The body is at Walker's Funeral Home, but funeral arrangements have not been completed as yet.

She was born in Mount Pleasant, Mich., Jan. 24, 1898 and was 35 years, eight months and 14 days of age. She came to Baker when 11 years of age, with her parents, and was graduated as a nurse from the Catholic hospital in Ferndale shortly before her marriage. She leaves her widowed husband, an adopted son, Bruce Jr., her parents, Mr. and Mrs. M. D. Phillips and other relatives.

Dancing Party Is Enjoyed

Fall flowers and other decorations of the fall colors were used at Honan hall Saturday evening when members of the Order of Rainbow for Girls and the DeMolays enjoyed a dancing party.

After several hours of dancing there were refreshments. Forty young people were present. The committee in charge was headed by Muriel Webb and Charles Skinner, who were assisted by Mary Fries, Genevieve Plexer and Olga Mae Hough. Mr. and Mrs. Alfred Cook and Mr. and Mrs. Alfred Milne were the patrons and patronesses.

GORDON ENDS LOCAL VISIT

Finlay Gordon, of Brownlee, Ore., who has been the guest of his daughter, Mrs. C. E. Thornburg, returned home Saturday. He was accompanied to Halfway by Mrs. Thornburg and two sons, Ian and Terry, and Miss Beth McRutt, of Halfway, a student at the Normal school. Mrs. Thornburg and Miss McRutt visited the latter's relatives and returned home Sunday.

Mr. Gordon spent a great deal of time hunting here and in Wallawa county and while in the latter he was separated from his party and missing for three days during the cold, rainy weather at the beginning of the deer season. Since he is 70 years old his family think it remarkable that he suffered none from exposure.

LOCAL MEETING WILL TAKE UP DISARMAMENT

A meeting has been called by J. H. Blunt for Tuesday at 7:30 p. m. at the High school to formulate plans for a general meeting to act toward an expression for war prevention, preparatory to the disarmament conference which meets in Geneva later this month. All general civic societies and educational institutions are to be represented by delegates with authority to act for their groups.

Mr. Blunt is head of the High school P. T. A. committee working for peace and disarmament. Mrs. Norman Fries will explain the purpose of the work Tuesday evening and it is planned to hold a public meeting soon. Mrs. Robert Eakin is head of the program committee.

When you're HEALTHY you're HAPPY

HAPPY days are usually healthy days. Why not add to these sunny days!

Poor health and constipation go hand in hand. Get rid of common constipation by eating a delicious cereal.

Tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid regularity. ALL-BRAN is also twice as rich in iron as an equal weight of beef liver.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. How much better than taking pills and drugs—so often harmful.

Two tablespoonfuls daily are usually sufficient. If not relieved this way, see your doctor.

At all grocers. In the red-and-green package. Made by Kellogg in Battle Creek.

MOVING OF WHEAT FROM NORTHWEST TO BEGIN TODAY

PORTLAND, Oct. 9 (AP)—The movement of the 40,000,000-bushel wheat surplus from the Pacific northwest was to start officially here today.

Federal officials said the North Pacific Emergency Export association could immediately undertake contracts with farmers and arrange for exportation sales.

A controller from the treasury department in Washington, D. C., is expected here to set up the necessary offices for disbursing funds to cover the benefit necessary to bridge the differences between the domestic and foreign market prices of the grain.

Under the emergency exportation plan exporters will buy wheat at the domestic price and sell it at the smaller price offered in foreign markets.

But and Jim Hammers, twin brothers from Columbus, Kan., each weighing 195, are members of the University of Kansas football squad.

what makes a cigarette taste better

WHAT makes anything taste better? It's what is in it that makes a thing taste better.

CHESTERFIELDS taste better because we buy ripe tobaccos. These ripe tobaccos are aged two and a half years—thirty months. During this time the tobaccos improve—just like wine improves by ageing.

CHESTERFIELDS taste better because they have the right kind of home-grown tobaccos and Turkish Tobaccos "welded together."

We hope this answers your question.
