Chosen Co. Agent

The following item, sent out from the office of the state leader of county agents, is of interest to the friends of the party chiefly concerned: Two additional Oregon counties are engaging county agricultural agents this year and one that dropped the work last year has resumed the necessary funds to the budget, early reports to the state college extension service indicate. Gilliam and Sherman counties were supplied the services of temporary agents during the recent summer control campaign, and have now included funds in the budget to keep them permanently. Russell McKennon, formerly assistant agent in Malheur county, has been chosen for the Gilliam county post, while the Sherman county position is not definitely settled. Lake county, where the county agent was supported by private funds this year, has relinquished

the necessary amount in the budget. Gets Large Buck—Euse Gray, son of Mr. and Mrs. George Gray, of Lower Cove, was among those bringing in large bucks last week. The animal weighed around 250 pounds. Move to Elgin—Mr. and Mrs. William Boudet, who have been living on their ranch at Elgin, have moved to their home in Elgin for the winter. They have been having as their house guests recently their brother-in-law and sister, Dr. and Mrs. Jolly, of Walla Walla. From California—Mr. and Mrs. Harold Chaffee, of Coquille, Cal., are in the valley, guests at the home of Mr. and Mrs. C. Hefly and family of above the Cove. They plan to make an extended visit hereabouts where they have many friends made during former visits. Mrs. Chaffee and Mrs. Betty are sisters. To Travel—Valley friends of Mrs. Gordon B. Fares (widow Hinchiff) will be pleased to learn that she has been engaged as special teacher for the Millon-Preswiler district. Mrs. Fares is a graduate of the Pendleton High school and of the Eastern Oregon Normal.

Consider Visit—Mrs. H. H. Gregory, Mr. and Mrs. H. H. Gregory Jr. and their baby daughter, Shirley, returned Sunday to their home at Rose Lodge, leaving the valley soon after Mr. Gregory had received word of his appointment last week as postmaster at Rose Lodge. The final event of their visit, which included a number of sight-seeing excursions, was a trip to Walla Walla, with an overnight stay at Woodlark. Miss Hannah Clark's visit. While there, Miss Shirley celebrated her first birthday anniversary. Mrs. Gregory is a sister of Mrs. Tom Walker, of the Walla Walla district at whose home the group were guests. County Aid Convention—There was an attendance of about 150 women at the annual convention of Methodist Ladies Aid societies held last week at the North Powder church with the women there as splendid hostesses. Mrs. R. P. Tyler of La Grande presided over the business meeting and the following officers were elected: Mrs. Worth Halley, Union, president; Mrs. Frank Jasper, La Grande, vice president; Mrs. McPhie, North Powder, recording secretary; and Mrs. Lynn Chadwick, Cove, corresponding secretary. Reports from the several aid societies given revealed the fact that all the women were busy and the organizations were in good condition. A gigantic potluck dinner was served at noon, and no other word was "gossip" described it. The afternoon was turned over to the program to which each aid contributed. The meeting next year will be held at the Cove. Organize Club—A new 4-H Camp Cookery club was recently organized at the school in Elgin. Mrs. E. H. Perry, Mrs. Frazee Smith, Elizabeth is the local leader, while the other officers are: president, Joe Smith Jr.; vice president, Arnold Proctor; secretary-treasurer, Lila Jean Pearson. The other members are Marjorie Trinder, Freddie Lynn Smith, Norma Carson, Letha Carson, Robert Myrick, Stephen Proctor, Lois O'Neil and Geraldine Pearson. A get-together meeting was held Tuesday evening at the home of the leader, while the first meeting is to be held Friday afternoon. The club will meet regularly hereafter on Friday afternoons. In Valley—Among those from out of the valley, who were here Sunday to attend the double funeral of Mr. and Mrs. George Wade at Summerville were Mr. and Mrs. Sam Wade, of Enterprise. Special Meeting—There will be a special meeting of the Imbler Ladies Aid society Thursday afternoon at the home of Mrs.

