Mrs. H. Bohnenkamp Hostess to P. E. O.

Chapter I, P. E. O. will meet Friday afternoon, June 30, at 1:30 o'clock at the home of Mrs. Hal Bohnenkamp. Dessert will be served at the opening of the affair.

Mrs. Colon R. Eberhard and Mrs. Bohnenkamp have recently returned from the state meeting of P. E. O. which was held in McMinnville, and will furnish reports of the sessions.

Entertains Past Guardian Neighbors

Six members of the Past Guardian Neighbors club of the Neighbors of Woodcraft were entertained yesterday afternoon at 2 o'clock at the home of Mrs. Mary England. A social hour was enjoyed during which Miss Mary Lou England furnished several readings.

The guests were also taken through the electric light plant.

Refreshments were served by the hostess.

Mrs. Landers will entertain at the home of Mrs. Lillie Alstott.

Women of Moose Elect Officers

Mrs. Mary Feuerhelm was elected senior regent of the Women of the Moose last night when they met at 7 o'clock at the Odd Fellows hall. Mrs. Margaret Swart is junior regent; Mrs. Grace Spivey, chaplain; Mrs. Iva Shultz, recording secretary; Mrs. Mary Mayville, treasurer; and Mrs. Winifred Cass, pianist. The new senior regent will appoint the organist, sentinels and guards at the next meeting on July 11 when the officers will also be installed.

A card party followed the business session and ice cream and cookies were served. Prizes at pinochle were awarded to Mrs. Hulda Steffens and Wallace Cass, first; Mrs. Herbert Hardy and Kenneth Feuerhelm, consolation.

Sorosis Club Meets At Bingner Cabin

An interesting afternoon was spent yesterdhy when the Sorosis club met for a no-hostess party at the Bingner cabin on Mt. Emily. A potluck luncheon was served under the trees, after which bridge was played.

Mrs. George McDonald was the high scorer, and Mrs. B. F. Wylde received consolation.

The club members are planning to entertain for their husbands in the near future at a picnic at the Episcopal school grounds at Cove where Rev. and Mrs. C. A. Kopp are spending a portion of the summer.

Second Ward Society Meets

The closing study meeting of the season was held yesterday afternoon by the Second Ward Relief Society of the L. D. S. church at 2 o'clock at the chapel on Fir street. A feature of the event was the display of antiques and curiosities furnished by the members.

An array of quilts, fancy work, dishes, silverware, hymn books, thimbles, and clothing of various periods were included in the exhibit. Miss Naomi Nelson displayed a group of Indian relics from Colorado, a mortar for grinding grain, arrowheads and a blanket pin. Mrs. Hattie Briggs furnished a quilt made of bark from Somoa, and a dish from the Navu temple in Italy, the first L. D. S. temple ever built. Mrs. Annie Platt furnished a support band from the hub of a hand cart that came to this section in 1849. A quilt that was made 60 years ago was presented by Mrs. Sarah Beddes, while M. Oseon displayed one 40 years old. Tintypes and a U. S. history printed in 1851 were furnished by Mrs. Clara Burke. A luncheon cloth from material grown, spun and woven by Mrs. Genevieve Wheeler's great grandmother caused a great deal of interest.

The lesson, directed by Mrs. Della Rees, preceded the exhibition, with about 50 members present discussing "Originality and individuality in children."

After the lesson, Mrs. Argenta Salkield, former president, read a piece showing her appreciation to the workers in the society for their activities of the past year.

Ice cream and wafers were served at the close of the afternoon by Mrs. Cerelda Wade, president, and her staff of officers.

A business meeting will be held the second Tuesday in each month, the next being on July 11.

H. E. Coolidge Is District Manager Of Oregon Mutual

H. E. Coolidge, former cashier of the La Grande National bank and well known and popular resident of long standing, has been appointed district manager of the Oregon Mutual Life Insurance company for the territory comprising Union, Baker and Wallowa counties.

Mr. Coolidge is now spending all of his time in building up an organization of men to serve this territory and plans in the near future to open up a central office in La Grande after the field work has been completely organized.

E. C. Herzinger and Fred Holman, the company's veteran representatives in La Grande territory, will continue with the company according to Mr. Coolidge, and in addition the following full time underwriters have been named: Tom Bruce, A. H. Labbe, C. E. Bean and Garnard Coles. Two other members of the staff working part time will be Jack Parsons and Claude Wright.

Similar organization of staff is now being made by Mr. Coolidge in Baker and Wallowa counties. The Oregon Mutual Life ranks today as one of the leading life insurance companies of the country and its farmer's reconstruction plan is gaining great popularity.

