

COLORED GIANTS DEFEAT TIGERS IN CLOSE GAME

An upswing in the first of the ninth, that saw three Detroit Colored Giants cross home plate, gave the visitors a 6 to 3 victory here yesterday afternoon over the La Grande Tigers, in spite of heady pitching by Gemmell, who held the colored boys to eight hits.

A wild throw to first by Evans followed by a three-bagger by Love, negro catcher, broke the deadlock with two runs, and a bit later Nelson, at first, muffed an easy one from C. Wilson at second that permitted Love to score. In their half of the inning, the Tigers hit into a snappy double play with one out, and the game was at an end.

The Tigers played nice ball most of the time behind Gemmell's steady pitching although at times the infield became erratic and errors were responsible for four of the Detroiters' runs. The fact that there was no coach on the third base line out of a La Grande chance in the eighth. Bob Evans smacked out a lusty triple but overran third base and was caught attempting to slide back to the base. Hodgans scored a little later on Cook's sacrifice drive.

Gemmell and Cook, the battery, and C. Wilson at second turned in the best ball for the locals. Dean, pitching for the visitors, held the Tigers to three hits, but two of them were three-baggers. He fanned eight men and Gemmell whiffed three.

The negroes batted through most of the game but opened up a bit in the last few innings. In spite of that, had Gemmell's support held up, extra innings might have been necessary.

Evans and C. Wilson hit triples for La Grande. Hatton got one three-bagger and a single for the Detroiters and Love, catcher, turned in sacrifice, a double and a triple to lead his teammates at the bat.

The crowd was only fair-sized. The score: RHE Giants 110 010 008-6 8 6 Tigers 110 000 010-3 3 6 Batters: Dean and Love; Gemmell and Cook. Umpire: Bill Workman and Bus Brooker.

Hollywood Gains On Angels; Rain Halts One Game

Rain at Portland and a home run by Daniel Patrick Michael Crowley have moved Hollywood to within half a game of the league leading Los Angeles Angels.

With rain forcing postponement of the Portland-Los Angeles tussle, Hollywood's Crowley, subbing at first base for the injured Ray Jacobs, belted a ninth inning homer last night to give the Stars a 3-2 win over Sacramento and tighten the Coast league pennant race.

Oakland combined a Mission error with two singles and a pair of sacrifice hits to score three runs in the tenth inning and take the series opener from the Reds, 5-2.

Joe Di Maggio swung his bat last night with the same power that carried him to a new Coast league consecutive game hitting record earlier this season and led San Francisco to a 10-2 victory over Seattle.

RAIN AT PENDLETON PENDLETON, Ore., Aug. 30 (AP)—A light rain fell here this morning and weather conditions indicated showers would prevail during the afternoon. Some wheat harvesting was interrupted, but in most districts harvesting has already been completed.

BOTH MONROE AND O'HARA ARE IRISH; REAL SCRAP DUE

For centuries, the Irish have been regarded as fighters of the best caliber, and modern boxing bears it out. There have been many Irish champions of the world, and there probably will be many more.

That is one reason why the sponsors of the Labor day boxing card to be held at the Sacajawea ball room are expecting an A. No. 1 evening with Frankie Monroe and Johnny O'Hara, a couple of Irish lads with a wallop, meeting in the main event.

The bout could be billed for the Irish championship of the state, as both are full-fledged Irish kids, imbued with the love of battle and each eager to hang out on the other.

Both Monroe, who is from Klamath Falls, and O'Hara, a product of Iowa, can take it as well as give it, and they are not afraid to mix. They expect to arrive here Sunday, Sept. 3, and fans probably will get a chance to size them up before they enter the ring.

And, besides the main event and some nice looking preliminary scraps, the grudge fight between Jimmy Mueller and Johnny Stewart, 145-pound La Grande leather punchers, is attracting a great deal of interest.

Both have been training for weeks and both are confident of victory. The grudge dates back to an episode that happened earlier in the year, and fans are expecting the gloves to be flying thick and fast when these two boys tangle.

