Former Residents Visit—
Mr. and Mrs. Kenneth Bentley, of Portland, who have been located at Redmond the past month were in La Grande Saturday where Mr. Bentley attended the MRA plus meeting. They were accompanied by Jack Dani, of the Dant-Russell Lumber Co., of Portland, who met them at Rufus and motored to La Grande with them. While here Mrs. Bentley was the guest of Mrs. M. J. Goss in La Grande and Miss May Ooit, of Summerville. Mrs. Bentley will be remembered as Miss Gladys Larabee, who lived at Summerville and Island City more than 20 years ago and who is still remembered by many residents of those two localities.

Returns Home—
Mrs. Otis Monroe has returned from Corvallis where she spent several days visiting with her parents, both of whom she reports as being improved in health.

Have Auto Trip—
Mr. and Mrs. C. B. Spencer, of Grange Hall, and Mr. and Mrs. Roe Buchanan returned home early Wednesday morning from a business trip to Ontario, Ore., and Caldwell, Ida. While away Mr. and Mrs. Spencer also made a trip on to Boise.

Auxiliary Installs—
The Imbler Legion auxiliary held installation of recently elected officers when they met Monday evening at their hall. Those who were inducted into the several offices were: president, Mrs. Anna Furman; first vice president, Mrs. Edna Morris; second vice president, Mrs. Grace Rollins; chaplain, Mrs. Frances Lloyd; secretary-treasurer, Mrs. Arthur Furman; sergeant-at-arms, Mrs. John Killings. The next meeting will be held Monday evening, Oct. 9.

Squashes On Trees—
An unusual freak of nature has been attracting many to the Minette Settler home in Cove the past week to see a big 18 pound Hubbard squash growing four feet in the air supported only by the vine.

To Eugene—
Miss Vergella Bond, of the valley, who has taught the past two years in the Imbler grade school, left Saturday for Eugene where she is taking up work at the university at the opening of the fall quarter.

Enters School—
Lavon Koger, of Lower Cove, has gone to Salem where he will enroll as a sophomore at Willamette university, anticipating the opening of school. Lavon took his first year's work at the Eastern Oregon Normal.

To Island City—
Mrs. Emma Grady, of La Grande, has gone to Island City where she will make an extended stay with her friend, Mrs. Adah Kiddie.

Improves—
Her sisters in this valley have received word from Mrs. W. R. Hawley (Ida Brooks) of Sumpter, to the effect that she is making a slow, but gradual improvement. Mrs. Hawley suffered a slight stroke a few weeks ago, but has returned to her home from Baker where she received medical attention in the hospital.

Lovely Flowers—
There are many farm homes at present where the flower gardens are unusually beautiful but in two places, one at either end of the Grande Ronde valley are some worthy of special mention. Near La Grande, Mrs. Frank Jasper on the sidehill, has flowers that are now a mass of colors of very brilliant hues that make the place worth a trip to see. Up in the north end of the valley, Mrs. Clyde McKenzie, between Pleasant Grove and Summerville, has her beautiful new country home set in a great bed of flowers of many varieties in lovely colors. It, too, is worth going to see before the frost gets farther down in the valley. On the Pleasant Grove road, up against the timber where Mr. and Mrs. Charlie Lawrence are living temporarily, there are two gorgeous beds of asters—great stretches of the fall roses that have made a rank growth in the cleared-off patch and are now just full of blossoms.

NERVOUS WOMEN Take Lydia E. Pinkham's Vegetable Compound

"I am so nervous it seems as though I should fly..." "My nerves are all on edge..." "I wish I were dead..." How often have we heard these expressions from some woman who has become so tired and run-down that her nerves can no longer stand the strain. No woman should allow herself to drift into this condition if she can help herself. She should give Lydia E. Pinkham's Vegetable Compound a trial. For nearly sixty years women have taken this wonderful tonic to give them renewed strength and vigor. 75 out of every 100 women who report to us say that they are benefited by this medicine. Buy a bottle from your druggist today... and watch the results.

NEW DELIVERY TAKES EFFECT HERE MONDAY

A change in the personnel of the Safeway Stores delivery system took effect yesterday when Goble & Scarborough, delivering for the Grande Ronde Meat Co., took over the delivery for all Safeway Stores in La Grande. This is expected to give both of these houses a closer hook up than heretofore possible and, according to H. M. Howard, of Safeway Stores, this hookup was made to reduce delivery expenses for both places and is not expected to cause any inconvenience to the customers of either system.

30 Answer Football Call at East Normal

(Continued From Page One)
