

PORTLAND TAKES OPENING TILT IN MISSION SERIES

By the Associated Press. Sacramento was a game closer to the 1933 Coast League crown today after beating the Beas last night and dropping the first round of its seven-game dual with Joe De Maggio, the clouting San Francisco.

Beryle Horne, making his first start in a Sacramento uniform, stopped San Francisco easily, 8-4, but not Joe De Maggio. The Seal outfielder sent three singles streaking through and over Sacramento to shortstop to run his consecutive game hitting record to 54.

The Senators won the game in the third inning when Ed Stuts granted five walks to help them to six runs. Sacramento turned out 5000 strong for the game.

Portland moved into third place with a 4-3 victory over the Missions. Lou Koupal checked the Reds with 7 hits while his mates were collecting 11 off of Bill Phebus. George Blackerby led the attack with a double and two singles. Two of the Beaver and one of the Mission tallies were unearned.

Lou McEvoy of Oakland showed Los Angeles some of the grade A pitching he's been giving the Oaks lately to mark up a 9-2 win. Phil Radonia's 3-hit tossing and 6 Hollywood errors combined to give Seattle the series opener at Los Angeles, 5-3.

LONGWORTH WINS SPOKANE TOURNAMENT

By Frank G. Gorrie. (Associated Press Sports Writer) SPOKANE COUNTY CLUB, Spokane, July 19 (AP)—Mrs. Ted Longworth, a brick of four days, had a new bonnet, and her husband, Waverly golf club professional of Portland, had a championship today to pay them for delaying their honeymoon long enough to take in the Washington state open golf tournament Monday and Tuesday.

The tall Texan who was married to the Miss Buena Routree of Joplin, Mo., in Spokane Saturday night, won the state open title and a cash prize of \$175 with a sterling game that beat off the efforts of Scotty Campbell and Walter Pursey, Seattle, and Gordon Richards, Tacoma. Longworth put together four sparkling cards for a 72-hole total of 283, five under par. He scored 66 and 71 Monday and 74 and 72 yesterday and led the field by four strokes at the close.

Killefer Resigns As Manager of The St. Louis Browns. ST. LOUIS, July 19 (AP)—Bill Killefer, manager of the St. Louis Browns today telegraphed his resignation from Washington. President Phil Ball announced Al Sotheron, who has been coach, would act as manager temporarily.

President Ball, who is in a hospital, said he would take steps to obtain a new manager when he is released in a few days. Ball had no comment on Killefer's resignation but it has been no secret that he was displeased with the showing the Browns, who are in last place in the American league.

Ketchell Beaten By Gorilla Jones

LOS ANGELES, July 19 (AP)—Something less than two thousand persons were inclined to believe today that the monicker of "assassin" hitched to the name of Wesley Ketchell, Portland southpaw, is misplaced. Gorilla Jones, the N. B. A. world's middleweight champion whose title has been put in jeopardy by this body, convinced the small crowd at the Olympic last night that Ketchell after all is a rather passive young man. The Toledo negro won a ten round decision from Ketchell after flooring his opponent with a sharp, short right in the ninth round of their ten round bout.

ITALIAN ECONOMY WAVE DILUTES ARMY COFFEE

ROME (AP)—It has fallen to Italy's doughboys to render their country's special peacetime service by having milk with their breakfast coffee. They took it black until the government hit on a new economy idea. Coffee is imported and compared with milk, a costly item. Now the soldier's cup contains a three-to-one mixture with the milk in preponderance.

Yankees Return To Leadership In American League

By Hugh S. Fullerton Jr. (Associated Press Sports Writer) The New York Yankees have regained the top of the American league standing very much in the manner of a team which is merely asserting its right as world champion. By defeating the Chicago White Sox 9 to 4 yesterday, the Yankees stretched their winning streak to nine games, the longest in the major leagues so far. Yesterday's triumph coincided with Washington's 4-3 defeat at the hands of the St. Louis Browns and gave the Yankees a lead of one game.

In nine games, the Yanks have piled up a total of 97 hits for 80 runs. And while this clouting eased the pressure on their mound staff, the flingers have shown considerable improvement. Johnny Allen turned in another good effort yesterday and when he tired in the ninth he had a long lead to work on, and Wil Moore checked the rally before it became dangerous. The Yanks mopped Ted Lyons for five runs in the first three innings.

Eight Mill Opens—The silence of depression no longer rules at the Hanford Reed sawmill in Elgin. Last Monday morning at 7 came the deep-throated call to action and 11 minutes later the big bandsaw bit into the first log of the 1933 run. With the early days of the week breaking in men and machinery, by mid-week the plant was beginning to hit its pace, and before long the daily cut of logs will be 35,000 to 40,000 feet daily.

Another step in conquering the depression has been taken. Guests—Mr. and Mrs. Otis Monroe of the Iowa district, have had as their recent guests, Mrs. K. A. Floyd, of La Grande, and her relatives, Mrs. Margie and son of San Francisco, who are her house guests at present.

Dinner Recalled—The election day dinner, which the women of the Island City aid are in the habit of giving, has been cancelled this year on account of the present rush of farm work. The cooking food sale has been set for July 29 at Noah's.

Expect's Parents—Mrs. Thomas Hefty, of above the Cove, is expecting a visit from her parents, Mr. and Mrs. James Underwood, of Grand Valley, Colo., who were to arrive in the valley today. Mr. and Mrs. Underwood have many friends in that part of the valley, made during frequent visits here in the past. At the time of their last trip to Eastern Oregon, Mr. Underwood became desperately ill, was a patient at Hot Lake for some time and was still quite a sick man when leaving, but fully recovered in time.

