

Portland Wins Double Bill From Seattle

BEAVERS WITHIN THREE GAMES OF LEAGUE LEADERS

Turpin Pitches Portland to 4 to 1 Win in First Game — Berger's Hit Wins Nightcap.

By The Associated Press
The whims of the rain gods have helped to return Portland to a threatening position in the Coast league pennant race, a bare two points behind Los Angeles and three games back of the first place Sacramento Senators.

Doubling up this week against Seattle to make up for early season postponements, the Beavers have played three extra games and now hold a 5-1 advantage in the series. The seventh place Indians, handicapped by a small mound staff, took another double trimming from the champions last night, 4-1 and 7-6.

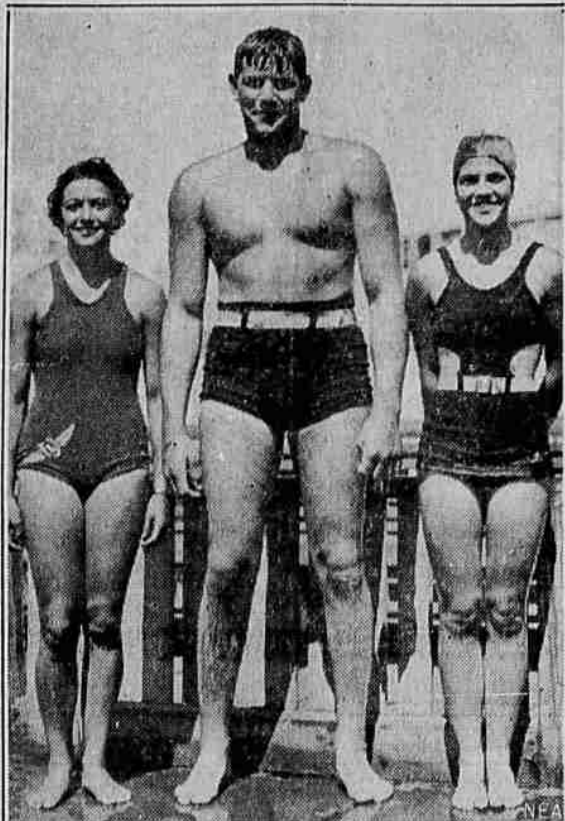

Turpin appeared in the Portland box for the first time this season in the opener and stopped the Indians with 6 hits. Fred Berger, Beaver outfielder, provided the winning punch in the 7-inning nightcap, driving in 4 runs with a homer and two singles.

Angels Win
Los Angeles made it four straight over the Missions, 5-4, with Outfielder Tuck Stainback driving in the winning run in the ninth with his third hit of the game.

Sacramento jumped on Mike Salonen for 6 runs in the first three innings at Oakland yesterday and scored two more off Glen Gabler to win handily, 8-3.

Joe Demaggio hit safely in his 41st consecutive game as his San Francisco teammates pounded out a 13-5 victory over Hollywood to even the series.

BIG BABY BAER

Buddy Baer, brother of the mighty Max, is some man himself. Not yet 18, he weighs 243 pounds in this outfit, and aspires to be a fighter like his brother. He's shown with Velvia Miller, left, Pacific Coast junior sprint champion, and Hazel Cabral, skilled diver.

Brouillard Beats Walker in Boston

BOSTON, July 7 (AP) — Either Mickey Walker's best fighting days are behind him, or he can't battle a foe man smaller than himself. The Humson bulldog engaged the rugged Lou Brouillard, of Worcester, last night in the Boston Garden's 10-round feature bout and took a terrific lacing.

Although he was nine pounds heavier at 170, and two inches taller than Brouillard, Mickey was on the defensive during all but two rounds.

Tariffs and Quotas Excluded
The committee on commercial policy, a subordinate group of the economic commission, voted a few hours earlier to exclude discussion of tariffs and quotas from the revised agenda, approving a French demand by eight to seven voices.

The American delegation, although beaten temporarily on the question of treating tariffs and quotas, hoped to reverse this decision in the steering committee.

France and other members of the gold bloc flatly refused to discuss tariffs, arguing that they involved monetary questions.

Most sales of extras are being made today at 18c dozen while up to now most of the business had been around 15c to 16c although the association has reported that it has rigidly maintained its 18c mark.

No change in values was announced by the Pacific co-ops.
