

Bruins and Trojans Only Undefeated Teams In Conference

U. C. L. A. UPSETS STANFORD 13-6 TO TIE FOR TOP

Oregon Defeats Strong Gonzaga Team and Washington State Beats Montana 31-0.

By Russell J. Newland (Associated Press Sports Writer) SAN FRANCISCO, Oct. 31 (AP)—While their home town rivals and sharers of the coast conference leadership—the University of California at Los Angeles Bruins—take a well earned rest this weekend, Southern California's Trojans will stake their championship chances against the invading California Bears, Saturday.

The season's second football "titanic" will pit Trojan eleven handily capped by the loss of Orv Mobler, star quarterback, against a Bruins squad that appears to have found itself earlier ups and downs.

In the coast's first big battle a week ago the Trojans conquered Stanford 13-0 to surmount one of the formidable obstacles in their drive to retain the conference title. Last Saturday, Coach Bill Spaulding's Bruins upset all predictions to defeat the same Stanford eleven 13-6, and thus keep pace with the Trojans in the championship drive.

Bruins, Trojans Do Not Meet These two teams will not meet this year and each has better than an even chance to go through the season without defeat. Southern California faces the toughest opposition through its forthcoming clash with California, which also is not on U. C. L. A.'s schedule. The Trojans also must beat Oregon and Washington. The Bruins inactive this week, will meet St. Mary's in a non-conference engagement. Another day and then will have three conference foes, Montana, Washington State and Washington, to take on.

U. C. L. A.'s startling victory over Stanford was the highlight of the weekend's gridiron menu and definitely established the Bruins in the ranks of front runners after many seasons of defeat and disappointment.

Two blocked kicks paved the way for victory that brought the Bruins their third conference win. The Indians scored in the first period and the Bruins tied up the count shortly before the second quarter ended. Verdi Boyer, guard, crashed through to get in the route of the ball and then an alert end, McChesney, fell on the ball over the goal line.

In the last period Anderson was the victim of another blocked punt. Yearick, tackle, stopping the second one which his running mate, McGuire, recovered on the eight yard mark. Clark, halfback, went over on the fourth down while Franwich, quarterback, accounted for the extra point with a place kick.

Cougars Crush Montana The only other conference contest of the day saw Washington State crush Montana 31-0. California, Washington and Oregon all chalked up wins over non-conference opponents, meanwhile pointing for important league games a week ahead.

California's reserves were called in to bounce Nevada, 38-0, with the regulars resting for their Southern California encounter. Washington, with Stanford to face this week-end, went through a workout with Whitman, a 38-7 victim. Oregon's Gonzaga 13-0, all the while looking ahead for the annual conflict with Oregon State.

Washington State, now in third place in the conference standings with three wins and one defeat, will face Idaho next Saturday in a game that is expected to all the way for the first time. St. Mary's first of the independent elevens to see inter-sectional action this year, moves on to New York for the game with Fordham.

ST. MARY'S TO PLAY FORDHAM IN NEW YORK SAN FRANCISCO, Oct. 31 (AP)—The unbeaten St. Mary's Gaels were on their way to New York today to meet Fordham after winning their annual "little big game" from Santa Clara here yesterday by the margin of a kick after touchdown, 14 to 13.

Fifty thousand spectators saw the tide of battle, running strongly in favor of Santa Clara, at half time, ending in the third quarter and place the Gaels on top. Santa Clara led 13 to 0 as the half ended.

Milton Eleven And Pendleton In 6 to 6 Draw

MILTON, FRESHWATER, Oct. 31 (Special)—Ask any Milton or Freshwater resident the question "Can you tie that?" and the odds will be fairly heavy that his reply will be "No, but our team can."

The reason? Saturday afternoon the Mac-Hi Pioneers battled back and forth with the Pendleton Buckaroos here with the final score being 6-6. It was a game that the Pioneers might easily have won but for a lapse or two that proved costly.

Most provoking of all, however, was the tie angle. It was the fourth game this season that the Pioneers have tied. Pasco, La Grande and Waitsburg previously having been played even up as far as scoring was concerned. But even that wasn't the worst of it. The game was the third consecutive tie between the Pioneers and the Buckaroos. Saturday's score was the same as last season's while in 1930 the teams battled to a scoreless tie.

Offensive Punch Missing Mac-Hi had an edge in offensive work most of the game, play ranging generally between midfield and the Pendleton 20-yard line. But the punch that was needed to keep going was missing. Arby Hufford, usually the mainstay of the Pioneer offense, was far off form and twice made costly fumbles as his team seemed headed places.

