Mrs. Mae Esberg, State Inspector Of The D. A. R., Pays Official Visit to La Grande Tent

Mrs. Mae Esberg, of Portland, state inspector of the Daughters of the Union Veterans, paid her official visit to the La Grande tent last night at Lane chapel and was extensively entertained. Mrs. Eliza Neukirahner is president of the local group and presided at the meeting at which Mrs. Esberg was the principal speaker.

Patriotism was the theme of the state inspector's address in which she expressed the devotion of the Daughters to the few remaining heroes of 1861. The speakers also praised the local members for their splendid program in the past and their plans for the future.

Mrs. Esberg was presented with a gift from the ten by Mrs. J. R. Rhodes.

Refreshments were served at the close of the meeting for which the decorations were in keeping with the fall season. Serving were Mrs. Lucie Buell, Mrs. Ethel Willcock, Mrs. Margaret Blystone, Mrs. Rhodes and the Misses Augusta and Fern McCoy.

Mrs. Esberg was the guest of Mrs. Marietta Yeck while in La Grande, and left this morning for her home in Portland.

King Speaker At Music Club Meet

Harold W. King, teacher in the La Grande High school, was enthusiastically applauded Monday night when he presented a fine study of Germany and present conditions at the opening meeting of the Neighborhood Music club at the La Grande hotel. Mr. King spent the past summer in Germany and finds that the country is vastly different from the place depicted in the American press, he said.

He described the opera houses and the operas that he saw during the summer, and also told of the social conditions, the cleanliness of the cities. He illustrated his talk with pictures.

Mrs. H. N. Ashby, accompanied by Mrs. A. L. Gralapp, sang, "Out of the Sadness of My Heart," a German number.

Mrs. Lynn Wright acted as chairman of the program.

ROBBERS OF BANK SOUGHT BY OFFICERS

(Continued From Page One)

Then he saw them in their car behind the barn, and they pointed guns at him, commanding him to come to them. Instead, he voiced some excuse and ran to the car. The robbers fled and the two Wallowa men followed them for about three miles when tire trouble forced them to halt, they said. No shots were exchanged.

The robbers were using a stolen Ford roadster, license No. 152-920, which belonged to a man in Ukiah, Ore. It is blue green in color and has no sides to the hood.

Both men are described as about 35 years of age.

Officers were expecting them to desert the stolen car, but in that case, figured they would have to hide part of the cash — the silver — in order to make traveling on foot possible.

Reports from Wallowa indicated "Slim" was boss of the robbery proceedings, issuing orders to "Shorty" and directing operations.

620,000 MEN GIVEN WORK IN SEPTEMBER

Labor Department Issues Report Showing Employment Increase

MORE THAN THAT ARE GIVEN WORK

Survey by Department Touches on Only About Half of Gainful Workers of This Nation

WASHINGTON, Oct. 17 (AP) — The labor department reported today that over 620,000 workers returned to their jobs during September in the seventeen industrial and business groups reporting to its bureau of labor statistics.

Secretary Perkins said over 200,000 workers found employment in manufacturing industries and a slightly larger number in retail establishments.

The seasonal increase in canning accounted for 70,000.

Gains in the wholesale trade were shown.

Building construction industries indicated more than 20,000 workers were added.

The employment increase in September was 3.2 over August with an index of 73.9. In September 1932 the index was 58.5 which was an increase of 4.5 per cent over the previous month.

"This increase in employment of nearly two-thirds of a million persons," said Miss Perkins, "does not represent the total number of persons who were returned to employment in all branches of industry.

"The industries surveyed each month by the bureau of labor statistics normally employ about 20,000,000 of the 49,000,000 of gainful workers of the country.

"Reports of the interstate commerce commission show an increase of 16,000 workers on class 1 railroads between August and September. Data available for public road construction show a gain of approximately 35,000 workers between the last day of August and the last day of September and agriculture normally employes more workers in September than in August.

"Only a very small portion of the more than $300,000,000 which has been let in contracts by the public works administration to date had been awarded on September 15, and the increase in employment resulting from these contracts is not reflected in the September employment tabulations."

The statement continued:

"The giants in the payrolls in the 17 groups surveyed indicate that approximately $10,000,000 more was paid out in weekly pay envelopes in September than in August.

"Measured from the low point of March 1933 the bureau's September employment figures show an estimated gain of more than 2,700,000 workers in the industrial groups surveyed over this six months interval and an increase of nearly $64,000,000 in total weekly wages dispersed in September over the weekly pay roll aggregates of march."

Early Action On Schools Is Likely

at the present time. This ten per cent decrease has resulted, he said, in curtailed fee receipts, reducing the balance of the board by about $40,000. Most of the decrease was in the upper classes and graduate students. There was a surprising increase in extension students, the report said.

The board agreed to Chancellor Kerr's request for employment of an attorney to prepare necessary action by the several student bodies so building fund money contributed by them may be used legally by the board. State funds are not provided for these projects.

The board decided, too, that the chancellor shall be given power to act on matters of small budget and personnel items, to reduce the number of minor items now coming before the board.

