LESS LIVESTOCK ON ASSESSMENT ROLLS

A summary of the assessment for Union county for this year, need this week by D. H. Proxmy, assessor, reveals a considerable decrease in the numbers of hives, poultry and foxes in the county. Mules and cattle came to holding their own. Listed for 1932, the number was 14,686 in 1932 to 13,502 in 1933. Sheep showed a heavy decrease, with only 17,258 counted on the 1933 rolls against 35,361 last year. Swine numbered 2,490 this season against 3,170 in 1932. Hives of bees were listed at 200 this year and 250 last, and poultry, counted by the dozens, stood at 35 this year and 112 last year. The number of foxes was given at 58 compared with 135 in 1932.

WILL ROGERS says:

BEVERLY HILLS, Cal., Nov. 9 — This country is coming back, the best indication was old Kentucky, she disposed of 16 at Tuesday's election. That's a mighty good showing on what's called an off election year. And when you consider that they haven't have voted at all, for prohibition had already been repealed by 36 states.

Old Kentucky has a law which gives the doctors the benefit of the doubt, they won't count votes or bodies till the next day. Clubs were wielded and heads were disorganized in New York, too. This is all a good omen. It shows we are getting out of our of remnant period of voting, where you do nothing but vote. Led by the spirit of old Kentucky we are returning to American principles, all but the Carolinas. Yours, Will Rogers

BAKER FANS WILL BE HOPING FOR AN UPSET TOMORROW

Favored to win by comparative scores, and determined there shall be no dope upsels, the Tigers of La Grande High school went through a light workout today in final preparation for the "little classic" here tomorrow afternoon with the Baker High school football team. The game begins at 2 p. m.

On comparative scores La Grande should be three touchdowns better than the Bulldogs, but—like Oregon and Oregon State games—the dopers often are crossed up when these two teams collide. Coach Ira Woodie, of L. H. S., is a former Oregon star and Vernon Eilers, grid mentor at Baker, is an ex-Oregon Stater, so the game here tomorrow in some respects is a former counterpart of the game in Portland that has the entire state by the ears.

La Grande's margin of superiority on paper is based on the fact the Tigers defeated Enterprise by four touchdowns and Pendleton by three touchdowns, and Baker tied both Enterprise and Pendleton.

Coach Woodie announced that the Tigers will wear blue jerseys tomorrow, numbered as follows: starting lineup—Irwin (5) and V. Bean (17), ends; Walden (78) and Hogenson (71), tackles; K. Webb (31) and Halley (7), guards; Coalwell (21), center.

Warmer weather continued in La Grande as the week drew near a close. Wednesday's maximum was 61, and yesterday the mercury moved up to 64 above. The weather forecast today indicated a continuance of the mild days. Chilly nights continue with the minimum here today 31 above.

DRAMATIC ARTIST HERE ON MONDAY

An announcement of unusual interest to La Grande people is that of the appearance of Gay MacLaren, dramatic artist, at the Eastern Oregon Normal school assembly next Monday, November 13, at 10 a. m. Miss MacLaren will present the comedy, "Helena's Boys" which was popularized by Minnie Maddern Fiske, and will particularly recreate the character taken by Mrs. Fiske in that play. Press comments by eastern dramatic critics speak in glowing terms of Miss MacLaren's stage performance. Normal school students and faculty anticipate an entertainment program of unusual merit. The assembly is open to the public. A small admission charge will be made.

SIX MORE SHEEP KILLED ON ROAD

Six more sheep fell before an approaching automobile truck yesterday when a machine, driven by Ted Knowles, of Baker, collided with a band of the animals in Fyle's canyon between Union and Telocaset at 10 a. m. yesterday. The six were the only ones in the band killed. Mr. Knowles reported to police here that he rounded a curve to meet the sheep, and had no warning of their presence in time to stop.

Back to Screen

June Collyer, who turned her back to the screen to become Mrs. Stuart Erwin, now returns to appear in films.

Armistice Day Boxing Card Is Attracting Fans

Jimmy Museler, knockout artist of La Grande, and Cowboy Evans, of Boise, will fight in the six-round semi-final. Both weigh about 145 pounds.

RUSS-JAPANESE BREACH WIDENS

MOSCOW, Nov. 10 (AP) — A threat to plunge Japan into civil war if it should attack the Soviet union was made by M. Okano, member of the executive committee of the Communist international, speaking yesterday at the funeral of Sen. Katayama in Red Square.

Okano represented the Japanese Communist party, formerly headed by Katayama who died Nov. 6. He was one of the orators in the rites.

Wheat Today

The price of local cash wheat today stood at about 54½ cents bulk, according to quotations at the Pioneer Flouring Mills, Portland cash 73 cents.

