MORE TROPHIES TO BE GIVEN IN BOXING TOURNEY

With amateur boxers ranging in poundage from giant heavies to cootie-weights, awaiting the enrollment meeting at the Eagles hall Friday night, three more handsome trophies were put up today for the aspiring ringmen of the district to compete for in the Eagles great relief fund benefit championship amateur boxing tournament on the Eagles hall battle front here the nights of Nov. 21, 22 and 23.

One of the additional trophies is for the amateur registering the quickest knockout in the big tourney. Another is for the gamest loser, while the third is to go to the most clever boxer in the field revival. These are to be aside from the elaborate "Jack Dempsey" trophies going to winners in all weight divisions.

It costs nothing to enroll at the Eagles hall Friday night for the tourney, learn how to box from expert trainers, and try for the high ring honors and handsome trophies. It is reported that promoters from far and near plan to be on hand to "scout" the heavies in particular and all other weight divisions in general during the three-night jamboree here. They may have contracts in their pockets to flash on the out-standing hunkies of the meet who may have designs on a pro career in preference to the national championships of the amateurs in the east and the next Olympic games.

A representative of the Eagles will begin contacting cities and towns within a radius of 150 miles of La Grande beginning tomorrow to form teams of amateur boxers and appoint trainers for them. The outsiders are to train in their respective home towns.
