Jimmie Mattern Is Welcomed To N. Y. By O'Brien

NEW YORK, Aug. 1 (AP) — Mayor John P. O'Brien told Jimmie Mattern Monday that his delayed flight around the world was an accomplishment "of great glory and acclaim."

The mayor extended the city's official welcome to the flier in the reception room of the mayoralty offices. A crowd estimated at 5000 stood in City Hall park to hear the speeches through amplifiers.

"One cannot but marvel at the youthful pluck and courage and determination which enabled you to survive this memorable flight," the mayor said. "You have added another brilliant chapter to the story of aviation in this country; you have brought fresh laurels to those which have already made glorious the story of American aviation."

Local Merchants Are Informed Of Taxes on Cotton

Local merchants have been recently informed that the federal processing and compensating tax on cotton, authorized by the agricultural adjustment act, will become effective today, Tuesday, August 1.

According to the act the secretary of agriculture is empowered to levy a processing tax on certain basic agricultural commodities, and he has fixed the tax on raw cotton at 4 1/2 cents per pound for the present. Simultaneously with the assessment

of the processing tax, a floor tax will be imposed upon all finished cotton goods in warehouse August 1, whether owned by manufacturers, wholesalers, or retailers. Stocks on the shelves of retail merchants will be exempt for a period of thirty days, but after that time the tax will be imposed there also.

Merchants are therefore advising their customers that prices on cotton goods will be correspondingly higher after Sept. 1, and that they will save money on such purchases by making them before that date.

Return Home — Mr. and Mrs. J. S. Larson, who spent the weekend at Wallowa Lake, have returned to their home in La Grande.

LATEX MAKES RIVERSIDE TIRES Blow-out Proof!

They're built to prevent cord separation—the cause of blowouts!

When you drive your car at high speed, the heat inside your tire is terrific! In many tires this heat causes cords to separate—makes blisters—weakens your tire. When you hit a bump or rock... BANG!—a blowout! Riverside's cords—the HEART of the tire—are made from extra strong, long staple, premium cotton. Every single

cord of every ply is dipped in LATEX—expensive, 100% pure, liquid, virgin rubber. This cements Riverside's cords into a single strong unit. It gives Riverside the strongest tire carcass made—prevents separation, the cause of blowouts! Riverside tires are as blowout proof as science and money can make them!

Positive 2-Way Skid Protection

For greater safety, Riverside's Center Traction Tread gives both forward and sidewise skid protection! This is a patented Riverside feature that took over 3 years to perfect. We have not licensed any other manufacturer to use it. And you'll find Riverside's non-skid safety tread is wider! That means up to 40% more rubber on the road than in other famous makes. Riversides are safer—because you can stop quicker! Save with safety on Riversides!

Why We Guarantee To Save You Money

Of course Riversides are made in one of America's largest and best tire factories. BUT—they come direct to us—minus the manufacturer's selling and general overhead expense. That's a saving. The second saving comes from Ward's low cost method of distribution. These two reasons explain why we sell high quality tires for less. It's simple to figure out for yourself why Riversides are better in quality, mileage, and safety than any other tire at the same price.

Ward's Unlimited Guarantee

There's nothing half-way nor half-hearted about Riverside's guarantee! Every single Riverside tire is guaranteed to give service that is satisfactory to you. No time limit! No mileage limit! A tire has to be extra good and extra safe to be backed by the strongest guarantee tire ever written.

Gives 8% to 36% Longer Wear

A secret process which mixes just-the-right percentage of "Carbon-black" with the finest rubber gives Riversides their granite-like strength and toughness. Tests prove that this formula, one of the most carefully guarded in the industry, gives Riversides from 8% to 36% longer wear.

Large advertisement for coal. Includes text: 'NOTICE! To The PUBLIC Due to the increase in the price of coal at the mines, we are forced to raise the local retail price as follows: Grade LUMP \$13.75 per ton, STOVE \$13.25, NUT \$11.50, PEA \$10.00, SLACK \$8.25. Slack - \$7.75 in 5-Ton Lots. These Prices Effective Today. La Grande Retail Coal Dealers. EFFECTIVE MONDAY, AUG. 7. We will be open 8 A. M. to 5 P. M. daily except Sunday.'
