La Grande High School P. T. A. To Be Formed

Organization Meeting Called For Thursday Evening, Oct. 5 at the High School.

Parent Teacher associations have been active in all of the grade schools of La Grande for several years. On Thursday evening, October 5th, a high school P. T. A. will be organized. The meeting has been called for 7:30 p. m. in the study hall of the high school.

The object of this association is to bring into closer relation the home and the school, so that parents and teachers may cooperate intelligently in the training and education of the children of this community. Any one interested in such an organization is cordially invited to be present.

On Tuesday, September 6th, a representative committee of parents and teachers met at the high school. At this meeting preliminary details incident to the forming of a high school association were discussed. Mrs. Norman Fries, president of the city council, presided. The following committee was appointed to arrange for the October 5th meeting: Mrs. Roscoe Clark, Mrs. Hugh Leonard, Mrs. D. W. Bailey, Mrs. Victor Melville, Mrs. Fred Reid, Mrs. Ray Bagdale and Mr. A. L. Gralapp, secretary-treasurer.

Enroll Now!

Enrollment in the La Grande High school for this year compares favorably with enrollment of past years. An encouraging factor in this year's enrollment is the fact that many students that have not been in attendance at high school during the past year, have decided to gain the benefits high school training presents.

Undoubtedly there are other young people in La Grande interested in obtaining high school training. It is not too late to enroll even now, but the decision should be made at once. Students interested in enrolling in high school are requested to call at the high school office during the enrolling week, — A. L. Gralapp, Trio.

Mr. King's class of German is popular since he came back from Germany.

TIGER ELEVEN CLEANS COVE

La Grande began what promises to be a successful football season by scoring an overwhelming victory over Cove Saturday.

Although the La Grande squad outweighed their opponents somewhat, the visitors dominated the play, but they were unable to continue any offensive drive long enough to score.

Through hard blocking on the part of the line, and expert passing on Cove's part and a wholly offensive struggle on La Grande's part resulted in the final score of 43-0.

In spite of the poor weather conditions Saturday, a fair sized crowd witnessed the game.

Interclass Team Standings Given; Seniors Leading

Class Football Begins With Seniors Meeting Rooks in the Initial Contest.

Team	Won	Lost	Tied	Pct.
Seniors	0	0	1	.000
Juniors	0	0	1	.000
Soph.	0	0	1	.000
Books	0	0	1	.000

L. H. S. class football began their season Tuesday with only one week of practice to round out the teams. The first game pitted the Seniors with the Rooks—the former winning out 19 to 0.

The other game ended in a deadlock, 6 to 6 after the Juniors held the lead until the last 30 seconds when Shultz, Soph full, pushed over the final touchdown.

Student Police Activities

The Student Police have again been organized under the direction of Mr. McEachran.

There are about 24 boys, with Arlyn Beck, sergeant-at-arms, in charge, and 15 girls, with Sylvia Turn and LaWanda Cantrell in charge. The boys attended to the grounds and have general supervision of the crowds, and the ticket receipts are taken care of by the girls.

The boys watched the Grange Fair exhibits and helped there in various other ways. Their assistance was requested because of the example which they set last year in helping the fair management.

GIRLS PLAYING VOLLEY BALL

Teams in volleyball will be chosen in a few weeks, so all who wish to come out for volleyball had better get in their six practices. One can get on either a squad team or a first team. Both teams give the same number of points toward the pep contest.

Last year the junior team won first place in the squad team games with the two freshmen squad teams taking second and third place and the sophomore squad team taking fourth place.

The sophomore team won first place in the first team games with the juniors winning second. The junior team had defeated the sophomores three times in succession but in the fourth and final game the sophomores broke through and won the game by one point. The senior team took third place and the freshmen took fourth place. By winning first place one earns 4 points toward the pep contest, second place 3 points, third place 2 points, and the fourth place wins 1 point. All the girls who wish to help their class win the pep contest should come out and play volleyball.

At the end of each sport all star teams are chosen from the squad and first teams. Last year the following girls made the first all star team: Nadine Attebury, Ila Mae Ambrose, Katharine Alvey, Margaret Davy.

McVAY COMMENTS ON WA-HI TIGER CONTEST FRIDAY

Commenting on the Wa-Hi—Tiger football game at Walla Walla Friday, Al McVay, sports editor of the Walla Walla Bulletin, had the following to say in Sunday's edition:

The La Grande Tigers did not provide the competition expected, but the Blue Devils managed to show additional signs of becoming a dangerous team. Defensively the squad is due to be strong, but there is much to be desired on offense before the team will be big-time competition. Several backfield candidates are likely to fit a stiff stride by mid-season to give Jim Laman's jarring line plunges a bit of help.

If the rest of the La Grande team was up to the midget Bud Reynolds in caliber, Coach Ira Woodie would have something to cackle about. That youngster is a neat passer and a heavy player. Look for the Tigers and Pendleton to have some keen competition in their home-and-home economy series.

