WON'T END RACKETEERING

One would have to have a child-like faith and an unquestioning optimism to believe that racketeering will automatically cease the moment the 16th amendment is repealed—if, of course, it actually is repealed. The dry law has given aid and comfort to the racketeer, unquestionably; but it didn't call him into existence, and he won't vanish when it vanishes.

What we must face is simply the fact that the underworld has discovered, during the past dozen years, that organized society is often helpless before daring and ruthless criminals. This is partly due to an antiquated and cumbersome legal system, which gives the criminal much more than an even break when he is charged with a crime. It is partly due to a disorganized, politics-ridden police system which puts every city under terrific handicaps in its fight on crime. It is partly due to the automobile, which has given the criminal a new mobility. It is partly due to the traditional corruption and inefficiency which pervade almost every large city's government from top to bottom.

These are the points on which the congressional committee must give us a lot of detailed information.

THE CHANCE IS OURS

Upon the events of the next six months, probably, will depend the fate of our flight to escape from the depression. We can shape our future to suit ourselves; and if we are as wise and brave as we like to believe, we can pave the way for a better, freer life for everyone in America.

New Numbers On Show At Zuber Saturday

(Continued From Page One)

Spray and Doris Kirk the "Melody Girls" from Union, will sing the latest popular numbers. Easler Mattson, "the girl from the Golden West" will feature old-time numbers, singing and playing her own guitar accompaniment.

Janice McIntyre, student of Miss Alyce Cook, will furnish a Spanish dance. Little Miss McIntyre is the daughter of Mr. and Mrs. George McIntyre.

An attempt also is being made to secure the Arkansas Hill Billies as a special feature.

MAYBE TENNIS HELPS GOLF

AKRON, Ohio (AP)—Perhaps tennis helps to get distance into a golf drive. Miss Mary K. Browne, former tennis champion, who unsuccessfully defended her Ohio women's golf championship here this year, is the state's longest driver among women players. Mrs. Thornton Emmons, the new champion and Mrs. Burt Well pressed Miss Browne for distance off the tee, and both are former tennis players.

CHERRY GROWERS HAPPY

TRAVERSE CITY, Mich. (AP)—Cherry growers of this region have reason to be happy. With a 50,000,000 pound crop going to the packing plants this year, growers are receiving three times the price offered a year ago.
