President H. E. Inlow, of Eastern Oregon Normal School, Feted By Faculty at Dinner Wednesday Evening

President H. E. Inlow, of the Eastern Oregon Normal school, was feted at a dinner at the Sacajawes Inn last evening by the faculty prior to leaving to attend the summer session at Stanford university. Mrs. Inlow and Miss Hope Inlow, their daughter, were among the guests for the event.

An appropriate theme was carried out in the program with Miss Amanda Zabel speaking on "Warnings" and Roy L. Sken on "Objectives." Each member of the faculty furnished a warning and an objective. President Inlow responded in a clever manner. Dinner was served at seven o'clock.

Reception at E.O.N. Tomorrow Evening

Students of the summer session and former students of the Eastern Oregon Normal school are invited to attend the reception and dance tomorrow evening at the Normal school auditorium. Guest cards for the event may be procured from Miss Helen Moor, dean of women.

Entertains in Honor of Mrs. Cox

Mrs. E. W. Cox, of Baker, who is visiting in La Grande with her mother, Mrs. Addie E. Russell, was the inspiration for a delightful event at which Mrs. Russell entertained yesterday morning. Breakfast was served to 15 guests at nine o'clock. The tables were decorated in mid-summer flowers of blue and orange.

The morning was spent informally in conversation. Mrs. Cox expects to remain in La Grande for another week at the home of Mrs. Russell.

Luncheon For Mrs. H. J. Roberts

Mrs. M. C. Pearson entertained at luncheon Tuesday afternoon for her house guest, Mrs. H. J. Roberts, of Portland. Luncheon was served at one o'clock and the remainder of the afternoon was spent playing contract bridge.

Ice Cream Social At Lutheran Church

The Lutheran Ladies Aid will entertain at an ice cream social at the church Friday evening at 7:30 o'clock. Arrangements for the event are being made by a committee composed of Mrs. James Schilling, Mrs. H. A. Klinghammer, Mrs. Andrews, Mrs. L. J. Ebert, Mrs. C. Hefl and Mrs. Frank Wurl.

Bible Searchers At Oliver Home

The Bible Searchers class of the Presbyterian church enjoyed an interesting meeting yesterday afternoon at the home of Mrs. Anna Oliver. Plans were completed for a picnic at Riverside park on July 11 during the business session after which Mrs. Myrtle Broughton led the devotion, "Christian Service" was the theme of the devotional program. Two piano numbers were furnished.

PROOF THAT NEW FACE POWDER WON'T MAKE BLOTCHES

Many face powders are made out of cosmetics which darken when the oil in the perspiration strikes them. Perspiration comes out through the openings of your pores and the oil along with it. Every pore which is giving out oil is darkening the powder around the opening of the pore. Thus you have dark spots around the pores and white spots between them, making an ugly, blotchy face of blotches, especially on the nose. The new Mello-glo Face Powder contains none of these inferior cosmetics which are so easily darkened by the oil in your perspiration. Prove it for yourself. Powder one side of your nose with another powder. Powder the other side with the new Mello-glo. In five minutes, let your mirror give you the answer. We challenge the world to produce a finer and more luxurious face powder than the new Mello-glo. The new Mello-glo formula is the formula used by the most exclusive cosmetics in New York and Paris. You don't buy face powder to make your face look blotchy and blotchy. Therefore, do not waste your money on powders that you are not sure of. Ask for Mello-glo Face Powder by name. Look for the name Mello-glo Face Powder on the gold box. Refuse the unfair offer of "something just as good," which may blotch your face. Ask for Mello-glo by name and get it. 50¢ and \$1. Tax free. Glass Drugs, Inc. —Adv.

Finlay, "the good citizen and the 18th amendment"; Mrs. B. M. Godwin, "the good citizen believes in education for peace not for war"; Mrs. Harvey St. Johns, "individual responsibility."

Methodist Women Re-elect Mrs. Tyler

Mrs. R. F. Tyler was re-elected president of the Women's Home Missionary society of the Methodist church yesterday afternoon when they met at the home of Mrs. B. G. Fritts. Mrs. W. H. Hertzog was chosen as vice president; Mrs. A. W. Burnett, corresponding secretary; Mrs. E. M. Hickox; Mrs. Lee Handford, treasurer. Yearly reports were presented by the officers, followed by the lesson which concerned plans for the betterment of the society. The next meeting of the group will be held jointly with the Women's Foreign Missionary society on July 12 at Riverside park.