The card will begin at 8 o'clock the evening of Monday, Sept. 4, and tickets are on sale at the Sacajawea, Moon's Drug Store, Glass Drugs, Inc., and the Imperial Billiard parlors.

Six more signed the president's re-employment agreement since yesterday, bringing the total of business and professional people under the Blue Eagle here to 230.

Signers the last few days include: C. O. Johnson, Service station, La Grande Mattress & Upholstery Co., Eastern Oregon Light & Power Co., T. R. Maxwell, oil jobber; Ritter's studio, Hart's Photos, Dr. Lee B. Bouy, Highway Cash grocery, H. P. White (Dad's Lunch), Normal grocery, Zuber hall.

FOOD IS HIGHER BUT ADVANCE IS NOT SO FAST NOW

WASHINGTON (AP)—Food is costing more throughout the country this month, but the recent upward trend has slowed its rate of advance. Labor department officials studied retail food prices reported by 51 cities and their conclusion was that while the general level rose more than 2 per cent between June 15 and July 15, the increase in August was only two per cent.

Today's prices at the retail grocery were said by the department to be back to the approximate level of February, 1932, and 18 per cent above April's prices, this year's low.

PENDLETON "NRA" IS LINKED WITH ROUND-UP IDEA

PENDLETON, Ore. (Special)—NRA means "New Round-Up Attitude" in Pendleton, scene of 23 revivals of the spirit of the glamorous old wild west. Pendleton folks have discarded depression worries and uncertainty and have their hearts set on making the forthcoming 1933 Round-Up September 21, 22 and 23, a worthy successor to the long chain of Oregon around the world.

Out of this new Round-Up attitude, or to be more exact, this renewed round-up enthusiasm, comes the announcement that the round-up management has "taken the bit between their teeth" and boldly slashed admission prices for the September classic. Reserved seats that used to cost \$2.50 are made available this year for \$1.50 and \$1.25, while bleacher seats, formerly \$1.50 are to be sold for 75 cents.

"As these pre-war time prices we hope, and expect, to pack 30,000 people in the stands daily," Business Manager Roy W. Ritter of the Round-Up association said yesterday. "What we want is twice as many visitors seeing the round-up at half the price of recent years—in other words, volume of people rather than mere volume of revenue. The Pendleton Round-Up stands alone in that it is put on for the enjoyment of the folks in the northwest and to advertise the whole northwest throughout the country."

"The Pendleton Round-Up will be as big and colorful and dramatic as ever in its history. We want to spike the rumors to the contrary that have been floating around this summer, probably originating as a natural by-product of the late but not lamented depression. Our Pendleton show still remains the one competitive spectacle where the world's championships in riding, roping and bulldogging are settled.

FATHER OF TWINS AT 80, HE'S STILL HALE AT 109 DAIV, Okla. (AP)—J. J. Allen, for whom the claim is made that he is 109 years old, is an unusual "oldest inhabitant" in more ways than one. At a birthday party for him recently, friends and relatives recalled that he married his second wife when he was 80 and became the proud father of twins.

Allen milks cows and helps with chores around the farm. His eyesight remains good and he has never worn glasses.

INDIANA CHAMPIONS REPEAT INDIANAPOLIS, Ind. (AP)—Indiana is a state where amateur golf champions often repeat. Will Diddel won the championship three times in succession and then came back to repeat a few years later. H. E. Zimmerman won in three successive years, as did Robert Resemer. George Lance won four in a row.

The entries will be made during the morning and judging will be completed before the show is open to the public in the afternoon.

The coming marriage of Miss Dorothy French to Eugene Cates, which will take place in late October, was the inspiration for a party given Tuesday night at the home of Mrs. Harry French, mother of the bride-elect. Misses Doris and Mildred French were assistant hostesses.

Progressive games were played by the guests with the winners receiving favors. Two musical selections were given by Miss Helene Price.

At the close of the evening each guest received an old-fashioned nosegay of sweet peas in which was enclosed the announcement of the coming event, written in code form and its solution furnishing much enjoyment.
