In this pleasing frock, the full waist portions are mounted on yoke portions cut in square outline and topped by a girlish collar, and the pleated skirt provides an attractive and comfortable fulness. Simply made, it is designed in four sizes: 6, 8, 10, 12. Size 8 requires 2 1/2 yards of 35-inch material, plus 3/4 yard contrast for the collar and belt.

To secure a pattern and simple sewing chart of this model, tear out this sketch and mail it to Julia Boyd, 103 Park Avenue, New York, N. Y., together with 15 cents in coin. Be sure to enclose, on a separate sheet of paper, your name, full address, your size, the number of this pattern (No. 1098x), and mention the name of this newspaper.

AMERICA * FEELS * BETTER *

SOMETHING wonderful has happened. We are coming out of the dark. We looked so long at the clouds, we forgot the blue sky beyond. Now we see it again. And it looks good... America feels better!

Smiles are back. Watch the crowds. They're looking up; dressing up. Faces are brighter; heads higher... America looks better!

There's bright new paint and the sound of hammers. Cash registers are playing an old sweet song, "Happy Days Are Here Again." Somebody's doing better. Payrolls are growing bigger. We're going somewhere—and getting there... America is doing better!

Something more than Beer is back... It's time to be friendly and gracious, to enjoy life openly, freely, with Budweiser, King of Bottled Beer. For it is to the happy, human side of things that Budweiser makes its perfect contribution. It's a great drink for these great days of a great people.