Christian Church Aid Holds Luncheon

The quarterly meeting of the Central church of Christ will be in the form of a picnic at Riverside park next Tuesday evening. It was announced yesterday when the Loyal Sisters Aid of the Christian church met at one o'clock at the home of Mrs. A. L. Voelz in Fruitdale. All members of the church are invited to attend and bring a lunch and dishes for a picnic supper. Luncheon was served yesterday at one o'clock to about 60 guests, after which Mrs. C. F. Wallace led the devotional program. Numbers on the program which was presented during the social hour were Mrs. Mildred Blokland, piano solos; Naomi Creaman, two recita-

tions; Mrs. Creaman, a reading; and Barbara Roberts, two pianologues. The Aid disbanded for the summer following the meeting.

WHEN YOUR DAUGHTER COMES TO WOMANHOOD

Most girls in their teens need a tonic and regulator. Give your daughter Lydia E. Pinkham's Vegetable Compound for the next few months. Teach her how to guard her health at this critical time. When she is a happy, healthy wife and mother she will thank you.

Sold at all good drug stores. **Lydia E. Pinkham's Vegetable Compound**

BOMB IS FOUND TIED TO AUTO OF N. J. CONGRESSMAN

WATCHUNG, N. J., June 23 (AP)—A 15-pound bomb containing what explosive experts at the Du Pont factory described as "the most deadly explosive in the world," was found today attached to the auto of Rep. Charles A. Eaton.

Sergeant Augustus Albracht, who took the bomb to Morristown after it was disassembled, said it weighed more than 20 pounds and was made of dynamite. He said the men who examined it agreed with police that it was the work of a expert.

When the bomb was found by Joseph Balent, an employe, Eaton was uncertain whether it was real or merely the work of a practical joker. "If it be a bomb," he said, "I feel it was not directed against me so much as against the United States government."

Shows Standard A Good Starter

Commissioned to make a comparative investigation into the relative performance qualities of the seven leading Pacific coast gasolines under actual road-operating conditions, the American Automobile association contest board has announced its verdict on the first of its series of tests. As the result of the exhaustive check-ups for relative starting characteristics of the seven fuels, official certification has been awarded by the board's national headquarters in Washington, D. C. that the starting of the Standard gasoline manufactured by the Standard Oil company of California is unsurpassed.

Howe Denies Kit Deal Onus

Louis McHenry Howe, President Roosevelt's first secretary, is shown here, left, as he denied to Senator Morris Sheppard any responsibility for purchase of 200,000 higher-priced toilet kits for the forest army. Howe said he had no idea of influencing the purchase through his reference to the seller in a letter to forest army officials.

Standard Oil Is Choice for Navy

The largest lubricating oil contract ever placed on the Pacific coast has been awarded by the United States navy to Standard Oil company of California, according to A. B. Clubb, district manager of the Standard Oil Co., here. The award includes the entire requirements of the United States navy at Pacific coast ports, including Alaska and Hawaii, this being the first time that any company has won all the navy's lubricating business for

the coast. It also includes the requirements of these federal departments that purchase under navy contract and that operate in the Pacific coast states. The contract calls for 1,300,000 gallons of lubricating oils, including all of the navy's Pacific coast requirements of aviation engine oils and turbine, motor, steam cylinder, marine engine and compressor oils, motor boat and automobile oils.

Forty per cent of students who entered Florida State college for women the last 10 years as freshmen remained for graduation.

Great Increases In Freight Seen In Next Quarter

SPOKANE, Wash., June 21 (Special)—Rich promises for the inland Empire is contained in the summary of prospective carloadings for the third quarter of this year as released by the commodity committee of the Pacific northwest advisory board in Spokane, June 21.

Most of the basic industries of this region are listed for increases with ores, concentrates and smelter products standing at high and estimated to gain 51 per cent in shipments. Grain of all kinds will show an increase of 20.1 per cent; flour and mill products, 12.5 per cent; lumber and forest products, 22.7 per cent; packing house products, 34.2 per cent; and fresh fruit, 1.4 per cent. The greatest listed for any commodity is for the furniture shipments which the advisory board believes will show 80.5 increase in carloadings in the next three months.

These reports, prepared by a careful survey of the various industries and given at the meeting in Spokane of the shippers, producers, and representatives of the various railroads, are always taken as an accurate barometer of the business and industrial trend.

ROSEBURG, Ore., June 22 (AP)—Fred Southwick, supervising warden of the Douglas Fire Patrol association, left this morning for the Harney mountain district, east of Sutherlin, to investigate a report of a fire seen in that area last Saturday morning on the theory that the fire might have been caused by the plane flown by William Young, Portland flier, missing June 16.

A case charging reckless driving of an automobile was continued 10 times in the two years it was pending in a North Carolina court.
