don't ask me to run." "All right," snapped Duncy. "I'll be fair, if you'll just drop out of the air. I will admit that pulling such a load is not much fun."

WATER POWER ACT Having voted ourselves free power for nothing last election the voters of Oregon are surprised to be called on to vote the same thing again in the water power act which is the last measure on the ballot.

The constitutional amendment starts out bravely to declare that the state shall hold its water power titles in perpetuity. That is the law now, so re-enacting it is like taking your deed down and having it filed over again just to convince yourself you still own your home or your land.

Ah, but behind the fine front of preserving titles to the water power in the state, there is a provision which is full of danger to the state. That is the section which would allow the issuance of some \$60,000,000 in bonds to finance the state's adventure in hydro-electrics. These bonds would not be voted on first by the people. If the amendment carries the legislature may any time it wishes vote to pass these bonds and throw the state into the hydro eddies.

FAMOUS FOOTBALL PLAYS NOTRE DAME'S SPINNER BUCK NOTRE DAME'S spinner buck is a deceptive play, because either a thrust into the line or a lateral pass can be worked from it.

At left are two sketches showing how these plays can be worked. The upper sketch shows the spinner thrust into the line between end and tackle. The ball is snapped from center to the back No. 1. He whirls to the rear and takes a pass to back No. 2. Instead of passing, however, he completes his spin and dives off tackle, following back No. 3 who has gone before to open a hole.

Back No. 4 goes through the line to take out the opposing half, and No. 3 goes on to take out the left end.

The lower sketch shows how a lateral can be worked from this same formation, back No. 1 completing a lateral to No. 2.