117 STUDENTS IN A CAPELLA CHOIR WORK

Tigers To Play Mac-Hi Eleven On October 7

A few weeks ago when an A Capella choir was organized in the high school, 117 young people turned out. The choir is divided into eight parts: first and second soprano; first and second alto; first and second tenor; and first and second bass. The students all seemed to enjoy the practices very much. Their enthusiasm is shown by the large number of young people turning out. This choir is believed to be the only one of its kind in Oregon. These choirs are very popular in the middle west and east.

A Capella means "according to the manner of the church," i. e., without accompaniment. A capella music is considered the finest expression of vocal music. All great composers have written music for unaccompanied groups. Johan Sebastian Bach has never been surpassed in his compositions for unaccompanied choirs. His "Motets" and "Chorals" still remain greatest of all choral works. Among the more successful modern composers are the Russian composers, Tchaikovsky and Tachekoff.

La Grande's prospects for the big game with Mac-Hi, October 7 appear exceptionally good, although Mac-Hi has some splendid material. Coach Woodie tells us to expect one of the best games of the season.

La Grande has a small advantage of larger registration in all classes, with freshmen 188 to 116, sophomores 174 to 85, juniors 130 to 98, seniors 132 to 79, making a total of 624 La Grande students and 348 in Milton-Freewater's enrollment, but this advantage is balanced by a heavier squad from Mac-Hi, two on the regular squad weighing over 200 pounds, while La Grande's heaviest is 160.

Principal A. L. Gralapp, Friday, stopped at Mac-Hi to talk over the possibilities for both teams with Bill Gaiser, superintendent and principal of the high school. Mr. Gralapp found that the Pioneers, coached by Edward M. Buck, a graduate of Whitman college, have one great aim—to wipe Coach Woodie's Tigers off the map. With seven new players all set to go on Mac-Hi's team, and every Tiger a veteran, but with the zeal for a battle, this game promises to be a battle royal, and it will officially open the Eastern Oregon football season.

Superintendent's Office

In order to give to the pupils of the grade schools a better understanding of the services offered by the La Grande public library, there have been appointed two representatives for each school to act as librarians within their buildings. The first meeting of representatives was held at the public library the second week of school. At that time plans were made for acquainting pupils with proper use of the library, and lists of approved books for children were given out.

Because of the cooperation of the city library and the interest shown by the school representatives, it is believed that the school children of the La Grande will read more books than ever before, and that they will have a greater appreciation of the services offered by the library. Pupils in the various grades are making excursions to the library, where they are given instruction in library methods and are given opportunity to acquaint themselves with the library in general. Teachers and pupils are very grateful to Miss Doty and her staff for their general cooperation.—Herbert Evans.

Senior Class Launched Upon Year's Program

The seniors are very capably advised this year by Miss Lillie, who teaches mathematics; Miss Vernon, Latin; Miss Pettigrew, English; Mr. Blunt, social science. They are assisted by the class officers: Tom Zivkovich, president; Laurence Fillmore, vice president; Joan Sturdivant, secretary-treasurer; Elizabeth Millie, girl live-wire; Gerald Butcher, boy live-wire; Verda Nebeker, song queen; Walter Dahl, yell king. There are one hundred and thirty in the class of '34. They are doing their best to win the pep cup again this year. On October 25 the Tiger spirit will be warmed up as the seniors give their stunt before the student body. Plenty of it will be needed for the Pendleton-La Grande game on the 27th.

In a short time the seniors will begin rehearsal on their class play.

Tigers To Play Mac-Hi Eleven On October 7

One of Best Football Games of Season Expected on La Grande High Gridiron.

La Grande's prospects for the big game with Mac-Hi, October 7 appear exceptionally good, although Mac-Hi has some splendid material. Coach Woodie tells us to expect one of the best games of the season.

La Grande has a small advantage of larger registration in all classes, with freshmen 188 to 116, sophomores 174 to 85, juniors 130 to 98, seniors 132 to 79, making a total of 624 La Grande students and 348 in Milton-Freewater's enrollment, but this advantage is balanced by a heavier squad from Mac-Hi, two on the regular squad weighing over 200 pounds, while La Grande's heaviest is 160.

FRESHMEN IN ASSEMBLY

A freshman assembly was held September 27 for the purpose of learning the songs and yells. Miss White, freshman advisor, was in charge.

It was found that although the freshmen did not know the songs or yells they soon picked them up, and by the end of the assembly they were doing quite well. The girls did better than the boys in singing while the boys had the edge over the girls in yelling.

Mr. Taylor traded an owl for two squirrels from the Normal school.

The chemistry classes are studying elements of chemistry.

The bookkeeping classes are journalizing and transferring to the ledger.

The typing classes are working very hard on budgets.
