RUPTURE

H. L. Hoffman, expert, former associate of C. P. Re-lich, Minneapolis, Minn., will demonstrate without charge his "Perfect Retention Shields" in La Grande, Saturday, September 2 at the Foley hotel, from 10 a. m. to 4 p. m. Please come early.

Any rupture allowed to protrude is dangerous, weakening the whole system. It often causes stomach trouble, gas and back pains.

My "Perfect Retention Shields" will hold rupture under any condition of work and contract the opening in a short time.

Do not submit to avoidable operations and wear trusses that will enlarge the opening. Many satisfied clients in this community. No mail order.