The first quarter was but four minutes old when the Pioneers were knocking at the Pendleton goal. Barnes blocked the first three of Pendleton punts and Mac-Hi recovered on the 60. Hufford and Grobs alternated in carrying the ball towards the goal, with Don McConnell, rushed in at fullback when the ball was on the 6, going over. Barnes' place kick was short.

As the second quarter neared its close, Mac-Hi was on the Pendleton 45, but unable to gain. With fourth down and nine to go, Hufford tried to pass in the hope the receiver might get away for a score, but the attempt was incomplete and the ball went over.

Bucks Seize Opportunity Pendleton seized its opportunity by both horns and the Buckaroos proceeded to ride forward to the tie. A 10-yard pass plus a 15-yard gain, following several line plays, put the ball on the 17. A buck brought no gain, but on the next play Graybeal took a pass for the score. The half closed on the third play with Mac-Hi in possession after the kickoff.

The Pioneers tried valiantly during the fourth quarter to score on forward passes. The alertness of Graybeal was an outstanding factor in the Pendleton defense, the efforts being knocked down time and again. Twice after the second half opened Mac-Hi got near the goal, but the Bucks brought a halt to the marches on their 15 and 20-yard lines to save the day.

Starring honors for the day clearly went to Barnes, Mac-Hi tackle, with his three blocked punts and one recovery of a fumble. Had the rest of the team functioned as he did, a victory would have been certain. Pendleton battled hard all the way and consistently hurled efforts of the Pioneers. The result left Eastern Oregon standings rather muddled. Officials included Light, referee, and Wagner, umpire.

SOUTHERN OREGON TOO POWERFUL

(Continued from Page One)

In the second period two touchdowns were made. Hines scoring from the five-yard line after a monkey ball run through a broken field, one of the most brilliant of the day, put the ball deep in La Grande territory. Hines' extra point was good according to word received here from its owners, the Ross Packing Co., of Selah, Wash. They state that the market for dried apples is the reason, causing disappointment to local growers who have an unusually large amount of culls on hand because of heavy worm damage. Also the C grade apples are in most cases being put in with the culls this year.

Apple picking has been completed in some orchards in this district and this week all others probably will be finished. Packing is proceeding on export orders in two packing houses. Only a few shipments have been made to domestic markets on account of the prevailing low prices.

The bank failure left the student body tied up for approximately \$200; \$140 on deposit in the bank, and two outstanding checks amounting to \$60. About half of the student body dues have been paid. Student body plays and dances will be its main source for money for carrying on the rest of the year.

Art Hughes, of Freshwater, drove here Sunday for Mrs. Hughes and Mrs. Mineur, who have been packing apples here for the past three weeks. Maurice Wels, former teacher of 7th and 8th grades at Imbler, and Ruth Wels, of La Grande, were Imbler visitors Sunday. Mr. and Mrs. C. C. Welch had for dinner guests Sunday Mr. and Mrs. Jim Stanley and Mr. and Mrs. H. A. Watson.

Mr. and Mrs. John Cleaver, from Meacham, visited Mr. and Mrs. Charley Cleaver Sunday. Mrs. O. Howell gave a birthday party in honor of her daughter Marjorie and H. A. Watson. Anters were used as decorations. Those present were Mr. and Mrs. Grant Tucker and daughters Barbara and Wanda, Mr. and Mrs. Wanner Beem and son, and Mr. and Mrs. H. A. Watson and Donna. Luella Keenan gave a Halloween party last Sunday. Those present were Myrtha Westenkow, Pauline Jensen, Maxine Bingaman, Marie Osborn, Myrtha Westenkow, Pauline Jensen, Dorris Miller, Leonia Bingham, Barbara Tucker, Irene Ringham and Leola Rollins. Refreshments were jelly, cake and popcorn balls.

Frankie Barrett, former Pacific Coast league shortstop, is planning to make his home in Oklahoma City.

Oregon Staters And Oregon To Meet Saturday

PORTLAND, Ore., Oct. 31 (AP)—The usual "Bear" stories were absent today as the Oregon and Oregon State football squads began preparations for next Saturday's "civil war" at Corvallis.

Students and fans on the campus at both schools were happy over the outlook for victory. At Eugene, the glad tidings that Mike Mikulak, smashing fullback, and Captain Morgan will be ready, created smiling faces, while at Corvallis the Beaver backers pointed to the great possibilities of their new backfield axes, Bud McIntosh and Willard Jarvis.

Mikulak entered the game against Gonzaga Saturday, just long enough to stop a threatening Bulldog rally and do a little fancy offensive stepping with McIntosh, a transfer from a California school and Jarvis, ex-Portland high school star, flashed brightly against West Coast Army, at Corvallis Friday night.

Willamette And Puget Sound In Scoreless Game PORTLAND, Ore., Oct. 31 (AP)—College of Puget Sound's gridsters climbed to top rank as the prospective champion of the Northwest conference for 1932 as a result of a scoreless tie with the Willamette eleven, Saturday.