The next meeting of the board will be held at Eugene, as soon as E. C. Sammons, Portland board member returns. He of the nine members, was the only absentee at yesterday's session. Sammons is on a business trip in the eastern states. The suggestion was made that the board hold its meetings at various campuses so the members can become more familiar with the institutions under their control.

President Nelson appointed McLeod and Marks to vacancies on the rules and by-laws committee, and Mrs. Cornelia Marvin Pierce, of La Grande, to the buildings and grounds committee.

EAST OREGON C. C. C. CAMPS TO BE CLOSED

(Continued from Page One)

district this week and Monday of next week, officers at district headquarters in Baker announced yesterday.

Officers and men of Camp Imnaha, including a number from La Grande, will leave Enterprise at 7:30 a. m. Oct. 18 and the personnel of the Frog Heaven camp will leave La Grande the same day at 11 a. m. Their destination will be Coquille, Ore. Lieut. L. B. Hickam, AC reserve, is in command of Imnaha and the commanding officer at Frog Heaven is Lieut. Albert M. Van-Eaton, of the U. S. Navy.

Camp Maury personnel will leave Prineville Oct. 20 for School, Ore., and Camp Bates and Camp Crane Flats men will leave Baker Oct. 23 for Roseburg.

These movements will denude the Baker district of all its camps. The headquarters detachment will remain intact until such time as all business connected with the civilian conservation corps has been completed and supplies on hand at the Baker warehouse have been disposed of.

Relative to the enrollment of men for the second six months of the civilian conservation corps, army officers at the Baker district headquarters stated that no word has been received as to the exact number who will be enrolled.

Every county will be given a quota and the men will be enrolled for the nearest camps as was the case in the enrollment for the first six months of the conservation corps.

Pierce Speaker At Chamber Luncheon

(Continued From Page One)

mentioned that he also supported a road to Hell Canyon connecting with Baker and Enterprise, which would open the deep Snake river gorge to the public, creating a drive of unsurpassed scenic value.

He spoke on public works at some length and also on the NRA, classifying the national recovery act as the "most audacious ever attempted by any country in peace times." He heartily supports the NRA and recommends the plan to all, believing it should have the actual and moral support of the entire nation.

Attempts have been made for some months to secure an $800,000 government grant for the Meadow Brook dam, with the congressman lending active support to the flood control project.

The meeting today was the first of the fall season. New members introduced by Charles Reynolds, president, were Frank Tuckey, of Tuckey Typewriter Co.; Dr. Fred F. Jones, dentist; Francis Greulich, of the Consolidated Freight Line; the Odorless Cleaners and McDonald's Electric Co.

Approximately 50 attended the luncheon.

NOTICE OF SHERIFF'S SALE

IN THE CIRCUIT COURT OF UNION COUNTY, OREGON

MYRTLE BROUGHTON, Plaintiff,
vs.
E. S. BAUM, MARY E. BAUM, and LULA BUNNELL, formerly LULA VEAL, Defendants.

NOTICE IS HEREBY GIVEN, That under and by virtue of a writ of execution in foreclosure duly and regularly issued by the clerk of the Circuit Court of Union County, Oregon, dated the 9th day of October, 1933, in that certain suit in the said Circuit Court, wherein Myrtle Broughton is plaintiff and E. S. Baum, Mary E. Baum and Lula Bunnell, formerly Lula Veal, are defendants, and wherein the said Myrtle Broughton, as plaintiff, recovered judgment and decree against said E. S. Baum and Mary E. Baum, as defendants, in the sum of $1250.00 together with interest thereon at the rate of eight per cent per annum from May 14th, 1930, plus the sum of $150.00 attorney's fees and for her costs and disbursements herein incurred, which said judgment and decree further provides that the said sums of money constitute a valid lien against the hereinafter described real property, with its appurtenances, superior to any claim of the said defendants, upon said property, and further provides and decrees that said property be sold to satisfy said judgment, attorney's fees and accruing costs for which said judgment and decree was duly given, made and entered on the 9th day of October, 1933.

NOW, THEREFORE, Pursuant to said execution, I will, on Monday, November 13, 1933, at the front door of the Union county court house in the city of La Grande, Union county, Oregon, at two o'clock in the afternoon of said day, sell at public auction to the highest bidder for cash in hand, the following described real property, situate in said county and particularly described as follows:

Lots Fifteen (15) and Sixteen (16), in Division "B", New Haven Addition to La Grande, Oregon, or so much thereof as may be necessary to satisfy said judgment and decree, together with the costs which have accrued or may accrue under and by virtue of said execution.

Dated at La Grande, Union County, Oregon, this 10th day of October, 1933.

Be Sure to Read the PYROIL AD In This Week's Issue of Saturday Eve. Post

PYROIL "W" (Winter) added to the oil in the crankcase will insure easy starting in the coldest weather. Buy a quart of "W" now and by the time cold weather is here it will have put a fine glaze on the pistons — cylinder walls and bearings, insuring you of quick, easy starting of your motor in zero weather.

The saving on the batteries alone will pay for the PYROIL.

Be sure to use PYROIL "A" in the Gas or use in your valve oiler. It will prevent "STICKY VALVES" so common in winter and you will get enough extra mileage to more than pay for the PYROIL.

Pyroil is sold by most garages — auto equipment stores and independent service stations.
