preparation for the ring classic. All matches are to be made according to age, weight and ability as the spectators arrive on nights of the tourney. Beginners will compete against beginners, while amateurs with previous experience are to go against each other.

All bouts in the tourney are to be for three two-minute rounds. Amateurs from La Grande will compete against the visiting amateurs. Amateurs from the same town or city will not compete against each other during the three-night ring revival.

It will cost nothing to enroll for the training and to compete for the district championships. Boxing trunks and shoes are to be furnished on nights of the big meet to any who

cannot afford their own. The training of the local amateurs is to be open to the public from 7:30 to 9 each night beginning within the next week. Amateurs and fans alike are being requested to consult the Observer to keep posted on developments of the tournament.

### SOUTHERN CAL TO MEET CALIFORNIA

LOS ANGELES, Oct. 26 (AP)—Coach Howard Jones planned a final overhauling of the Southern California offense today before 37 Trojans leave tonight for Berkeley where they intend to turn it loose Saturday against California.

Troy's head man, always hard to please when it comes to advancing the ball over an opponent's goal line, has displayed fine disgust over the way the Southern California attack failed to click against Oregon State. Of course, the rub of this plan is to get the attack rolling.
