FIRST SCRIMMAGE OF SEASON HELD AT HIGH SCHOOL

First scrimmage of the season was held at the High school gridiron yesterday with 42 boys working out under Coach Ira Woodie. The grid mentor divided the boys into two first teams, and alternately sent these against a third team.

The DeBoie brothers, Floberg, V. Bean, Reynolds, Hanson, R. Webb all looked fairly good carrying the ball and Alvey, K. Webb, Blackman and Halley did a good job of blocking for this early in the season.

The tackle situation is improving somewhat, with five prospects—Peterson, Hogenson, Walden, C. Young and Snider. Coalwell and Gehring are working out at center position, and Irwin, Waldron, M. Bean and some others are fighting it out for end positions.

Several new men have joined the squad since the first of the week, and some of them show promise, Coach Woodie said.

Incidentally, the game at The Dalles Oct. 14 begins to look increasingly tough. Yesterday The Dalles defeated Benson high of Portland 32 to 6 at The Dalles, and has high hopes of being in the running for the state championship. Last year The Dalles trounced La Grande 47 to 6 in an inter-district game.

Miss Kistner and Miss Siegrist will be guests of the queen until after the Round-Up, and Miss Porter and Miss Doherty will be guests of Judge and Mrs. Calvin Sweek.

Bake Potatoes in Skins

When a potato is baked in its own skin the moisture in the potato supplies the steam that makes the texture of the vegetable soft and mealy, while preserving the flavor. And it's a simple way to prepare it.

payroll, this reduction applying to every member of the force including myself.'

"Mr. Epling continued to say: 'Now, boys, I will give you my word of honor. If conditions and business pick up in the spring I will put you all back on the same wages you are getting now, and if business does not pick up we shall not be in business.'

"We all took our cuts. Spring came, but nothing was said about wages, and on September 13, we called a meeting of the employes, and made a signed statement demanding a fulfillment of Mr. Epling's promise. When our committee presented the statement to Mr. Epling and Mr. Singer, the foreman of the company, they both went into a rage, saying that they absolutely refused to consider it at all. Mr. Epling made the statement that he would be d——d if he would pay it, and Mr. Singer made the statement that as far as he was concerned they could all walk out, and he could replace every man in the morning.

"When the packing house force reported for work the next morning, Mr. Singer said: 'Boys, the packing plant is closed.'"
