No "Trading With the Enemy"  
When You Wear

Hart, Schaffner  
& Marx Clothes

A recent magazine article described the  
buyers and sellers of sweat shop made  
goods as—"trader with the enemy"—just  
as unpatriotic as those who supplied the  
enemy with food and munitions during the  
war time.

Our New Fall Clothes are here ready for  
inspection — in line with the president's  
appeal to hold down prices as long as pos-  
sible.
