Mrs. Ralph Badgley Is Speaker At Neighborhood Club

Mrs. Ralph Badgley, wife of the professor of science at the Eastern Oregon Normal school, and herself a brilliant student of biology, discussed "Biology, the Science of Life," yesterday afternoon before the La Grande Neighborhood club. Musical numbers were furnished by Miss Mary Eliza Angel who sang "The Sweetest Flower that Grows," by Howley, and "Rain," by Curran, accompanied by her sister, Miss Lily Belle Angel. The latter Miss Angel played a piano solo, "Prelude," by Stojowski, and Miss Jean Williams presented two readings, "Philanthropy" and a one act play skit.

Mrs. Badgley humanized the subject of science and presented it in an entertaining as well as an instructive way. "Life may have been spontaneous when in the primal pools of water, containing carbon dioxide, the sun sent its rays and an electrical storm caused the formation of the nitrates and nitrites to add to the necessary components of life in the pools," she said.

Skulls, bones, caves and other evidences illustrate the coming of early man, she added.

Development of the cell and heredity, a subject which catches the common interest, also were discussed. Among humans, short thumbs, several fingers, crooked little fingers, color blindness, hemophilia and long life eye color are known to be inherited. Mrs. Badgley also presented many other new ideas which have been introduced into the field of science.

EGG PRICES DOWN A CENT
PORTLAND, Nov. 29 (AP) — After an hour of trading, lower prices were named for eggs by the Pacific co-ops after being up against still lower priced sales by outsiders and private firms. Prices were down 1c all around except pullets.

"Some time ago eczema broke out on my leg. After weeks of special treatment during which time the itching and burning was so severe I could hardly stand it. I was told nothing more could be done for me. A friend of mine urged me to try Resinol Ointment, which I did. I am happy to say it healed my leg completely and I have never had any breaking out since." (Signed) Mrs. E. F. Name on request. Fawcett, N. E.
