giving the president's employment agreement and certificate of citizenship that made them eligible for Blue Eagle. The total daily rate of production stood at 257. The plant of the company is now temporarily closed.

From Portland today word was received that Governor Meier has recommended to President Roosevelt that he be permitted to display the Blue Eagle emblem of the U. S. A. unless he has paid the price of at least equal to the cost of production, even though he may still be with the existing industry.

"It has occurred to me that conditions with the letter of your recovery employment agreement does not always mean that the effect is in accord with the broad spirit," the

### Ace Hudkins Now Out Of Danger

LOS ANGELES, Aug. 10 (AP)—Ace Hudkins, seventh baseman "Wildcat" Wagon, was reported out of danger today by his attending physician, Dr. F. S. O'Reilly. The pugilist sustained two broken wrists in a cap-swing fight Sunday night. The wounds were subsequently treated and two blood transfusions administered.

pending a survey, responsibility of the U. S. A. in these two agencies. It was, however, that the contingency of a reorganization.

Until September 30, all the 1,200 employees of the statistics office of public buildings and public works of the national capital will be retained temporarily.

Removal of other smaller agencies also was reported, or abolished.

Certainly estimate the change will eventually cut expenditures about \$1,000,000. Additional reorganizations is scheduled for Dec. 11.

governor said in his communication. Evidently he is affected.

And in Washington the recovery administration revealed there was a ruling whereby all previously owned utilities—whether controlled by the state in which they are located or not—must come under the wage and work time operation. This was reported as the minimum development of the day in the capital. In the meantime, General Johnson was warning states from reorganizing and proper to his ultimatum of yesterday that state spending bills must not be reduced to avoid having to use new workers.

A deputy administrator of the U. S. A. today was completing his report on a study of competition for the lumber industry and expected to present it to Johnson later today if the latter approves it. The study will go on the president's reorganization.

The status of major notes of the competition now before the U. S. A. today follows:

Temporarily in effect—oil, food, clothing, dentistry and 23 others.

Being heard today—real estate, transportation, insurance, knitting machines.

Hearings over—lumber, steel, shoes, auditing hearings—druggists, newspapers, laundries.

More than 1,000 others, some covering two groups of the same industry, have been presented.

The first hospital cases from the sale of beer and wine in Michigan resulted almost \$1,000,000.

Reach for a Lucky —for always Luckies Please!

A woman's reason for liking a man's cigarette

Maybe you'll think I'm a bit inconsistent. Most things I'm fond of are really quite feminine... dairy, frilly frocks—delicate desserts—yes, and delicate compliments, too. To me my cigarette is a personal thing—it touches my lips—so give me one with real character. For some reason or other, I find that whenever I reach for a Lucky, always "Luckies Please". They're as mild and pure as can be—I wonder if "Toasting 'em" is the reason after all.
