Lions, Firemen to Aid Santa Claus This Year

(Continued from Page One)

brought cheer to many homes.

This year both groups—the firemen and the Lions—are to co-operate in the work, with the former doing a majority of the repairing, and the latter doing most of the financing. Both will work together in many phases of the project, of course.

Now, with only a short time left before Christmas, an urgent call is being broadcast for broken toys, or toys the children have outgrown, for dolls, etc. Also, cash donations would be gladly accepted, and would be used to purchase paints, nails, etc. Also, the cash would be used to purchase food in a few instances where needy families are not reached otherwise.

Those who cannot deliver the toys or donations, may call Harold C. Boone, Lions secretary, or Fire Chief Curtis Lindsey at Main 1037 (do not call the fire department—that is for use only in case of fires), and arrangements will be made to call for them. Those who can deliver toys, cash, etc., may leave their donations at the fire department.

People with broken toys of which some parts are missing are urged to turn them in, as often the remaining portion can either be built up or the parts used on other toys.

Then at Christmas time, the shiny, well repaired toys will gladden the hearts of children who otherwise would regard Santa Claus as merely a myth.

MRS. HESS IS BROUGHT HOME

Mrs. Henry Hess, wife of Senator Hess, returned from Portland by ambulance earlier this week. She has been ill in Portland.

ELKS' SMOKER THIS EVENING

MRS. WADE DIES 7 DAYS AFTER HUSBAND PASSES

Mrs. G. I. Wade, widow of the late Mr. Wade, died last night at a Caldwell, Ida., hospital. Mr. and Mrs. Wade formerly made their home in La Grande where he was a prominent rancher, but moved to Palo Alto, Cal. about five years ago. They had been visiting their daughter, Mrs. Cam Callahan, in Caldwell when they were both taken ill.

Mrs. Wade suffered a stroke last April 18, and had been ill for some time. Mr. Wade died suddenly of heart disease on Oct. 4, at Caldwell.

Funeral services will be held for both at the Summerville chapel Sunday afternoon at 2 o'clock and interment will be in the Summerville cemetery.

She is survived by four daughters, Mrs. Georgia Olson and Mrs. Ethel Ledbetter, Palo Alto, Cal.; Mrs. Callahan, of Caldwell; Mrs. Howard Coleman, of Corvallis; a son, Tom Wade, of Palo Alto, all of whom will be here for the funeral services; and two sisters, Mrs. R. H. Smith, of La Grande, and Mrs. Violet Bradshaw, of Walla Walla, who arrived today; besides other relatives.

ANTIQUE TEA IS UNDER WAY

Many antiques never shown before in La Grande have been entered in St. Peter's guild antique show today at the Honan hall. A program will be presented this afternoon at 4 o'clock and again this evening at 8 o'clock. A great deal of interest is being shown in the displays which are being arranged by Mrs. Philip Lockwood. Mrs. Harriett MacDonald is in charge of the program.

EVANS SERVICE ON SATURDAY

Funeral services for Mrs. Lillian Evans, of Union, whose body is at the Snodgrass and Zimmerman mortuary, will be held Saturday morning in the Methodist church at Union. Burial will take place in the Union cemetery.

Slabs and markers erected on graves of Kentucky pioneers at Harrodsburg are still decipherable.

PROCLAMATION

We, the City Commissioners of the City of La Grande, Oregon, do hereby set aside, by proclamation, the months of October, November and December for the National Buy-Now Campaign. We do call upon the resources, patriotism and co-operative spirit of our community to translate into permanence the progress already made in the NRA Blue Eagle Campaign and to make a further advance on the road to prosperity by supporting the "Now-is-the-time-to-buy Campaign."

We wish to emphasize the fact that a dollar turning over in trade becomes many dollars in the contribution to unemployment. We therefore ask our merchants and all dealers to keep prices of commodities down as low as possible as long as possible, assuring them that added volume in trade will compensate them later.

La Grande has ever been loyal and patriotic, so we sincerely ask the co-operation of our citizens to put over the "Now-is-the-time-to-buy Campaign" 100 per cent, thus striking the death blow to depression

Signed: The City Commissioners

LATVIAN FLIER RELIES ON JUNK-SALVAGED MOTOR

PARIS (AP)—In a home-made airplane with a 85 motor salvaged from a junk dealer Herbert Cukans, a Latvian reserve officer, hopes to fly from Le Bourget to Bathhurst, Africa.

He picked Bathurst as his goal, he said, because Latvia once had a colony there.

The entire plane—wings, wheels, propeller and all — was made by Cukans in four years after he came across the motor in the Riga "flea market." It is an old 80-horsepower engine from a French airplane shot down during the war.
