

### AUSTIN DEFEATS ELLSWORTH VINES IN TENNIS UPSET

ROLAND GARROS STADIUM, Au-teuil, France, July 21 (AP)—The British Davis cup tennis forces put their American rivals to rout today in the interzone finals with two spectacular straight set singles victories.

Fred Perry, British No. 1, conquered Wilmer Allison, 6-1, 7-5, 6-4, after Henry W. (Bunny) Austin, second ranking Englishman, sprang a sensational upset by trouncing Ellsworth Vines, the American champion, 6-1, 6-1, 6-4.

ROLAND GARROS STADIUM, Au-teuil, France, July 21 (AP)—Henry W. (Bunny) Austin, 26-year-old British tennis star, handed the American Davis cup forces a terrific jolt today by trouncing Ellsworth Vines, United States champion, in straight sets in the first singles match of the Davis cup inter-zone competition. The scores were 6-1, 6-1, 6-4.

Austin, the second ranking player of the English team and considered the "weak" link in the singles, outplayed Vines from start to finish in one of the biggest tennis upsets of recent years.

The outcome stunned the Americans as well as a near-capacity crowd, which saw the British gain an unprecedented lead in the Davis cup.

BOY COMES HOME; KILLS MOTHER MAPLEWOOD, N. J. — Reappearing at his mother's home after an absence of 20 years, Joseph Steinfeld, 25, shot and killed her within a few minutes of his return when she refused his demands for money. He then fired at his stepfather who ran to the woman's aid, and as the shot went wild, turned the gun on himself, committing suicide.

### PORTLAND GAINS ON SENATORS BY WINNING AGAIN

By The Associated Press

Coast league record books showed today Joe De Maggio had run his consecutive game hitting mark to 56 and, more surprising, that San Francisco had defeated the first place Senators, 9-2.

Joe's hitting has become such a habit his daily batting feats have almost ceased to be news. But while he has been hitting, his team has been losing, so a victory for the Beas is something of a novelty.

Showing over five runs in the ninth inning, Hollywood made it two straight over Seattle, 5-3, and pulled up to within two games of Sacramento.

Portland took its third in a row from the Missions, 5-2, with the veteran Rudy Kallio holding the vets to 8 well scattered blows. Both Mission runs were unearned, errors by Johnny Monroe and Henry Oasa helping the Reds around the bases.

First baseman Jim Colquhoun, of Los Angeles hit safely in his 42nd consecutive game as Oakland beat the Angels, 8-6.

### Pine Production Now at 35.7 Pct. Of Its Capacity

PORTLAND, Ore., July 21 (AP)—New business totaling 41,600,000 feet of about 22 per cent under the three-year weekly average for July, was reported today by the Western Pine association for the week ending July 15. The total was about 6 per cent less than for the previous week. Of 117 reporting member mills, 76 were in operation.

Shipments for the week were 34,332,000 feet, and production 49,665,000 feet, putting production at 35.7 per cent of sawmill capacity compared with 25 per cent for the previous week, and 16.4 per cent for the year to date. Current orders were 30 per cent of capacity.

### BREAK IN STOCKS IS FOLLOWED BY RALLY AT CLOSE

NEW YORK, July 21 (AP)—After their worst break since the wild days of 1929, stocks rallied today, substantially reducing extreme losses of 83 to more than \$17 for scores of leading issues. Sales approximated 9,750,000 shares, the largest volume since October, 1929.

The ticker tape, overwhelmed by the task of recording transactions in a market which at mid-afternoon was demoralized, closed at 3:42 o'clock, a new record for lateness for the present high-speed quotation distributing system.

### STRENGTH SHOWN IN BUTTER TRADE

PORTLAND, July 21 (AP)—Strength of the butter trade was suggested in operations on the open market for both prints and cubes. The late cut in the price on first cubes was not suggested on the open market where all scores were held firm irrespective of the price shown on the produce exchange.

Premiums over the exchange price list continued to be offered and paid for cubes on the open market, while under normal conditions the price on the open market was 1/2 lb. below the exchange list.

Butterfat continued firm.

Market for eggs showed general steadiness locally for top grade stuff during the day but some weakness was suggested in spots for storage and undergrades. Much storage stock was being offered as fresh goods.

Here is a scene from "Black Beauty", now running at the Liberty Theatre.

Romance, pathos and strong human interest are the high points in "Black Beauty", which opened today at the Liberty theatre. Built around one of the most appealing subjects in the world, the love between man and horse, this picturization of the famous novel by Anna Sewall is the kind of an offering that tugs at the heartstrings. Picturesque southern settings lend atmospheric color, while thrills and comedy interspersed here and there supply pleasing variety.

The plot centers around Henry Cameron, an aristocratic but impoverished southerner who loves Mrs. Lambert, a wealthy young widow. When Henry's favorite mare, the "Duchess" gives birth to "Black Beauty", Cameron sees in the colt

### WHOLESALE PRICE TREND IS UPWARD OVER THE NATION

WASHINGTON, July 21 (AP)—The butcher, the baker and the grocer, to say nothing of the drygoods store keeper, had to pay an average of 3 1/2 per cent more for their stocks during June than in May.

The labor department said that wholesale prices for the month showed an index figure of 65 when compared with 100 in 1926.

This was the fourth consecutive month wholesale prices have shown an upward swing. In February the index was 59.8; March 60.2 and April 60.4. The June increase when compared with a year ago, however, was only 1 1/2 per cent.

Every group into which the 784 products reported are divided showed increases. Farm products went up almost six per cent, a sharp rise being shown in average prices of grain, cattle, sheep, cotton, lemons, oranges, fresh milk, tobacco, onions, white potatoes and wool.

There were decreases in the average prices of calves, live poultry, eggs, fresh apples, dried beans, hay and sweet potatoes.

Food prices increased were reported for butter, dress, flour, corn meal, rice, dried fruit, canned vegetables, cured beef, lamb, ham, pork, oleomargarine, sugar and vegetable oils.

Leather products were up 7 per cent in June as compared with May; textile products 10; coke and petroleum products 1 1/2; metals and metal products 2; chemicals 7 1/2; and miscellaneous commodities 3 1/2.

More than 7000 Japanese participated in a popularity contest to decide the design of a new nickel coin.

MONKEY FUR WORN WITH WHITE CREPE

PARIS (AP)—Black monkey fur over white crepe made one of the most striking costumes seen at a recent fashionable event. The frock of white crepe was designed with a high front decollete and a back slashed to the waistline. With it was worn a small white crepe cape bordered below the shoulder line in a deep fringe of monkey fur.

Catholic, Jewish, Episcopal, Lutheran, Presbyterian, Methodist and Disciples of Christ clergymen formed a study group in Texarkana in the spring of 1933.
