AT THE LIBERTY

Ruth Chatterton pulled a fast one on her fellow players at the First National studios during the production of "Lilly Turner," which comes to Liberty theatre today.

As Lilly Turner, the Carnivalesque Queen, she does a hoochie cooch dance on a platform in front of medicine tent show. All the members of other companies on the lot as well as the Chatterton company were anxious to see the stately Chatterton wiggle her hips in the cooch and crowded about the tent at the scheduled time for the scene to be shot. But Miss Chatterton took no glance at the crowd and whispered quiet word to Director William Wellman. The result was that the "hoochie" time was changed so that no one knew it was being taken, except those directly concerned.