CHICAGO, Nov. 10 (AP) — Pre-holiday adjustment of accounts led to enough selling in the grain markets today to pull prices down. Numerous commission houses advised that after an advance of nearly 24 cents a bushel in wheat and about 12 cents in corn from the low point in October, the market position of grain had been somewhat weakened, and profit taking was in order. There was relatively little concentrated selling. Wheat closed unsettled, ½ or 1½c under yesterday's finish, corn ¼c down, oats ½c off, and provisions varying from 3 cents setback to an equal advance.

EDUCATION INQUIRY LIKELY
RETAIL TRADE IMPROVING
20,000 MASSACRED, REPORT
VOLSTEAD BREAKS SILENCE

PORTLAND, Ore., Nov. 10 (AP) — An indication that the turmoil involving higher education in Oregon has spread outside the confines of the state, was seen today in announcement by the American Law School association that Dean Harold Shepherd of the University of Washington School of Law has been asked to investigate the roughly higher educational affairs in Oregon.

NEW YORK, Nov. 10 (AP) — Arrival of colder weather has stimulated retail trade, Dun and Bradstreet said today, and some retailers this week recorded the best sales total for any week since August.

KIUKIANG, China, Nov. 10 (AP) — Chinese reports today said Communist had massacred 20,000 persons in their recent seizure of Hsingtung, Huiduan, Wanyuan and Chenkou.

MINNEAPOLIS, Nov. 10 (AP) — Andrew J. Volstead broke his silence respecting prohibition repeal today and in a public letter to newspapers said the "wets" had won "through politics, through the lavish use of money, the rankest kind of propaganda and brazen nullification of the constitution."

OTTAWA, Nov. 10 (AP) — Because the American dollar has fallen below par in relation to Canadian money, Canadian postmasters were instructed today not to accept United States currency.

DOLLAR SLUMPS TO NEW LOW IN LONDON TRADING

LONDON, Nov. 10 (AP) — After a day on the foreign exchange in which the United States dollar slumped down to a record post-war low of \$5.1834 to the pound, the American currency experienced a substantial rally uncovering purchases, appreciating to \$5.11 and closing only slightly below that figure at \$5.1134.

"The dance of the dollar," as commentators dubbed it, again was the feature of a turbulent day on the exchange market.

Successive drops, with only brief halts as a light support appeared, carried the quotation from an early \$5.10 to a loss of nearly seven cents before substantial buying appeared to check the decline.

The French franc also was under pressure most of the day but staged a comeback with the dollar in large dealings. After hitting 81.71 francs to the dollar, it recovered to 81.71.

REBELLION ENDS IN HAVANA TODAY

HAVANA, Nov. 10 (AP) — A bullet-riddled Havana counted her dead at 150 and her wounded at 390 today and strove to resume the quiet way of commerce after surviving two days of rebellion.

Defiance Hurlled At The World By Hitler In Berlin

By Louis F. Lochner
BERLIN, Nov. 10 (AP) — Chancellor Hitler, addressing himself especially once more to German labor, hurled defiance at foreign nations today in a pre-election campaign speech.

Hitler served notice that Germany would never again gather with other nations around the green table of diplomacy unless her equality were vouchsafed.

Labor Chief Gives Views on Wet Laws

WASHINGTON, Nov. 20 (AP) — Labor's William Green sees a need for after-repeal laws that will bar the old-time saloon and keep imbibers from buying more than they can afford or more than they can drink without getting drunk.

The Federation of Labor does not, however, fear any "moral breakdown" among workers with the return of spirituous beverages. He does expect a "very great many" to be scratched from unemployment rolls when the liquor industry gets under way again.

NO SALOONS FOR NEW YORK STATE

ALBANY, N. Y., Nov. 10 (AP) — The empire state — experimenting in an attempt to set a post-repeal model for the nation — has determined to outlaw the saloon with its swinging doors, bar and backroom.

Liquor may be served only in hotels, restaurants, clubs, railroad cars and vessels, the alcohol control board announced last night. Drinkers must sit at tables when served.

Stores will sell liquor for consumption off the premises. Individual purchases are confined to three quarts of liquor or three gallons of wine. Case lots, however, may be bought from wholesalers.

The state tax will be 25 cents a quart on hard stuff, 10 cents a quart on sparkling wines and 10 cents a gallon still wines.

WASHINGTON, Nov. 10 (AP) — The high spots of President Roosevelt's program for "after repeal."

Elimination of bootlegging and racketeering by taking the profit out of illicit liquor through moderate taxes.

Control of domestic production and distribution through the NRA and the agriculture adjustment administration.

Encouragement for beer and wine drinking as against hard liquor by comparatively lighter taxes.
