HOME-COMING GAME SATURDAY

The Eastern Oregon Normal school is completing plans today for its annual home-coming football game here next Saturday afternoon, a game that will bring College of Idaho of Caldwell, against the Mountaineer eleven.

In spite of the known strength of the visiting team, there are indications that the E. O. N. squad will be equal to the task of holding off an Idaho victory. Coach Bob Quinn has developed one of the finest football teams ever put together in this section of the state, in fact, one of the finest teams ever assembled in any Northwest school of this size.

A battle royal of the gridiron is assured — a football game worth going many miles to see. This city, as well as all of Eastern Oregon, should support the game handsomely, not only to have the fun of watching a thrilling contest, but also to pay respects to the school, which is giving such a valuable educational service to Eastern Oregon.

Particularly should La Grande men and women support the school and team by attending the game. Eventually the Normal school here can be the greatest asset to La Grande business stability — this has been proven time and again in other college towns — and it is our duty to do what we can to help the school and its extra-curricular activities, whether they be sporting, dramatics or what not.

Everyone possible should be at the gridiron Saturday afternoon. Prospects seem to be for a game and excitement that will live a long time in memory.

While here several social affairs were given in their honor. Last Friday, Mr. and Mrs. Charles Gekeler, of Grange Hall, gave a dinner, other guests besides the Tales being W. J. On Sunday Mrs. Dora Smutz entertained for seven members of the Gekeler family, more than 50 being present for a potluck dinner which preceded an afternoon of visiting. Oregon Staters Work Hard For Coming Contest

CORVALLIS, Ore., Oct. 25 (AP)—The program was "work and plenty of it" for the Oregon State college football squad today, as Coach Lon Stiner sent his "iron-man team" through the grind in preparation for the Washington State college invasion here Saturday for the home-coming game.

Coach Stiner granted his men one day for "re-playing" the zero-time game with Southern California, and a very light workout was held Monday night.

Stiner's scouts reported to him that the fast-moving Washington Staters should have defeated California handily at Pullman Saturday, instead of getting a 6-6 tie, and that despite the great showing the Orangemen made against the Trojans, they will need to give all they have to break the five-game winning streak of the W. S. C. organization.

This week's offensive style of play will be stressed in the better practice. The laconic Coach Stiner has passed the word that "football games are not won by a stonewall defense."

Coach Spaulding Prepares Team For Oregon Game

LOS ANGELES, Oct. 25 (AP)—If Coach Bill Spaulding has his say, the University of California at Los Angeles will repay Oregon in kind at the Memorial coliseum Saturday when these two football teams clash.

The Bruin mentor is priming Joe Keeble, a pretty fair line plunger in his own right, to match the work of mighty Mike Mikulak, Oregon's hard driving fullback.

Keeble hit his stride for the first time this season against Loyola, and Coach Spaulding hopes he will be able to rip off plenty of yards at the expense of the Webfoots.

The matter of stopping Mikulak and the other Oregon backs is still bothering Coach Spaulding, and a bunch of reserves, using Oregon plays, ran far too freely yesterday against the first and second squads, which means there will be more defensive work in store this afternoon.

Capt. Lee Coats appeared definitely to be out as Phil Nordell and Bill Merrill worked in his place as center. Coats hobbled around on crutches, Mike Dink's, veteran guard, may become eligible for the game after being absent all fall because of scholastic difficulties.

Ketchell Kayoes Lenhart In Fifth

PORTLAND, Ore., Oct. 25 (AP)—Coming back after losing the opening rounds, Wesley Ketchell, 163, of Portland, shot a steaming left to the body to knock out Fred Lenhart, 177, of Spokane, in the fifth round in the main event of last night's fight program here.

Ah Wing Lee and Monroe will fight here as soon as possible, but the date must be determined by later developments.

I keep coming back to that word "balanced" on the back of the Chesterfield package

YOU often hear the word balance—something is out of balance—top-heavy, not on an "even keel."

What you read, "Chesterfield Cigarettes are a balanced blend," means that the right amounts of the right kinds of tobacco are welded together; that is, home-grown tobaccos, the right kind, the right quantity—are blended and cross-blended with tobaccos from Turkey and Greece.

When these tobaccos are balanced one against the other, then you have a mild cigarette.

When they are in balance, then you have a better-tasting cigarette.

May we ask you to read again the statement on the back of the Chesterfield package? May we ask you to try Chesterfield?
