

SACRAMENTO BACK IN LEAD AGAIN - PORTLAND LOSES

By The Associated Press
Returned to power by Lauri Vinc's 6-hit pitching, Sacramento was back in the Coast league pace-setter's berth today with a one game lead over the Hollywood Stars.

Vincel blanked the Missions for eight and two-thirds innings at Sacramento last night and then checked a belated Red rally to win, 11-2. With two out in the ninth the Reds put over two runs on a single, a walk and Al Wright's triple to deprive the Solon side of a shutout. Duke Camilli hit a homer, double and single.

Los Angeles again played the ungracious host as it turned back Portland, 8-7. The Beavers knocked Wynn Bellou from the box in the eighth and sent Buck Newsom to the showers in the ninth, only to be stopped by Emmet Nelson after tallying twice on four hits in the last inning. George Blackerby homered and hit a pair of singles for Portland.

A big second inning gave Seattle six runs and the second game of the series with San Francisco, 7-5. Manager George Burns, Fred Muller, Joe Coover, Phil Radonitz and Chick Ellsworth all hit for extra bases to power the Indian scoring parade in this inning.

With "Samson" Pool leading a 15-hit assault, Oakland walloped Hollywood, 11-8, for its second straight win. The husky Oak rightfielder chased in five runs with a brace of doubles and a home-run and led an Acon rally that wiped out the Stars early 8-1 lead.

Sonenberg Wins Main Event From Chicago Chinese

PORTLAND, Ore., June 15 (AP)—Taking two falls out of three, Gus Sonenberg, of Boston, defeated Wong Bok Cheung, Chicago Chinese, in the main event of last night's wrestling matches here. Sonenberg weighed 200 pounds and Cheung, 212.

The Boston grappler won the first fall in 15 minutes with a croch and half nelson. The Chinese evaded the match 7 minutes later with a Manchurian choke. Sonenberg took the deciding fall in 17 minutes with a flying tackle followed by another croch and half nelson.

Walter Podolak, 208, Syracuse, N. Y., won the semi-windup from Nore Jerstrom, 214, Chicago. Jerstrom was unable to return to the ring after Podolak took the first fall with a body slam.

George Koverly, 210, Hollywood, took the three-round opener from Carl Lemle, 215, New York.

PROOF THAT NEW FACE POWDER WON'T MAKE BLOTCHES

Many face powders are made out of cosmetics which darken when the oil in the perspiration strikes them.

Respiration comes out through the openings of your pores and the oil along with it. Every pore which is giving out oil is darkening the powder around the opening of the pores. Thus you have dark spots around the pores and white spots between them, making an ugly, blotchy face of blotches, especially on the nose.

The new Mello-gio Face Powder contains none of these inferior cosmetics which are so easily darkened by the oil in your perspiration. Prove it for yourself. Powder one side of your nose with another powder. Powder the other side with the new Mello-gio. In five minutes, let your mirror give you the answer.

We challenge the world to produce a finer and more luxurious face powder than the new Mello-gio. The new Mello-gio formula is the formula used by the most exclusive cosmetics in New York and Paris.

You don't buy face powder to make your face look blotchy and blotchy. Therefore, do not waste your money on powders that you are not sure of. Ask for Mello-gio Face Powder by name. Look for the name Mello-gio Face Powder on the gold box. Refuse the usual offer of "something just as good" which may blotch your face. Ask for Mello-gio by name at 10c, 25c and 50c. Tax free. George Earnshaw's Suspension Over

PHILADELPHIA, June 14 (AP)—Big George Earnshaw's 10-day suspension is up, but whether he goes back on the active list at once, in his niche as star righthanded hurler of the Athletics, depends on a heart-to-heart talk he's supposed to have today with Manager Connie Mack.

Sorely in need of pitchers of pennant-winning calibre, Mack is expected to welcome the stalwart "moose" back to the fold from which he banished him in New York for alleged infraction of training rules, slaying on a \$500 fine as well.

A new firm made up of three previously unemployed Milwaukeeans is manufacturing leather neckties.

Ryder Cup Team May Take Trophy From Britishers

NEW YORK, June 15 (AP)—The United States Ryder cup team was on its way to England today, with high hopes of bringing back the trophy despite the record of the professional series, which always has been won by the "home" team.

The team, led by Walter Hagen, sailed on the Aquitania at midnight and is due to reach England next Wednesday.

On paper, the veteran American team appeared much stronger than the British squad it is to meet at Southport June 26 and 27. Of the ten members of the squad, only Olin Dutra and Paul Bunyan never have

competed for the trophy. Hagen has played on all four previous United States teams while Gene Sarazen and Leo Diegel have taken part in the competition three times. Five of the ten British players never have had Ryder cup experience.

40 YEARS TOO LATE NORWALK, Ohio (AP)—If the Bowen Cable May Fence Machine Co. were still in business it could sell a combination wire cutter and staple puller to a man in Hanford, Cal., who has written for a tool like one he bought a long time ago. But the company went out of business 40 years past.

Without a single defeat Northwestern Oklahoma Teachers' college has won the state collegiate tennis title for two consecutive seasons.

Vancouver to Hold Regatta July 3-4

VANCOUVER, Wash., June 15 — Zooming hydroplanes, speedy inboard cruisers and trim sailing yachts will be the attractions that are expected to bring 10,000 persons to this town for the Mid-Columbia river regatta which is scheduled for July 3 and 4.

More than 30 outdoor craft, including some of the fastest on the Pacific coast, have already been entered in the hydroplane events and additional entries are arriving daily.

Yacht clubs in the Portland area will furnish most of the competition in the sailing boat races which will be held simultaneously with the outdoor events but on an adjoining course. The major regatta events will be held on July 4 beginning at 10 a. m. with preliminary races and other water events slated for July 3.

TO ANNOUNCE FARM PLANS TOMORROW

(Continued from Page One)

tomorrow. A comprehensive acreage curtailment program will be launched immediately for cotton, to take out as much as 10,000,000 acres of the

crop now growing. No effort will be made to cut production on the wheat now nearing harvest. Winter-kill and bad weather have cut the prospects for this crop down to approximate domestic needs for the first time this century, although there is expected to be a carry over of about 800,000,000 bushels on July 1, beginning of the new marketing year. The wheat program, however, is to be put into effect on fall planting.

Plans Nearly Complete

Wallace has completed details of both programs except for a few elements still open. One, subject to change, is the exact time the taxes will go into effect. He is authorized by the farm act to levy them at the beginning of the crop year for each commodity. That would be July 1 in the case of wheat and August 1 in

the case of cotton. Both may be delayed until August. The tax on cotton is expected to be four cents a pound, that on wheat, 28 to 30 cents a bushel. If prices of either drop before collection of the tax begins, the rate could be boosted, while if prices rose as a result of the prospect of a smaller future supply, the tax could be smaller, since Wallace's power authorizes him to levy a tax which, at its maximum represents the difference between the current price and the "parity price" which is based on pre-war average levels.