From California—Mr. and Mrs. Bert Lehman and son, Dick, of Southern California, are now spending a few weeks visiting at the home of Dave Hug, her father, and Ivan and Harold Hug, her brothers, all of Cricket Flat.

board at its last regular meeting, voted unanimously to ask the conference at its approaching session to return him to Union for another year's work. Rev. Mr. Lee is popular not only in his home town, but in the entire valley and Eastern Oregon and the church at Union has prospered quite materially during his pastorate.

Mrs. Monroe was assisted by Miss Lillian Knauts when she served some delectable refreshments. The next meeting will be on Aug. 2 at the Knauts home.

Dinner Guests—A group of La Grande people were guests at a lovely informal dinner Monday evening at the Ascension park at the Cove, where Rev. and Mrs. Clarence Kopp and their children, of La Grande, and Rev. and Mrs. M. C. Tennyson and children, of Pendleton, are spending the summer camping. The place is ideal for summer camping, although the accommodations at the park lack nothing in the way of city comfort and convenience. Supper was spread under the trees for Mrs. Lorna Goodridge, Mrs. Monroe, Mrs. and Mr. M. W. Fries and children and the Misses Amanda Zabel and Mabel Morton in addition to the Kopp and Tennyson families. The evening was spent informally, with the swimming pool and the circus, which is holding forth this week at Cove, the chief attractions for the younger people. Miss Mary Fries remained at Cove to spend a few days as the guest of Miss Laura Mae Kopp.

The Perry Picnic—About 100 former Perry residents and friends met on Catherine creek Sunday, July 16, for their second annual picnic. The sawmill at Perry (three miles west of La Grande) was moved to Pondosa, some few years ago and many residents of Perry then moved to Pondosa, some to Baker and several families now reside in La Grande and nearby communities. Many old friends in the group had not met for six or seven years, so a great share of the time was spent

getting acquainted all over again. Among those present were: Mr. and Mrs. W. O. The day was spent in visiting, with a beautiful lunch spread under the trees at noon, all eating from one long table, cafeteria style, then an afternoon spent visiting and recalling old times, swimming, etc. After that another lunch was spread about 3:30. All present voted the picnic a success and hope to have even a bigger and better day of it on the third Sunday in July, 1934 at the same place.

The Hulse Reunion—The annual reunion of the Hulse family was held according to schedule at "Shadpoint," the country home of Mr. and Mrs. J. E. Hulse, in the Iowa district. There were 40 of the relatives assembled over the weekend, including Mrs. George Deaman, of Anity, Ore., who spent the greater part of the summer in Eastern Oregon and Western Idaho. The usual order was followed with visiting, eating, lots of music, etc. occupying the three days. The reunion next year will be at the same place and approximately the same time.

the McClure home Sunday were Mr. and Mrs. Joe Nelson, and their daughter, Mrs. Sara Lynch, of La Grande.

Given Charivari—Mr. and Mrs. Elmer McClure, newly-weds of the last few weeks, were given a charivari and lovely surprise party Thursday evening. The affair was perpetrated by members of the Island City Farmers baseball team and was successful in every detail according to reports. The 28 guests went first to Mr. and Mrs. McClure's home for the charivari, and after a brief stay there the bridegroom was required to take his bride in state to the nearby home of Mr. and Mrs. Bennie Hicks. There were games out-of-doors and later indoors and a treasure hunt at the end of which were the treasures—some very nice gifts for the guests of honor. Seasonable refreshments were included in the plans of the company. Mr. and Mrs. (Mamie Leek) McClure were married in La Grande recently, both having been residents of Island City neighborhood before the wedding.

ANNUAL COUNTY GRANGE PICNIC ATTRACTS LARGE CROWD, TO UNION STATION

The annual picnic of the several grange subdivisions of Union county attracted a very large crowd to the Eastern Oregon experiment station near Union last Saturday. With a tour of the farm, a community dinner at noon and a stated program in the afternoon the day was not only a success socially but there was also much of practical benefit for the members who were able to attend.

As Superintendent Dale E. Richards stated in his address of welcome, the station has but one purpose for existence and that is to benefit the farmers of the state of Oregon. Consequently the tour in the morning is arranged to show and explain the different experimental plots, the variety of grains and other crops being tested, the fertilizer experiments, etc. Supt. Richards accompanied this tour and explained in detail all the work in this line, answering numerous questions and making this one of the strong features of the day.

A cow judging contest was a new feature introduced this year. The station furnished a few head of the fine cows from the large herd and the company was given the privilege of judging the best milkier in the lot. Prizes in the form of socks of the fine grain seed of three varieties perfected by the station were awarded to first, L. L. McKennon, of La Grande, second, Ted Rinehart, now of Selma, former valley farmer, and third to Walter M. Pierce. The basket dinner followed immediately, with the station furnishing the coffee, cream and ice cream.

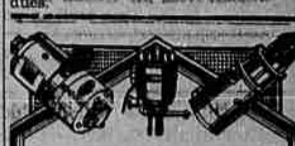

During the stated program, Mr. Richards gave the address of welcome in which he spoke of the station, the work it was trying to do in its efforts to solve problems for Oregon farmers and to this, Frank Wright, of the Valeria district, master of the Union County Pomona grange responded. Talks of the afternoon were by Prof. P. M. Brandt, of the state college who described the reorganization of the school of agriculture going on there, Walter M. Pierce, who discussed certain measures to be decided by ballot, this coming Friday, county agricultural agent, Harry G. Avery, who discussed the club work of the county, the work being done to eradicate White Top and the wheat allotment, District Deputy Wicklander, who told of the progress being made by grange organizations of the state.

Interpreting the talks, representatives of the various subdivisions presented numbers. Mrs. Tom Wallinger.
