THE TINYMITES

(READ THE STORY, THEN COLOR THE PICTURE)

THE tree that came to life cried out, "You think you'll get away, no doubt. Well, that gives me a great big laugh. I'm much too fast for you. "Go right ahead, you scamps, and run, but I will shortly spoil your fun. Oh my, but you'd be scared if you knew what I plan to do. "My limb arms are real long, you see. Just think how easy it will be to reach right out, at any time, and grab you by the waist. "I would suggest that you all stop. Then I may let my whole plan drop." The Tinymites, however, took no chances. On they raced! SOON little Dotty grew tired out, but she decided not to shout and let the others know that she was falling far behind. I surely will be caught, thought she. I wonder, what that monstrous tree will do. Perhaps I'll shake me. If that's all, I'll not mind. The others hadn't turned around.
