Annual Home-coming Ball Held Saturday Evening At The Eastern Oregon Normal School

Alumni, faculty and students of the Eastern Oregon Normal school and other guests flocked at the annual home-coming ball Saturday evening at 9 o'clock at the E. O. N. ball room. The ball room was decorated to carry out the theme of greeting the alumni back to their Blue Mountain home. Large murals picturing peaceful mountain scenes decorated the walls, and a beam of light directed the alumni back.

The intermission features were presented by Sock and Buskin as a motion picture with a melodrama and short subjects. Leo Andrew sang "Tumbled Down Shack in Athlone." The melodrama was gripping with all the stock characters ably taken, and proved to be amusing in spite of the tearful theme. The cast included Guy Tucker as the sheriff; Lill Hoffmann as Miguel, the little Spanish boy; Dorothy Hill as Faro Nell; Rodney Miller as the cowboy, Louis Pinson as the villain. Mr. Erickson as Happy Hanks, and Pratt Johnson. President and Mrs. H. E. Inlow and members of the faculty were patrons and patronesses for the ball. Music was furnished by the Campus Racketeers.

The alumni banquet preceded the dance at the La Grande hotel. Harry Dawson, president of the Associated Students, was toastmaster and talks were furnished by faculty, alumni and students.

A violin solo was furnished by Miss Maellenbeth Cooper, and group singing of school songs was led by Miss Jennie Peterson.

A meeting of alumni followed the morning assembly on Saturday. Alumni dues of 50 cents will be collected at each home-coming. It was decided, Harvey Carter, Bill Caldwell and Bethmyrl Miller were appointed on a committee to investigate the feasibility of editing an alumni edition of the Beacon, E. O. N. paper.

A committee to work in co-operation with the Normal school administration to find out their aims, etc., includes Wilma Smith, Genevieve Adler and Scott Buntin. Waldo Greard, Ruth Fraser and Eva Jane Erwin will form a committee to revise the constitution.

when the Neighborhood club meets tomorrow at 2 o'clock at the La Grande hotel. Musical selections are also being arranged.

Relief Society Meet Postponed

world price level of the precious metal, all leading to the eventual goal of a managed currency without its daily wild gyrations.

Little favorable reaction was found among senators in Washington to extension of the administration's gold purchase policy to world markets.

Critical comment was made to reporters by Republicans and Republican independents, and Democrats who approved the step were lukewarm and doubtful of the results hoped for.

FARM AND CITY AMATEURS WILL SIGN UP FRIDAY

Amateur athletes from the city and farm alike will throng into Eagles hall Friday night at 7:30 to enroll for free expert training and for a chance to compete for the "Jack Dempsey" trophies and other awards in the Eagles big relief fund benefit district championship amateur boxing tournament to be held in that well-known human sports garage nights of Nov. 21, 22 and 23, next.

It will cost nothing to enroll, learn how to box, and to take part in the event, expected to be the biggest sports spectacle of its kind ever engineered in this territory. There are to be classes in all weight divisions, from giant heavies down to tiny cootie-weights.

To win here many mean the successful ringsters are headed to the "Big Time" in either amateur or professional boxing. The out-standing winners are to be recommended to the N. B. A. for the sectional tryouts and if they win there they would compete for the national titles in the east. As for the professional end of the outlook, there is no other profession known in which a man can gain so much fame and make so much money in a single night.

On nights of the tourney all matches are to be arranged according to age, weight and ability, with over-matching of contestants being prohibited. Professionals are positively barred from the huge mittfest.

Here are the weight divisions: Heavyweight, above 175 pounds; light-heavyweight, 175 pounds or under; middleweight, 160 pounds or under; welterweight, 147 pounds or under; lightweight, 135 pounds or under; featherweight, 128 pounds or under; bantamweight, 118 pounds or under; flyweight, 112 pounds or under; and cootie-weights, 100 pounds or under. There are to be classes for both beginners and for amateurs with previous tourney experience.

The tourney bouts will be for three two-minute rounds with a one minute period between rounds being allowed for rest. Amateurs from the same city or town will not have to compete against each other.

Amateurs in out-of-town points are being urged to mail in their name, age and weight to the Eagles hall, La Grande.

Trainers for the local huskies are in town and will be in charge of the enrollment of the amateurs from hereabouts at Eagles hall Friday night.

Training of the locals is to start a week from tonight in a gym to be set up in the lower floor of the Armory building. The training will begin each night at 7:30 and continue until 9:00. The public is to be invited to look on as their favorites
