## La Grande Interested More Than Usual In Round-Up This Year Due To Honor Given Miss Sally Siegrist

La Grande has an added interest in the Pendleton Round-Up this year with the selection of Miss Sally Siegrist, daughter of Mr. and Mrs. Adolph Siegrist, as one of the queen's attendants. Miss Jean Frazer, of Pendleton, is queen and other attendants, all representative of sections of the state, are Miss Anne Kistner, of Portland, and Miss Cathryn Collins, of Pendleton. Another will be chosen at Heppner on Sept. 2.

## Satin's Smart For the Fall

Black satin is one of the smartest things a girl can wear this fall. Combine it with white satin and you have something that is really ultra-smart. Irene Bentley wears a chic new afternoon suit in black satin with a white bodice. The jacket isn't shown but it has large revers of white satin. The drawing neckline is very flattering, as are the short raglan sleeves.

## Harry Zweifel Weds Enterprise Girl

Harry Zweifel, who recently arrived in La Grande on a furlough from army service in the Philippine Islands, and Miss M. Lucille Rinehart, of Enterprise, were married in Walla Walla Thursday, and have returned to La Grande. Mr. Zweifel's plans for the future are unsettled and they have not decided where they will make their home.

## Postpone Picnic Until Wednesday

The picnic planned by the Daughters of Union Veterans for Sunday has been postponed until Wednesday when it will be held at Riverside park. A picnic lunch will be the opening feature at 8 o'clock.

## Surprise Dinner Event of Friday

A pleasant surprise dinner was given Mrs. C. H. Cassett, who is visiting here from Gilroy, Cal., Friday night by her two daughters, Mrs. C. R. Anderson and Miss Edna Jones at the home of the former. Present for dinner were Mr. and Mrs. Lon Ayres, Mr. and Mrs. Ed. Thomas, Mrs. William Van Slicen, of Gilroy, sister of the guest of honor, Miss Mona Cassett, Miss Edna Jones, Mr. and Mrs. C. B. Anderson and family. After dinner they were joined by Mr. and Mrs. Charles Hillsbrand and Mr. and Mrs. Ernie Bush for an evening of cards.

## McGONAGILL, TEXAS P. G. A. KING, ONE OF 'BIG THREE'

DALLAS, Tex. (AP) — Francis McGonagill, last of Dallas' "big three" youthful golf stars to win recognition, has come into his own by capturing the Texas Professional Golfers' association title.

A few years ago McGonagill, Gus Moreland and Ralph Guidici starred at high school golf circles here. Moreland remained in the amateur ranks to win Trans-Mississippi titles, a western crown and a place on American Walker cup teams. Guidici, now professional at the St. Louis country club, finished second in the 1933 national open, one stroke behind Johnny Goodman.

## IOWA STATE COACH SMILES OVER VETERAN GRID SQUAD

AMES, Iowa (AP) — Twelve letter men instead of six, a line of veterans instead of a wall patched with sophomores and a backfield both faster and heavier are the heartening contrasts Coach George Veenker of Iowa State college sees between his 1933 football prospects and those of last year.

A half-dozen minor letter winners and a score of promising sophomores make the picture even more encouraging. "We can't help but be better this year," Veenker says.

The hundredth anniversary of the Christian Index, Baptist church publication, will be celebrated at Atlanta in September.

## WILL INSTALL C. E. OFFICERS

New officers of the Christian Endeavor society will be installed Sunday evening at the Central Church of Christ, by Rev. Paul De F. Mortimore. The orchestra will play before this service and the sermon, "Youth and the Church," will follow the installation. All are invited.

## MOORES HOME FROM VACATION

Dr. and Mrs. A. M. Moore have returned from a vacation trip to California. They visited in Portland with the former's parents, Mr. and Mrs. L. O. Moore, before taking the boat for San Francisco and Los Angeles. While in San Francisco, Dr. Moore called on several friends among the dentists there and in Los Angeles he attended a meeting of the Los Angeles County Dental society.

## NRA WORK COMMITTEE IS FORMED

(Continued from Page One)

community the promotional and informative material of the NRA so that the public may become well versed in the desires of the NRA administration, and to assist in complete organization of the community under the Blue Eagle banner. Mr. Huron explained that it was the desire of Gen. Johnson that a committee be organized here to cooperate with himself and the administration in NRA promotion and educational work. If any laggards in the employer list exist, it is the desire of the administration that the committee go out and encourage them to come into the Blue Eagle ranks.