MUCH INTEREST SHOWN HERE IN EAGLES' PROGRAM

With only one more weekly broadcast before the finals, a great deal of interest is being shown in the Eagles Monday evening programs. The winners, who will be selected from among the best talent participating weekly, will be given a free three-day trip to Portland where they will broadcast over one of the leading radio stations, Arthur Bremer, chairman, announced today.

The last weekly program will be held Monday evening, July 3, at 8 o'clock and the finals will be on July 13 when judges will select the best performers.

Five hundreds spectators attended the program Monday night at 8 o'clock at the Eagles hall when the following program was presented:

Old-time music, Bill Bennett, Ray West, Marion Spencer.

Reading, Mrs. William Workman.

Singing, R. E. Fuller, of Ellensburg, Wash.

Solo, Mrs. Leal Russell, accompanied by Mrs. Merlin Batley.

Harp and guitar duet, Jerry Galbraith and Ralph Looker.

Solo, Ray Hendrickson, accompanied by Vivian Gallagher, pianist.

Tap dances, Dorothy and Virginia Campbell, accompanied by LaVeda Millering.

Solo, Mrs. Floyd Sherwood, accompanied by Mrs. Lynn Wright.

Comedy act, Bud Shideler, Jerry Galbraith, Bill Bennett and Fred Ragsdale.

Tap dance, Glen Young, seven years old.

Solo, by Jimmy McBride playing his own accompaniment.

Church of Christ Holds Quarterly Business Meet

Nearly two hundred members of the Central Church of Christ assembled in the church last night for a potluck supper and the quarterly meeting.

Reports from various departments showed substantial improvement in financial conditions, as well as other phases of the work.

W. S. Lemon, pastor of the Church of Christ, of Chico, Cal., and his son Fred attended the meeting. Mr. Lemon was formerly pastor of a church in Portland where he was associated with Rev. Paul Mortimore in evangelistic work. He is now on his way east to hold some meetings and visit his old home. He made a short talk, and his son sang two solos.

The general spirit of the meeting was one of considerable optimism, and plans were made to begin work the first of August, following the vacation during the month of July, with renewed efforts.

Last night's meeting was orginally planned as a picnic to be held at Riverside park, but the weather made it necessary to hold it at the church.

SHELLWORTHS RETURN HOME

Mr. and Mrs. E. C. Shellworth returned Tuesday night from Seattle where they accompanied Mr. and Mrs. Robert Davlin, their son-in-law and daughter. The latter couple left last Saturday on the S. S. Yukon for Alaska to make their home.

While in Washington Mr. and Mrs. Shellworth also visited in Olympia, Tacoma and Port Angeles.

Super POWER FROM A BREATH-LIKE Film

PYROIL
SIMPLY ADD TO GAS AND OIL

Photo taken during a recent exacting test of Pyroil, conducted by Consulting Engineer Clyde A. Crowley in Popular Mechanics Laboratories. Results of this test showed that a motor using Pyroil should perform more efficiently because of—
Reduced friction losses,
Reduced heat,
Reduced bearing temperatures.
Read the complete and interesting story of this test as told in the July, 1933 issue of Popular Mechanics Magazine. Or, mail the coupon below for a reprint of the story, free.
How can a "Breath-like Film" impart unusual power and performance to your car? It's the breath-like film of Pyroil that does it—positively—and here's how:
Pyroil embodies a patent protected* lubricative element which has friction-reducing and wear-resisting qualities many times greater than those of ordinary oil, alone. Neither can it be destroyed by hottest motor heat!
You simply add Pyroil to your gasoline and oil, and this element attaches itself to every frictional surface within your motor. It actually penetrates the metal. It fills friction-producing pores and abrasions. It forms a slippery, friction-defeating surface of imperceptible thinness. This is the Pyroil breath-like film.
This film releases the friction-drag that kills power—reduces danger of burned out bearings—frees valves, stems, guides—frees carbon and gums—protects cylinder walls and pistons against overheating, wear, noise and vibration.
Pyroil saves more than it's a small cost. Cannot harm. Read, at the upper left, what was discovered about Pyroil in a test conducted by Consulting Engineer Clyde A. Crowley in Popular Mechanics' Laboratories.
Ask for genuine Pyroil at filling stations and garages. Mail the coupon for amazing facts and a copy of the interesting "Story of Pyroil." Manufactured, Patented, Guaranteed by Pyroil Company, W. V. Kidder, President, 190 Lafollette Ave., LaCrosse, Wisconsin, U. S. A.

*Genuine Pyroil is patented in U. S. and Canada by W. V. Kidder its inventor. Identified by copyrighted lithographed cans, the winged Pyroil trade-name (Reg. U. S. Pat. Off.) and Signature of W. V. Kidder on every label. Not sold under any other name.
