## Freshmen Stage Stunt Before Baker Game

By Carlyle Wilson

The freshmen stunt was given on November 10th, just before the big game between La Grande and Baker, which occurred on November 11th. It was in the form of a reminiscence of Howard Lyman and Orville McWilliams. They sat down to the radio ten years later to a football game that brings up the memories of the game of November 11th, 1923, between La Grande and Baker. As they remember the football players and other members of the stunt body, their parts were acted out on the stage by freshmen. The play was given by the largest cast that has ever been in a stunt. The play showed how the football team acted, and characteristic traits of each player, to a remarkable degree of accuracy. The play was of short duration, lasting only about 20 minutes. The freshman band accompanied the play.

The play was put on by the freshmen advisors. Miss White was the chief supervisor. The actors were chosen because of their likeliness to present members of the high school team.

The football suits were obtained from Mr. Taylor. They did not fit so very well but on the whole it may be said that they fit well enough to stay on. What more could you ask?

There was an assembly after the stunt. A few yells were given. They were led by the former junior yell leader, who is now the student body yell leader. Also a few songs were sung. They were led by the high school song queen, Janet Binger.

Instructions for the rally that was to be held Friday evening were given by Mr. Wright. High expectations for the game that was to be played on Saturday were prevalent throughout the assembly.

Miss Vernon is planning to organize a Latin club in the near future.

Members of the first year Latin classes are making articles for a Roman Museum. A number of the articles are made of soap.

Miss Osborne's General Science classes are finishing the study of astronomy.

The Boys' Home Problems class is studying how to prepare vegetables for a luncheon.

## Senior Play To Be Presented On Nov. 16-17

The senior play stunt was presented Thursday morning to the student body by Miss Sartain and several students. The Tiger producers are presenting a stupendous play with an all star cast, "The Intimate Strangers" by none other than the beloved and famous playwright Booth Tarkington. Thursday and Friday. When you see it you will experience the biggest thrill of your theatrical-going days. We pledge our word that this Tiger production is one of the finest we have ever presented. You couldn't ask for a more enjoyable evening, just the right amount of laughs and thrills.

"The Intimate Strangers" is a romantic comedy—with accent on the comedy.

The high school orchestra directed by Andrew Loney Jr. will furnish all the music for the performances.

Opal Conner's picture was first shown to the public during the stunt when it was flashed on the screen. It was followed by that of Ray Wilson, Elizabeth Milne, Hugh Buntin, Leola Wilcock, Glenn Victor, Mildred Keagle, and last but not least, John Williams. A few "stills" including a group picture of the entire cast, and six others were then flashed on the screen as well as one of Booth Tarkington and our own principal, Mr. Gralapp.

Several announcements were made concerning the pep rally for the Baker game. The rally was staged Friday night. During the assembly Ralph Fiberg appealed to all the upper classmen to be considerate of the freshmen and try not to initiate them.

## November Attendance Shows 623; Freshmen Lead in Pep Contest

The attendance report for the month ending November 3, discloses some very interesting facts.

The first thing of interest is that this year the student-body is more evenly divided than it has been for several years. This month's report shows an enrollment of three more girls than boys; the girls having 313 and the boys 310, making the total number of students 623.

Next we note that the Freshmen led by a good majority in the monthly attendance. Miss Meyers' home-room leads the list with 97.4 per cent. King and third Miss White; all three of these home-rooms are Freshmen. The total percent for the Freshmen class was 95.8 per cent, giving them first place and 4 points on the pep contest; the Seniors are second with 94.2 per cent, which entitles them to 3 pep points; the Sophomores are third with 92.6 per cent, beating the Juniors by only 1 per cent. Third place receives 2 pep points and last place, 1.

The attendance for entire school was 93.8 per cent, with the total number of tardies at 149 while last month there were only 127, and the number of students neither absent nor tardy this month dropped to 263 compared to 318 of last month.

The attendance is not the only thing that counted on the pep contest this month but also the P. T. A. The class having the largest number of representatives at the meeting received 4 points. Again the Freshmen came out the winners followed by the Sophomores, Juniors and Seniors, respectively.

With these two additional means of winning points on the pep contest, it brings the present standing to 22 points Freshman, and Seniors, Juniors and Sophomores tied for 16 points each.

## TIGERS DEFEAT BAKER 27-7

Before an Armistice day crowd of about 2000 enthusiastic fans, the Tigers humbled the Baker Bulldogs 27 to 7 in a thrilling and bitterly fought battle.

The Bulldogs dominated the play during the first quarter. In a few minutes they drove to the Tiger 5 yard line. An offside penalty moved the ball to the 1 yard line. The Tiger line stiffened and took the ball on downs on the 8 inch line. Ralph DeBote's punt from behind the goal line was blocked. Southard of Baker recovered for a touchdown. Shinn's dropkick was good.

Baker kicked off to Reynolds, who was downed on the 35 yard line. The quarter ended a few plays later. Baker 7, La Grande 0.

The Tigers began to click in the second quarter. After an exchange of punts, Baker fumbled and La Grande recovered on their 45. E. DeBoe, Alvey, R. DeBote and Reynolds alternated in carrying the ball to the Bulldog 20 yard stripe. R. DeBote flipped a lateral to Reynolds, who scored on an 18 yard dash around left end. Alvey converted. Baker had the ball in midfield as the half ended. Score: Baker 7, La Grande 7.

In the third quarter the Tiger backs, behind a hard-blocking forward line, bucked and slanted to the 9 yard line. On the next play E. DeBote crashed through center for a touchdown. Alvey's try for point was wide. Third quarter ended 13 to 7 for the Tigers.

Soon after the beginning of the third quarter, H. Irwin intercepted a Bulldog pass in midfield. On the next play Reynolds threw a beautiful 40 yard pass into the arms of Irwin, who ran 7 yards to score. Alvey added the extra point from placement.

La Grande kicked off and took the ball immediately on downs. R. DeBote on a reverse around left end, veered and tackled to the Bulldog 10, where he was run out of bounds. Two plays later E. DeBote went over for a touchdown. He added the extra point on a tie play. The game ended a few minutes later with the Bulldogs defeated.

## Success?

The senior class is once again intent upon its annual play. The presentation, this year, is to be one of Booth Tarkington's delightful plays. Because of the excellent work of the cast and their director, Miss Sartain, "Intimate Strangers" cannot help but be the most successful play presented in L. H. S.

The senior class is appealing to you, the student body, to assist them in selling as many tickets as you possibly can. The success of the Mimir relies on the number of tickets sold; so through the co-operation of the student body we will be able to put the ticket sale over the top. Let's get behind this sale, and make "Intimate Strangers" an overwhelming success.

In the article of last week concerning the twins of LHS, it was discovered that we missed a pair—that of Joseph and Josephine Browning of the Freshman class. This makes us five complete "sets" of twins, and Dee Lay, the "half."