The Sound squad has but one game to play, while Willamette still has a tie with the Washington for first position has Linfield, Pacific and Whitman to handle, if it expects to stay in running for a title.

Imbler Growers Disappointed At News From Selah

By Howard Wilson (Observer Correspondent) IMBLER (Special)—The apple evaporator in La Grande probably will not be operated this year according to word received here from its owners, the Ross Packing Co., of Selah, Wash. They state that the market for dried apples is the reason, causing disappointment to local growers who have an unusually large amount of culls on hand because of heavy worm damage. Also the C grade apples are in most cases being put in with the culls this year.

Apple picking has been completed in some orchards in this district and this week all others probably will be finished. Packing is proceeding on export orders in two packing houses. Only a few shipments have been made to domestic markets on account of the prevailing low prices.

The bank failure left the student body tied up for approximately \$200; \$140 on deposit in the bank, and two outstanding checks amounting to \$60. About half of the student body dues have been paid. Student body plays and dances will be its main source for money for carrying on the rest of the year.

Art Hughes, of Freshwater, drove here Sunday for Mrs. Hughes and Mrs. Mineur, who have been packing apples here for the past three weeks. Maurice Wels, former teacher of 7th and 8th grades at Imbler, and Ruth Wels, of La Grande, were Imbler visitors Sunday. Mr. and Mrs. C. C. Welch had for dinner guests Sunday Mr. and Mrs. Jim Stanley and Mr. and Mrs. H. A. Watson.

Make of Butter Increasing; Egg Prices Change

PORTLAND, Oct. 31 (AP)—Make of butter appears to be increasing in practically all sections of the Pacific northwest. The trade here is feeling the effect for up to this time the country was buying butter here. There's more than plenty to fill all needs.

Advance of 2c dos. in the price of pullet size eggs, quoted by the Pacific co-opa went into effect at the week's opening. This size is very scarce and prices are firm at the advance.

For the week's opening there was a lack of general price change in the live chicken market. Demand for hens appears steady at least but springer stuff is weak and generally drags around the low mark.

While there is no general price change in the market for local cranberries, some of the growers are beginning to let go and this stock is being offered at a slight discount. Sales of McParlanes around \$2.65 @ \$3.00 for third barrels.

Essence in the cheese market has suddenly appeared in all sections of the country. Prices in practically all leading sections were inclined to show weakness and almost general loss.

The recent cut of 1c by Tillamook was the first sign that anything was wrong with the cheese market structure. This was immediately shown in general declines in the eastern trade, suggesting that holdings of cheese were in excess of actual trade needs.

First shipments entirely by water of Arabian dates has been received here and general quality is good. The stock is packed in regular butts and is priced around 7c lb.

Market for country killed meats continues a trifle slow and especially so for veal. There was, however, no general change in the price as compared with last week's finish.

There is a somewhat better movement of hothouse tomatoes with the rainy weather as a detriment to outdoor quality. Sales are being made around 60¢/75¢ for 10s and \$1.15 for choice 20s.

Notes of wholesale trading: Lemons are down 50c case, the first drop for a long time. Orange market is about steady. Potatoes are weak but unchanged as to price. Onions are showing a slow movement.

Last of the wine grapes are being offered on the tracks. Concord grapes are slow but prices are fairly held.

The TEMPERATURE ON THE MOON GOES DOWN AS LOW AS 400 DEGREES BELOW ZERO!

A MOTHER BAT CAN CARRY HER YOUNG ABOUT, EVEN AFTER THEIR COMBINED WEIGHT EQUALS MORE THAN HER OWN.

YOUNG BATS cling to their mother's fur and are thus carried about on all her flights. Most species have only one or two young, but the Red Bat produces as many as four. Bats vary widely in size and form. There is a tiny species in southwestern United States, the Pipistrelle, that weighs less than an ounce, while the Flying fox, a giant bat of Australia, is so large that it has a wing-spread of five feet.

Santa Fe's Distinction
Santa Fe, N. M., is the second oldest city in the United States.

You 'cross' different kinds to make a BETTER KIND

HERE are entirely different kinds of tobacco. Blend them and you get a different taste. Cross-Blend them and you get a better taste. While blending mixes the tobaccos together, Cross-Blending "welds" and "joins" their flavors into one. Imagine doing this with the world's finest cigarette tobaccos—many kinds of Bright tobacco, a great many types of Burley tobacco and numerous grades of Turkish tobacco! What you have when you've finished is Chesterfield tobacco—better than any one kind, better than a blend of all kinds—really a new kind of tobacco flavor that's milder, more fragrant and a whole lot more pleasing to the taste.