Loak Singaman. The work of the afternoon will be quieting. In Wallawa Co.—Miss Margaret Callahan, teacher in the Imbler High school, who has been spending the two weeks' vacation at her home in Union, has gone to Wallawa county to spend the present week. School work will be resumed next Monday morning, it is announced. From Muddy Creek—Mr. and Mrs. Henry Loomis and their two daughters, of Muddy Creek, were guests Sunday at the home of her father, W. R. Loomis, near Alzet. Have Booster Night—Members of the Pleasant Grove grange were special guests Saturday evening when the 4-H club, grange, near La Grande, celebrated their annual "Booster" night. The attendance at the meeting was very large. Members of the grange subcommittee furnished a number of pictures for the program and then Mr. and Mrs. Frank Jasper took charge, throwing on the screen a series of the pictures which Mrs. Jasper took in Switzerland and which have been beautifully colored. The "Festive Banquet"—Sunday, the first day of the open season on chins passants, was the day for the annual pleasant feed, indulged in by a group of old families in the vicinity of Brooks Lane. A number of factors entered into the reason for a much smaller attendance this year, but as it was there were 41 present for the day at the Hugh Haines home on the Lane. A very complete menu consisting about fried pleasant and fried chicken, was presented about midday and enjoyed by Mr. and Mrs. Lether Hindman and children, Marjorie, Billy and Vivian of Crickets Flat; Mr. and Mrs. Sam Knight, daughter, Beulah, and son, Loren, Mr. and Mrs. Reid Hibberd and daughter, Shirley, Dick Hibberd, Mrs. Lida Wilty and daughter, Ewarda, Mayo Walker, Mr. and Mrs. Jim McKinnis, Mrs. Jeanette Tuttle, Mr. and Mrs. Clyde Myers and daughter, Lawanna, Mr. and Mrs. H. The afternoon was spent informally with visiting games, music and more eating. Grange To Meet—The regular meeting of the Pleasant Grove grange will be held at their hall north of La Grande, west of Summerville, this coming Saturday evening. Guests—Mr. and Mrs. Harlan Koger, of Lower Cove, have had as their recent guests, their sister-in-law, Mrs. Paul Trueblood and baby daughter, who were returning from a visit with relatives in the Willamette valley, to Wichita, Kan. where Mr. Trueblood is teaching. Mr. Trueblood and Mrs. Koger are brother and sister. AT THE LIBERTY—Lionel Barrymore and Miriam Hopkins are co-stars in "The Stranger's Return" which opens Friday at the Liberty Theatre as a Metro-Goldwyn-Mayer production of the currently popular Phil Storm novel of rural life, which follows his recent best-seller, "State Fair". As the 35-year-old patriarch of a farm founded and pioneered by his family, Lionel Barrymore is said to have one of the most interesting characterizations of his brilliant career. His historic power is declared by preview critics to have attained new height in the climactic scenes. Miss Hopkins, among the most popular feminine stars on the screen today, is regarded the best opportunity she has had in her role of the city girl who goes to her grandfather's farm and finds there the peace and contentment she couldn't get in the city. Here is a role of exacting demands and she is said to have excelled in power the strength written into the original part. Mrs. McEachran Will Lead Seal Sale Here (Continued from Page One) Funds raised from the seal sales comprise the money used by the county and state associations in public health work. A portion of the money raised locally is retained in this county for tonometer, glasses, serums, tuberculous clinics and general health activities. The remainder is sent to the state where it is used in fighting tuberculosis — by organizing county units, county clinics and advisory nurse work. Neither the county association nor the O. T. A. are part of the Red Cross, but are separate organizations carrying on specific work — a campaign against tuberculosis. Delegates from three counties were present here last night at the Automotive Electric Co., with Curtis Sine as host, when Mr. Oldershaw and Mr. Gray presented an interesting and instructive sales talk accompanied

AVOID THE DANGER OF CONSTIPATION

Delicious Cereal Overcomes This Condition Safely and Pleasantly

The first signs of constipation may be headaches, tired feelings, yellow complexion, sleeplessness, loss of appetite. If neglected, constipation may seriously impair health.

Today, you can banish constipation by simply eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regular habits. ALL-BRAN is also a good source of iron for the blood.

This "bulk" in ALL-BRAN is gentle in action similar to leafy vegetables. Within the body, it forms a soft mass, and gently clears out the intestinal wastes.

Two tablespoonfuls daily will overcome most types of common constipation. If not relieved this way, see your doctor.

Enjoy ALL-BRAN as a cereal, or use in cooking. Appetizing recipes on the red-and-green package. Sold by all grocers. Made by Kellogg in Battle Creek.
