## THIS CURIOUS WORLD

"TRAMP" STEAMERS  
 WORK HARDER THAN ANY OTHER TYPE OF OCEAN-GOING VESSEL.

GLASS IS A LIQUID IN A STATE OF SUSPENDED ANIMATION!

The EUROPEAN CHAMOIS GLIDES DOWN STEEP ALPINE SLOPES. FOR SPORT/ GROUPS OF THESE ANIMALS WILL KEEP UP THIS PERFORMANCE FOR AN HOUR AT A TIME.

CURIOSITY enough, the ancients discovered the art of glass-making many thousands of years before the birth of Christ. In spite of the fact that only three ingredients, lime, soda, and sand, can be used to produce it. These ingredients must be mixed in the proper proportions, then melted and cooled.

## THE TINYMITES

(READ THE STORY, THEN COLOR THE PICTURE)

ONE of the Tinies grabbed the bag of gold and said, "Gee, this will drag when it is fastened to that hook. Just watch the hook fly high."

"The fisherman will think that he has caught a monster of the sea. When he finds out what he has hooked, 'twill surely make him sigh."

"Why, say, he'll likely cheer out loud," said Scouty. "My, won't he feel proud. But, come, let's hook the bag on. Now, be sure it's on real tight."

"I know we want to make our plan work out as nicely as we can. If we are very careful, everything will be all right."

THE fisherman, who sat above, said to his son, "Gee, I would love to get a real nice bite. We haven't caught a thing, so far."

"If I could have just one good wish, I'd merely ask for one large fish. It doesn't look like we will have much luck, though, where we are."

Just then his son yelled, "Hey, dad, look! There's something run-

ning with your hook. Give it a yank. Gee, pull it in. Your wish is coming true!"

"Don't let it jerk and break your line. I wish I'd caught that fish on mine. I guess we're going to have a real fish meal, before we're through."

"YOU'RE right," replied the man. "What fun! At last I've hooked a monstrous one!" And then he gave his line a jerk which made his fishpole crack.

The money bag flew into the air. The man exclaimed, "Well, just look there! It's not a fish at all, son. It is just a strange old sack."

Then came a very nice surprise. Right out before their very eyes the bag of gold popped open and the man exclaimed, "Hurrah!"

"The boat is full of money, lad. I caught no fish, but I am glad. I made a catch that's better. Gee, this is my lucky day."
