One Sure Way to End Cough And Colds

Persistent coughs and colds lead to serious trouble. You can stop them now with Creosolium, an emulsified creosote that is pleasant to take. Creosolium is a new medicinal discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creosolium contains, in addition to creosote, other healing elements which soothe and heal the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, and attacks the seat of the trouble.

Creosolium is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis, and is excellent for building up the system after colds or flu. Your own druggist is authorized to refund your money on the spot if your cough or cold is not relieved by Creosolium. (adv.)

"HAD CONSTIPATION SINCE BIRTH OF MY FIRST CHILD"

Then Mrs. King Discovered ALL-BRAN

We quote from her voluntary letter:

"I have suffered from terrible constipation since the birth of my first child—9 years ago! I have tried everything and nothing had any lasting results. Very reluctantly I tried your 'ALL-BRAN' with no faith in it at all. Much to my surprise, I have not had to take any medicine since starting to use ALL-BRAN, 4 months ago."—Mrs. Doris Eyring King, 16 Abbey Road, Oxford, England.

Laboratory tests show ALL-BRAN contains two things which overcome constipation: "Bulk" to exercise the intestines; vitamin B to help tone the intestinal tract.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Inside the body, it forms a soft mass, which gently clears the intestines of wastes.

Certainly this is more natural than taking patent medicines—often harmful. Two tablespoonfuls daily are usually sufficient. If not relieved this way, see your doctor.

ALL-BRAN also supplies iron for the blood. At all grocers. In the red-and-green package. Made by Kellogg in Battle Creek.

Other officers are Mrs. Charles McCarty, vice president; Mrs. Everett Scott, secretary; Mrs. Everett Roush, treasurer; committee heads are Mrs. Harry Newberg, finance; Mrs. Ferdinanden, hospitality; Mrs. Charles McCarty, membership; Floyd Melin, program; Mrs. J. C. Camp, publicity; Cecil Pusey, publications; Mrs. H. Chadwick, welfare; Mrs. Howard Chadwick, health; R. A. Wilkerson, safety; Mrs. E. K. Chadwick and Miss Myrtle Hoyt, chairman of Founders' day program; Mrs. Ferdinanden, study groups.

Mrs. Floyd Wetzel, membership chairman of the high school P. T. A., spoke on the new organization and enlisted volunteers to aid in completing the drive for members. Mrs. McCarty gave a partial report of the membership drive that ends on Thursday, Oct. 19.

Miss Blanche Snook's room with the attendance award with 13 parents present. The "St. Nicholas Magazine" is the award.

The following program was given: "The Windows Prank" a play by the third grade pupils; "Hallowe'en Prank" by the third grade; "Hallowe'en Song" by the third grade; piano solo by Jeannette Stand; eighth grade; "October Days" by a group of 7th and 8th grade pupils.

Walla Walla Is Winner 13 to 6 From Pendleton

WALLA WALLA (Special)—A decidedly improved crew of Pendleton Buckaroos made things a bit uncomfortable for Wa-Wa's Blue Devils on Round-Up field Saturday afternoon by holding the invaders to a 13-6 score the Blue and White had been hoped on advance statistics to take the game by a wide margin.

Statistically the Blue Devils were decidedly the superior team. They chalked up 15 first downs to four for the Oregonians, and ran up a yardage total of 333 yards to 123 for Pendleton. But the scoreboard margin, and it took a second half allowed only the bare one-touchdown recovery from an advance 6-0 score to bring home that win.
