Let the wicked forsake his way, and the unrighteous man his thought: and let him return unto the Lord, and he will have mercy upon him: and to our God, for he will abundantly pardon.—Isaiah 55:7.

A WISE MOVE

Announcement in the Observer yesterday and at parent-teacher meetings that the old "Class A" plan would be eliminated in all the La Grande schools, comes as welcome news to those closely associated with the schools and who understand their problems.

At the same time, parents of the children to be transferred should be the most pleased at the movement, because for the first time, it will give their children the utmost in advantages that can be offered in the elementary grades—and in high school as well.

Class A pupils in cities this size are unable to get full benefit of the opportunities to learn, and the teachers' efficiency is naturally decreased as a result. Under the new plan, all students will begin the fall term on the same basis, and they will progress through the entire school year together, with the teacher able to devote all of her time to the class as a whole—rather than have to divide it up into two groups, neither studying the same things at the same time.

From an efficiency and educational standpoint, it is one of the best things introduced here in many years—this plan to eliminate the mid-year class of students—and Supt. Herbert Evans, who presented the plan, and the members of the board of education are to be complimented for this forward step.

LA GRANDE HIGH TURNED BACK BY WA-HI TEAM 26-0

Too much Walla Walla experience and beef proved the undoing of La Grande High at Walla Walla yesterday afternoon in the Tigers' second grid game of the season. The final score was 26 to 0.

Wa-Hi earned three of its touchdowns, punching and pounding the more inexperienced La Grande line for three scores. The other touchdown came when a Blue Devil intercepted a flat pass hurled by Vic Bean and raced to scoring territory.

In yardage, the Tigers made nearly as much as did the victors, but costly fumbles prevented scoring threats from materializing. Coach Ira Woodie's pass attack also was handicapped with Waldron's ankle not up to snuff, preventing him from getting down under Bud Reynolds' long throws. With Waldron's speed affected, the Blue Devil defense found it not too difficult to check the forward pass threats, covering Huey Irwin and Ralph Floberg effectively.

A battle of fullbacks developed early in the game between Laman and Able DeBole, with honors about even. Laman was knocked out by Floberg in the first half but returned in the final two periods. Both fullbacks made some nice gains and Floberg added a lot of yardage to La Grande's total.

Many of the Wa-Hi gains were on Peterson's side of the line, and were due to inexperience on the part of that section of the Tiger line. Coalwell and Gehring turned in some nice work at center and Hogensen, tackle, took care of his position satisfactorily. Irwin turned in a nice game at his end.

Tigers Outweighed

The Tigers were outweighed by a considerable margin, and in addition the Blue Devil eleven is quite speedy—a combination hard to check.

The score at the end of the first half was 12 to 0.

The starting lineup was H. Irwin and Waldron, ends; Peterson and Hogenson, tackles; Halley and Alvey, guards; Coalwell, center; Reynolds, quarterback; Floberg and R. DeBole, halfbacks, and E. DeBole, fullback. Coach Woodie used almost his entire squad during the game.

Grange Fair Closes With Friday Show

(Continued From Page One)

Jim Woodell, chairman of the fair board, last night addressed the audience at the Recreational hall, expressing his appreciation for the assistance in making the fair a success.

Jay Breshears auctioned the prize winning cake, cooked by Mrs. Henry Ewin, to Lyle Kiddle, and the runner-up, baked by Mrs. Hulse, was purchased by Mrs. Ray Buell.

Judging was done by Mr. Hyslop and P. T. Fortner, county agent of Baker. Mr. Hyslop was perhaps the busiest man at the grange fair yesterday., his day starting at 7:30 in the morning when he reported to the county agent's office, and ending at 10:10 o'clock in the evening, when he left for Baker. He judged continuously until 7:30, taking about five minutes off for lunch, and then delivered an address in the evening.

Additional prizes will be announced next week in the Observer.

