NEW YORK STOCK PRICES REVIVE SLIGHTLY TODAY

NEW YORK, June 14 (P) — Stub-born resistance of the rails, aided by further weakness of the American dollar in foreign exchange markets, helped revive a wavering stock market today. Early losses of 1 to 2 points were replaced by gains of as much or more in the final hour. The close was steady to firm. Turnover approximated 5,500,000 shares.

UPSETS PUT FOUR COAST TEAMS IN CLOSE POSITION

By The Associated Press
Only two and one-half games separated the first four Coast league teams today after an uprising resending Hollywood, Sacramento and Portland clubs down to defeat.

Suffering its sixth defeat in eight starts, Portland dropped its opener at Los Angeles, 9-2. The Angels battered Joe Bowman and Syd Cohen for 13 hits, including four-baggers by Jim Ogleby and Gene Lillard. Leroy Herrman, seraph moundsman, was hit freely but kept the Beaver blows scattered until the last two innings when the two Portland runs were scored.

Bill Henderson, of San Francisco, turned in one of the best hurling performances of the season in stopping Seattle, 6-1, with three hits. Chick Ellsworth scored the lone Indian tally in the ninth on Garibaldi's wild throw to first. Elias Punt, former White Sox outfielder, made his San Francisco debut as a Seal by closing a triple and a single and making ten putouts in center field.

The sixth-place Oaks took care of Hollywood, 4-3. "Burr" Wetzel of the Stars handed Oakland the game in the ninth when he walked Emil Malho with the bases loaded to force in the winning run. The first three Oakland tallies were scored in the opening inning off of Frank Shellen-back when Pete Scott doubled with three men on.

Sonnenberg Wins From Ted Thye

SALEM, June 14 (P) — Gus Sonnenberg's flying tackles were too much for Ted Thye, of Portland, here last night. The ex-footbal player took two out of three falls in their heavyweight wrestling match. Thye won his fall with shoulder butts.

BUTTERPAT

SAN FRANCISCO, June 14 (P) — Butterfat 23 prem. grade 24 1/2.

THOSE ELIGIBLE FOR C. M. T. WILL RECEIVE NOTICE

(Continued from Page One)
such applicants as have completed at least the basic or beginner's course. According to preliminary estimates by Lieutenant Thomas J. Cross, camp adjutant, this will cut the original quota down from 590 to about 425. How this curtailment will affect Union county, however, had not yet been determined today.

Final orders and letters to eligible applicants, who were advised a few days ago by the adjutant to stand by in case of further developments, could not yet be issued today because information is lacking as to when the camp will begin and how long it will run. It was scheduled to start June 23 and run four weeks, and unofficially this date and duration is expected to stand, but definite word had not yet come. Eligible applicants, however, will be advised as soon as possible.

This is Positively Not a War Picture

I am like a green olive tree in the house of God: I trust in the mercy of God for ever and ever. I will praise thee for ever, because thou hast done it: and I will wait on thy name. — Psalm 52: 8, 9.

A FABLE ABOUT GOLD

A lot of people have been excited about America's going off the gold standard. They should read the financial fable written by Thomas F. Woodlock in The Wall Street Journal. The nations of the world had a uniform gold standard and a world bank was established to keep the world's gold, the story begins, and then continues:

"There was chosen for this purpose a remote island in the Pacific which was impregnable fortified and provided with vaults of the strongest type protected by time-locks so arranged as to open only once a year, on December 31. All the world's gold was duly deposited in these vaults, and the island left to its garrison. Once a year the committee on inspection visited the island — no other visitors were ever allowed to land — and duly verified the presence of the gold. For years the world bank cleared the world's international business on the strength of this gold reserve which also secured the world's currencies.

"Finally, there came a year when the ship bearing the committee on inspection came to the spot where the island ought to be, and found no island.

"Some volcanic disturbance had wiped it out. What was it to do?

"After prolonged debate it was determined by the committee that inasmuch as no occasion had ever required any withdrawals from the gold 'reserve', and inasmuch as every one seemed satisfied so long as the reserve was there, the only thing to do was to certify its presence as usual, and see that every succeeding committee on inspection did the same thing. Which they did, and, as the old story-books used to say, the world lived happily ever afterwards."

Bishop Remington Tells Rotarians About Our Flag

Bishop W. P. Remington, of Pendleton, was the principal speaker at the weekly meeting of the Rotary club held in the La Grande hotel this noon, using as his subject the observance of Flag day. The Bishop is spending the week at the Ascension summer school at Cove. He pointed out many historical in-

cidents in connection with the early history of our flag, and showed that our flag has a genuine significance. Rotarians Elmer McManus and Harley Richardson played the bugle call, "To the Colors", in observance of Flag day. Visitors today were J. M. Watson, country club golf pro, S. P. Jordan, manager of the La Grande hotel, Herbert Evans, superintendent of La Grande schools, and C. M. Wight, manager of the Liberty theatre. R. A. McEachron, of La Grande High school, and Harry McKinlay, manager of Pak's store, were introduced as new members.

BLUE MOUNTAIN Butter

The Best — or the Cheapest?
In buying some articles the thrifty housewife may find it necessary to accept inferior quality for the sake of economy. But there is no economy in buying so-called butter substitutes, for in one pound of BLUE MOUNTAIN BUTTER you get more actual food value than in ten pounds of cheap substitutes. So if you must be economical, buy real butter — and be sure it bears the BLUE MOUNTAIN label — your guarantee of quality.
