Post Members To Do Stuff in The Chorus

(Continued From Page One)

Gothic ideal in form but with the last word in catchy tunes. Intricate dance steps and costumery, Raymond O. Williams, chairman of the committee, revealed this morning.

Proceeds from the event will be used to finance the trip of the legion drum corps to the state convention in Klamath Falls when the post will make a bid for the 1934 department meeting.

One hour and a quarter of vaudeville will be presented, beginning at 8:45 o'clock, and the legion chorus will be only one of a number of features.

A chorus of five girls, pupils of Miss Alyce Cook, will present a chorus tap number in clever costumes. Members of the chorus are Patsy Jesse, Betty June Stalcup, Betty Jane Grice, Gloria Walker and Marian Christensen.

Tom Bruce, whose voice is always a drawing card on any program will furnish a group of numbers. Gene Gasset and Bert Warcell, the Harmony boys, will sing some of their best numbers, and the Campbell Sisters, Dorothy and Virginia, will tap dance. Other numbers also are being arranged.

Dancing will follow the vaudeville at approximately 10 o'clock.

La Grande Gets Best Foods, Inc. District Agency

La Grande this week becomes a central distributing point for the products of another nationally known manufacturer. Best Foods, Inc., have appointed G. E. Fogle, manager of the Pacific Fruit & Produce Co., this city, as their distributing representative for products over Union, Walla and Baker counties.

Previously, distribution of these products for these three counties came out of Walla Walla, but following a recent visit of a factory representative here it was deemed advisable for best service to patrons to supply the growing demand of the district this side of the Blue mountains out of an established distributing center here.

"We are more than pleased to have been appointed distributors for the well known Best Foods products in this newly established territory," says Mr. Fogle. "Through our long established service into this territory out of our La Grande supply houses, we can give more immediate attention to the wants of many retailers who have taken on this popular line."

Recital Club Of La Grande Gives Monthly Program

The La Grande Recital club held its monthly meeting and program in the studios of the Eastern Oregon School of Music Monday evening, the little folks' program beginning at 7:30 and the adult program following at 8:00 o'clock. The attendance was good, and the program very enjoyable.

July is the birth month of Stephen Foster, famous early American composer, and several numbers on the program were his compositions.

The following numbers constituted the little folks' program: "Frisella on Monday," Bilbro, piano solo by Ian Thornburg; "Massa's In de Cold, Cold Ground," Foster, piano solo by Lola Brown; "Old Black Joe," Foster, vocal duet by Lorraine and Josephine Hendrickson with Lorraine playing the piano accompaniment; "The May Basket," Emerson, piano solo by Dorothy Jean Lester.

The adult program was composed of the following numbers: "Moonlit Sea," Smith, piano solo by Mrs. Ed Moon; "Moment Musical," Schubert, piano solo by Mildred Stoddard; "Come Where My Love Lies Dreaming," Foster, vocal duet by Mrs. Meriville Moore and Mrs. W. H. Parkinson, with Mrs. Parkinson playing the piano accompaniment; "The Robin's Return," Fisher, piano solo by Loretta Stitt; "Beautiful Dreamer," Foster, vocal solo by Mrs. Parkinson, accompanied by Altha Damerell; "Salut d'Esther," Kowalski, piano solo by Altha Damerell; "The Armorer's Song" from Robin Hood, De Koven, vocal solo by Elliott Finlay, accompanied by Mrs. Parkinson; "Oh, Suzanna," paraphrase, piano solo by Mrs. C. C. Long.

The August program will celebrate the first anniversary of the Recital club, and Mrs. Parkinson has invited the club to meet at her home on that occasion. The composers featured will be Moszkowski and De Bussey.

Bank clearings reached a total of \$69,845.644 in July, 1932, and increased to \$77,888,482 in the month just closing.

22 Boys Sign Up For 2-Week Camp

(Continued from Page One)

dugled in, and David B. Stoddard, director of Boy Scout activities in the L. D. S. church wards of this vicinity, and who is heading up the Catherine creek movement, asks that there be a full attendance of all prospective campers in this project. This camp is not restricted to boy scouts; neither is the Wallowa Lake camp which opens next week for a 10-day period. The Catherine creek plans are being laid for those who prefer to put up foodstuffs rather than cash to meet running expenses, and who prefer to cook individually in the open rather than eating at a common mess hall where food is prepared by a regular cook. The latter arrangement will prevail at Wallowa Lake. Tonight's meeting will discuss what and how much food and equipment will be needed by each individual boy, and other essential details.

Mr. Stoddard stresses the invitation to any boy interested to attend this evening's meeting.