E. O. N. Football Season Opened This Afternoon

(Continued From Page One)

Grande about 9:30 o'clock last evening and after a night's rest, took the field against Coach Bob Quinn's Mountaineers at the Normal school football field at 2:30 o'clock this afternoon. Fair weather resulted in the field being in excellent condition and a fair sized crowd witnessed the game.

It was the opening game in La Grande and marked the first appearance of the new blue and gold uniforms.

Yesterday a pep assembly was held at the Normal school with Coach Quinn introducing his players and Arthur Steffen, assisted by Phyllis Clark and Shirley Einster leading yells and songs.

As the two teams took the field, it appeared that Quinn's Mountaineers outweighed their opponents several pounds per man, and local fans were predicting an E. O. N. victory.

Combining the talents of a group of modernists responsible for some of the stage and screen's most brilliant comedy successes, "Pleasure Cruise," the new Fox comedy, comes to the Liberty theatre on Sunday for an engagement of two days.

In the cast are Genevieve Tobin and Roland Young, the vamping wife and subtly discerning husband of "One Hour With You"; Minna Gombell, noted for her rollicking girl friend characterizations; Herbert Mundin and Frank Atkinson, two of the screen's new comedy favorites; Ralph Forbes, Una O'Connor, Theodore von Eltz, Robert Greig and Arthur Hoyt.

The play is based on the London stage hit of Austen Allen, who is being acclaimed by the English critics as one of the cleverest of the modern authors.

LEADERS CHALK UP WINS FRIDAY IN COAST LEAGUE

By The Associated Press

In the final week of the 1933 season big Oscar Eckhardt, of the Missions continues to demonstrate he is the Coast league's batting champion as convincingly as he did in the opening series.

Topping his nearest rival, Frenchy Bordagaray, of Sacramento, by more than 40 points, the big Texan is a cinch to wear the circuit's batting crown for the second straight year and seems likely to set a new Pacific Coast hitting record.

The Red outfielder hit safely in half of his eight trips to the plate last night as Hollywood captured a twin bill from the Missions, 7-3, 7-3. His four hits included his twelfth home run of the season and boosted his average to .414 and his total hits to 311 in 185 games. The present league batting mark is .407.

Los Angeles held its championship margin over the Stars at six and one-half games with its third win of the week from San Francisco, 11-2.

Oakland made its won and lost percentage an even .500 with its fourth straight victory at Sacramento, 3-2.

Given a five-run lead in the initial inning, Lou Koupal held it to give Portland a 7-2 decision over Seattle and even the series at three all. Fred Berger, Beaver left fielder, and Pitcher Ulrich, of the Indians, cracked out four baggers.

L. H. GREGORY TO BE HERE NEXT MONDAY

Lair H. Gregory, sports editor of the Oregonian, is to stop in La Grande for a couple of hours Monday en route to Portland, and during that time expects to size up the Eastern Oregon Normal school football team.

Later, it is expected, he will discuss Bob Quinn's Mountaineers in his Oregonian sports column.

Mr. Gregory was invited to La Grande by the La Grande chamber of commerce.

BRIMMING MILK PAILS REPAY GOOD BREEDING

A Safe, Soundly Reorganized Home Bank for Home People

Sleek dairy cows of Pacific Northwest states last month produced daily nearly 5 pounds more milk per cow than cows of the nation as a whole. They poured into the milk pails of their owners an average of 18.1 pounds of milk per cow daily, as compared to the national average of only 13.67 pounds per cow.

Better breeding again proves its value on a dollar basis!

See these finest specimens of all breeds of dairy animals as well as other livestock exhibits at Pacific International Livestock Exposition in Portland, October 21-28. Learn methods that make the highest production records possible. Gain this information to increase your own profits if you possibly can arrange to do so.

We suggest that a visit to this mammoth exposition, which includes a thrilling Rodeo and Horse Show among its entertainment features, is a business and educational investment for everyone.