A consumers' canvass is to be conducted in La Grande next week in order to spread the NRA plan throughout the community. Those present at the meeting last night, besides Mr. Baxter, Mrs. Bokley and Mr. Huron, included: Mrs. Mrs. Julius Roesch, Pioneer Daughters; Mrs. Philip Lockwood, Sons and Daughters of Union Co. Pioneers and the Union County Historical society; Frank Seward, Eagles; J. J. McClain, butchers; H. A. Scott, labor council; H. J. Leonard, Rotary; M. M. Christensen, grocers; Mrs. L. Ebert, Rebekahs; Al Andrews, conductors; H. V. Leffel, American Legion; Harry McKinnell, chamber of commerce and retail merchants; Mrs. L. B. Moe, Neighborhood club; Chase Bohnenkamp, chamber of commerce; Margaret Freeman and Mrs. Reynaud, Oregon state cosmeticians; L. L. Snodgrass, Lions; Charles Runyan, painters; J. H. Peare, Knights of Columbus; Robert Williamson, Elks, and Vernon Bull, trappers.

Several others were present at the meeting. Three more signers were added to the Blue Eagle ranks here since yesterday, bringing the total to 223.

From Washington it is announced that the United Mine Workers of America and a group of non-union operators had agreed tentatively upon a temporary 40-hour maximum work week for the industry under its code of competition. Also that provisional use of the Blue Eagle insignia by stores and factories claiming special hardships would be wrought upon them by full compliance with the president's agreement. A white stripe with the word "provisional" printed upon it should be pasted across the Blue Eagle in such establishments until final action is taken.

Pima cotton, a long-staple Egyptian variety, now is being produced on a commercial basis by planters of the Salt River valley, Arizona, the only district in America to grow this variety on a commercial scale.

The first salmon ever placed in southern waters are reported thriving at Lake Tahowa, near Marion, N. C.

## "GOLD DIGGERS OF 1933" COMING TO LIBERTY

Here are some scenes from the "Gold Diggers of 1933," now running in its ninth week in Portland, and which will be shown at the Liberty theatre on Sunday, Monday and Tuesday.

## AT THE LIBERTY

Sunday-Monday-Tuesday: "Gold Diggers of 1933" with Ruby Keeler, Ginger Rogers, Warren William, Joan Blondell, Aline MacMahon, Dick Powell, Ned Sparks, Guy Kibbee, the famous Gold Diggers chorus, and many others; "Vishphone act; Graham's McNamee News; "Supernatural," starring Carol Lombard, Randolph Scott, H. B. Warner, and Vivienne Osborne; Liberty Comedy; "Mother Goose Land" cartoon; "Rio The Magnificent" scenic; and Observer-Liberty News.

Friday-Saturday: "The White Eagle," starring Buck Jones; "Wreckety Wrecks" comedy; "Chalk Up" sport-light; "Doo Goo The Magician" cartoon; Liberty News; Saturday matinee only, the start of a new chapter play—the modern version of "The Three Musketeers."

Dances and ensembles for Warner Bros. musical and dramatic spectacle, "Gold Diggers of 1933," which opens at the Liberty theatre on Sunday are said to be the most lavish and ornate ever produced in a talking motion picture.

Two hundred girls in silken bell-shaped skirts dance on a helical stairway in the exquisite "Shadow Waltz" number. During the dance, the girls play upon illuminated violins, winding around the giant stairway, whirling about a glistening pool and an equally glistening floor. It is a triumph of rhythm, color and beauty.

For the "Pettin' in the Park" number an entire park with benches, mounds, trees of spun glass and silk, and a background of fantastic shapes and forms was constructed.

For "The Forgotten Man" number the girls romp over gigantic tread mills on which they keep ever going but never arriving.

A background of silver coins as large as the proscenium arch of a theatre, silver coins for wings and silver coins for costumes form the elaborate setting for "We're in the Money," another of the unusual numbers in this unusual picture.

## NORTHWEST CROPS ARE BETTER THAN AVERAGE, REPORT

CORVALLIS, Ore. (Special) — Generally favorable crop prospects in the Pacific Northwest, but even less promising conditions in the country as a whole than a month ago are indicated in the August report on the agricultural situation just released by the Oregon State college extension service. The report also contains outlook statements on dairy, beef cattle, hogs, sheep, poultry, wheat and seeds.

"Drouth has occurred over a larger area than in 1930," says the circular, which gives information on prospective output of all of the major crops produced in Oregon. Pasture conditions on August 1 were the worst on record, with the hay crop below average for the whole country and the combined corn — oats — barley production only three-fourths of average, to nearly match the record-breaking small wheat crop.

The outlook statements indicate that sheep production has turned downward and that symptoms are

appearing of an eventual change in the uptrend of milk cow numbers which are now 14 per cent greater than in 1928. The hog and wheat outlooks are said to depend primarily upon the production control plans being developed under the agricultural adjustment act.

Summarizing the general trend of prices received and prices paid by farmers, the report shows a downward trend in average prices of farm products following the grand 10-point advance from mid-June to mid-July. On the other hand, the cost of commodities which farmers purchase at retail has continued the steady upward trend with the government index at 105 per cent of pre-war for July and likely some higher at the middle of August, judging from wholesale price indexes.

The date for the annual flower show, sponsored by the Woman's club has been set for August 31, a little earlier than other years as the gladioli will be at their prime about that date. Everyone in Union who has flowers of any variety that will make a showing is being urged, through these columns, to take them to the club house, Mrs. S. E.
