

OREGON BEATEN BY TROJAN TEAM SATURDAY 26-0

By Russell J. Newland
SAN FRANCISCO, Nov. 20 (AP)—Football has kicked its peak and started down the other side in a season unsurpassed for thrills and upsets but the Pacific coast conference championship race was as much of a midget today as it was at the height of annual pigskin struggle weeks ago.

Defeat of Oregon by Southern California last weekend, by the outside odds of 25-0, spelled the last of the unbeaten teams in the circuit. It increased to five the number of teams that have lost one game.

In a mathematical sense, Oregon retained the conference leadership. It closed its conference schedule with four victories and one defeat. But Stanford, with three wins, one defeat and one game to play appeared to be the tournament of roses choice provided it beats California in fairly decisive fashion Saturday.

Stanford already has beaten Southern California, in the biggest upset of many years, and its conference opposition this season has been more formidable than Oregon's.

To add to the confusion of the experts, already groggy from a succession of unexpected reversals, however, was the possibility of California beating Stanford and the "one-in-a-hundred" chance of Washington winning from Southern California, Dec. 9.

As a warm-up, Stanford won from Montana, 33-7, last Saturday while California rolled up 311 yards from scrimmage on Idaho but was pressed to win from the Vandals, 6-0.

Take 'em or leave 'em, here are some of the early All-America returns:
"Joe Skladany (Pittsburgh end), who received considerable acclaim for his fine all-around work last year, especially on defense, is every bit as good if not better this year."
"Charles 'Buz' Harvey (Holy Cross tackle) has been outstanding in every game. Stopped Harvard's goal line charge single-handed and placed-kicked the goal that beat the Crimson. Was line star on the day that Detroit walloped Holy Cross."
"Francis 'Pug' Lund (Minnesota fullback) seems destined to be unanimous choice for all Big Ten backfield and a probable All-American."
"Undoubtedly the greatest back in the Big Ten this year is Duane Burvia of Purdue. He is not only an elusive, hard-running back but he can punt a mile and pass 60 yards."
"Chuck Bernard of Michigan is unquestionably the outstanding center in the country. He weighs 216 pounds and is the backbone of the Michigan defense."

As Jack Stewart points out from his long-range post of observation in Litchfield Park, Arizona, the Dakotans played four ties in their first six games, an extraordinary record, in addition to which the team and its opponents (with only one exception) displayed an uncanny knack of making it seven points for the day or nothing.

Shaler Rislone

Does not thin your regular Oil at Motor Heat, prevents Sticky Valves and Rings, Makes Quick Starting in Cold Weather, Makes Gears Shift as in Summer. Keeps Oil Free Flowing at sub-zero temperature.

Did you ever go out and get in your car during cold weather and do everything but swear (and then swear) before finally getting your car started - then almost swear again trying to shift gears?

You can correct this condition by using one-fourth of SHALER RISLONE in your motor oil and transmission oil differential greases. Use your regular grade of motor oil and greases but use one-fourth SHALER RISLONE and enjoy summer performance of your car.

Why use an anti-freeze which is good only for Winter Months when you can buy YEAR-ROUND COOLING SYSTEM PROTECTION?

In winter as an anti-freeze protects to 50 below zero—in summer as a cool-out lowers operating temperature of modern motors—Prevents Rust—will not attack metal—protects Hubber—BOND FLOZON.

PENDLETON WINS FROM LA GRANDE SATURDAY 6 TO 0

Beaten in their final scheduled game of the season Saturday at Pendleton 6 to 0, the Tigers of La Grande were back in their high school classes, today—wishing in vain that the game might be played over.
But, in spite of the loss, the blue and white retained their championship, although it had degenerated into one of those "percentage" titles. There remain no teams in Northeastern Oregon without loss, and of the back. La Grande leads with six wins, one loss and no ties. Pendleton, next in line, has three wins, one loss and one tie. Baker has no wins, one loss and three ties in this district.
It is the first time La Grande has won a "percentage" championship since 1923.

