

YANKS MAKE NINE RUNS IN INNING

By Herbert W. Barker

Maybe the New York Yankees aren't the same formidable baseball machine that overpowered all opposition last year but it still does not do to count them out until the last man has been retired.

Bucky Harris and his Detroit Tigers were sailing along with a 5-1 lead yesterday when the world champions clubbed over nine runs in the eighth and earned a 10-5 decision that enabled them to cut Washington's American league lead to three games. The Senators dropped a 3-2 decision to Cleveland in 12 innings.

Clingman Defeats Japanese Matman

PORTLAND, Ore., July 11 (AP)—After losing the first fall, Otis Clingman, of Oklahoma City, came back to take the first two and the match from Tetsu Higami, of Japan, in the main event of last night's wrestling card here. Clingman weighed 161 pounds and Higami, 160.

Orville Mohler Is Released by Angels

LOS ANGELES, Cal., July 11 (AP)—Orville Mohler, former University of Southern California football star, has been released by the Los Angeles club of the Pacific Coast league.

The action came as a shock to local fans. Mohler, who was one of the greatest Trojan quarterbacks, was batting well over .300 but it was his fielding which fell short. George Buchanan former Southern California southpaw pitching ace, also was dropped.

"We let them go chiefly because we had to cut down expenses," said Manager Jack Leivelt.

Lindberghs Spend Day at North Haven

SOUTH WARREN, Me., July 11 (AP)—Colonel and Mrs. Charles A. Lindbergh flew yesterday to the home of Mrs. Lindbergh's mother, Mrs. Dwight W. Morrow, at North Haven, after spending the night in a camp on the shore of South Pond here.

The Lindberghs are on a flight to Greenland where they plan to investigate the possibilities of establishing a transatlantic air route contemplated by the Air Transport company for which Colonel Lindbergh is technical adviser.

portunity to broadcast over stations there. Judges who selected the musicians from the winners in the weekly programs were Bert Kall, C. E. Williams, Bob Chandler, Cliff Freeman and Fred Ragdale.

The weekly broadcasts will continue, beginning next Monday evening, and to the winners of the new series will be awarded \$50 in cash prizes.

The exact date for the Portland trip has not been determined, but Arthur Bremer, who is in charge, expects to have the date and the names of the stations over which they will broadcast for publication within the next day or two, he said.

About 800 attended the broadcast and others were turned away at the door, the largest crowd assembled at any of the programs so far.

Competition was keen with winners crowded for their laurels by Carl Tveraa Jr., who won \$3 with his clever dancing, and Elinor Mattoon, who received \$2 for her songs to which she played her own accompaniment on the guitar.

County Health Meet Set For 19th of July

(Continued from Page One)

county public health program. Emergencies have been claiming the attention of all workers these last two years and public health as such has been somewhat set aside in all of the 22 counties of Oregon that have permanent services. Union county is making an effort through the public health association to get back to its health program and has responded enthusiastically to the request to serve on committees and help in any way possible to the officers say. It is hoped by officers that there will be a large crowd at the meeting on July 19 at Union.

"The Union County Public Health association is a county-wide organization that was formed years ago to serve the entire county and to draw its support from the entire county as well," says Miss Edna Flanagan, state representative who is here in connection with this work. "It gets its working fund through the sale of Christmas seals. It is of interest," she adds, "to every citizen of the county and so it is your association and the July meeting is your meeting. Your attendance is requested not only for the benefit you will derive from the meeting but also for the service your presence will render."

There are 26 counties in Oregon that have county public health associations, 22 of them having one or more full time public health nurses and five having full time health officers. The organization in each county follows the same general set-up, with four elective officers and six standing committees.

EAST NORMAL ASSEMBLY HELD THIS MORNING

"Hobbies" was the theme of the weekly assembly this morning at the Eastern Oregon Normal school. Musical numbers were furnished by Mrs. A. K. Parker, accompanied by Miss Jennie Peterson, and Miss Mary Eliza Angel, for whom Miss Lily Belle Angel, her sister, played the accompaniment.

Members of the faculty who discussed hobbies were R. L. Skeen, who spoke on the philosophy of hobbies; Miss Mildred Hawksworth, reading as a hobby; Miss Thelma Whaley, horse back; Miss Amanda Zabel, numbers; Ralph Badgley, hiking and camping. Announcement also was made of the picnic on July 14, and the summer session dance to which former students are invited. July 21, the former to be held at Pine Cone and the latter at the Normal school ball room.

The western tennis championships in Chicago this summer had a full bracket of 128 men's singles entrants, with nearly half that many more denied admission to the lists.
