

MERCHANTS' ESSAY and MISSPELLED WORD

GONTEST

Cash Prizes Each Week TO WINNING CONTESTANTS

— Here's How —

Six of the advertisements on this page contain misspelled words. First — read all the ads through and see if you can find the misspelled words; make a list of them. Then write an essay or letter of not more than 150 words, on the subject, "Why The L. & L. DRUG COMPANY Is Entitled to the Patronage of the La Grande Community." Send your essay and your list of misspelled words to the La Grande Evening Observer. That's all.

Cash prizes of \$3, first prize; \$2, second prize, and \$1, third prize will be awarded each week for the three best essays or letters received, providing the writer has discovered and listed all of the misspelled words appearing in the advertisements on the contest page that week.

Each week for sixteen weeks you will have the opportunity of winning these cash prizes, so begin now to study the stores or places of business of the sixteen firms whose advertisements appear on this page. These sixteen ads will appear each week, but the misspelled words will be changed every time, so you will have to read carefully in order to catch them all.

Our Policy:

"One Price and a Square Deal"

"Thoughtful Service"

Service is the only justification for the existence of any institution, but the name Snodgrass & Zimmerman has come to be synonymous with the word service, to the people of the Grande Ronde Valley.

Our success is built on service — thoughtful, careful service that takes into consideration every wish of those whom it is our privilege to serve — service made possible by a highly specialized plant, complete scientific equipment, and many years of experience.