Over-confidence lost the game for the Tigers, according to many of the fans. Pendleton played inspired football that culminated in a touchdown in the third quarter, with Graybeal, Pendleton halfback, driving 15 yards off tackle for the score. The try for point failed but it wasn't necessary.
La Grande reached the Pendleton 10-yard line twice in the first half and advanced to the three-yard line in the second half, but the scoring punch simply wasn't there.
Hughy Irwin romped 65 yards toward the Pendleton goal shortly after the game opened but fell down, and no score resulted. Hughy and Bud Reynolds played their usually good game and Kenneth Webb and Fred Gehring did well in the line.

Pass receivers failed miserably to connect, and La Grande's offensive isn't so hot with the aerial thrusts impotent. At that the Tigers made plenty of yardage but, like Notre Dame, couldn't make it when needed to score.
And that's about the story. Coach Ira Woodie started Gehring, center; Webb and Halley, guards; Hogenson and Walden, tackles; M. Bean and V. Bean, ends; Reynolds, quarterback; Irwin and R. DeBole, halfbacks; E. DeBole, fullback. Substitutes: Blackman, Hanson, Peterson, Alvey, Hyde and Osborn. Osborn suffered a bruised shoulder during the game.

La Grande's record so far (non-conference games):
La Grande 43, Cove 0.
La Grande 0, Walla Walla 26.
La Grande 41, Mac-Hi 6.
La Grande 14, The Dalles 42.
La Grande 30, Pendleton 6.
La Grande 34, Union 8.
La Grande 24, Enterprise 0.
La Grande 27, Baker 7.
La Grande 0, Pendleton 6.

E. O. N. Surprises Ashland Saturday

(Continued From Page One)

Lancaster over the line, and the Ashland back drove 45 yards before being forced out of bounds. On the next play Elmer Brown cutback after piercing the line off tackle, and sprinted 35 yards to a touchdown. Brown kicked goal for the extra point.

A little later, driving uphill, the Mountaineers fought their way to the 10-yard line, but were stopped. A pass into the end zone went incomplete. Peterson and Lassen carried the bulk of the offensive play in this drive.

In the second half Ashland never threatened—in fact, neither team pierced its opponent's 15-yard line. Twice E. O. N. had a chance to score, however. Peterson passed to Hanks who had a clear field but was hauled down from behind after a 45-yard gain. In the final quarter the Mountaineers reached the 20-yard line but a fourth-down pass went into the end zone incomplete.

The work of Hanks and Bredow, ends; Owsley, center; Pearson, guard; Peterson, halfback, and Lassen, fullback, was outstanding. Several times Peterson's punting pulled his team out of a hole. On one occasion he punted 80 yards from behind his own goal line. Every man on the E. O. N. team played a strong game.

The Mountaineer passing game worked very well, several long gains being recorded, but in dangerous territory, Ashland managed to stave off scoring threats.

On paper, E. O. N. should have lost by three or four touchdowns, but they left Ashland with the S. O. N. S. eleven believing it somewhat fortunate to win.

This was the last game of the E. O. N. season.

SAVAGES WIN FROM COUGARS SATURDAY 13-0

ENTERPRISE (Special) — The Enterprise Savages of the Enterprise High school took the measure of the Wallowa Cougars 13-0 on the local gridiron Friday afternoon. The game was well played with little roughness and the score just about tells the difference between the two teams. The game was arranged at the last minute after it was found the Wallowa team had not been included in the schedule of the Enterprise team. The omission was unintentional.

AUSTRALIAN MAGPIES FOILED BY LINEMAN'S INVENTION

SYDNEY, Australia (AP) — Ready-made nests for magpies have solved the problem of frequent breakdowns in telegraph and telephone services in New South Wales.
The birds have nested where they pleased among the wires, causing short circuits.
One linesman designed artificial nests which he erected on the cross poles where they could do no harm. The birds immediately moved into the new quarters and not a single breakdown over the experimental stretch of line was recorded in a year.
As a result, the postmaster general proposes to extend the scheme.
