## Local Churches Give Programs For The Sunday

### Christian Church Boosting Its Attendance— Bible School Counts 316 Last Week.

Church programs in La Grande and this community for next Sunday include the following:

**Central Church of Christ (Pennsylvania Avenue)**  
The Central Church of Christ is continuing to conduct special services and this coming Sunday has been designated as one of the most important in the series. Being the first Sunday of the last month of the year a campaign will be started to finish up the year's work in a commendable way. At the morning worship service at 11 o'clock the pastor, Rev. Paul De P. Mortimore, will speak on the subject "This Ought Ye To Do." This sermon is for all Christians and those who profess to follow the commandments of Christ. The communion will be served and there will be special music.

The Bible school is continuing to grow and last Sunday saw 316 present in time to be counted. The goal for next Sunday is 350 and there are many indications that this goal will be reached. Interesting programs are being carried on in every class.

The Christian Endeavor services meet at 6:30 p. m. The Juniors comprise those from 10 years of age to high school. The high school group has its own service while those above high school age have an interesting department. The popular evening service reached the climax last Sunday night when many were turned away, being unable to get inside the building. Another capacity crowd is expected to hear the Sunday night's sermon on "Through the Open Windows" or a sermon on "A Rained Window Shade." There will be special musical features at this service and a special children's lesson will be presented at the beginning of the hour in which an element of mystery will add interest. The public is cordially invited to all services of this church.

**First Church of Christ, Scientist (First and Washington)**  
Services at this church begin with Sunday school at 9:45 a. m. Morning services are at 11 o'clock and Wednesday evening meetings at 8 p. m. The reading room in the West Jacobson building is open from 1 to 4:30 p. m. daily.

The subject of the Sunday service will be "Thanksgiving."  
The golden text is, "All things are for your sakes, that the abundant grace might through the thanksgiving of many redound to the glory of God" (II Cor. 4:15).

Among the citations which comprise the lesson-sermon is the following from the Bible: "And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ; for the accuser of our brethren is cast down, which accused them before our God day and night. Therefore rejoice, ye heavens, and ye that dwell in them" (Rev. 12:10, 12).

The lesson-sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "For victory over a single sin, we give thanks and magnify the Lord of Hosts. What shall we say of thy mighty conquest over all sin? A love sweeter than has ever before reached high heaven, now rises clearer and nearer to the great heart of Christ; for the accuser is not there, and Love sends forth her primal and everlasting strain" (p. 508).

**Baptist Church**  
Sunday morning at the Baptist church, the pastor will use as the subject of his sermon, "Lawlessness." The special music for the service will be solo by Miss Marian Trill. Following the sermon the Lord's Supper will be celebrated. The morning service begins at 11:00.

The evening service begins at 7:00 and closes at 8:30. The young people will carry out their regular program following which the pastor will discuss the sixth test of man and prince Satan. Quite a number have expressed their interest in these discussions. All are cordially invited to attend.

some expressive action of worship. The pastor will speak on the subject, "Hearing The Voice." Besides the anthem, Choir Director Paul Knautz has arranged for another special musical number.

The Vesper service at 5 p. m. will have a special treat this evening in the return of the Junior choir, which will assist in these services. Miss Bethany Miller is the new director for this enthusiastic group of youthful voices.

Think not that I am come to destroy the law and the prophets, I am not come to destroy, but to fulfill.

For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law. Matt. 5:17-18.

The eternity of the Divine truth, the one and unchanging reality amid all change, underlies this saying. It goes even further to declare that the Word of the Old Testament embodies such unchanging truth that the passage of time shall not set it aside in any particular. Those who in these days hold the literature of the Old Testament lightly, as well high obsolete, should give heed to these words. To be sure they require us to re-appraise the language of Moses and the Prophets, to recognize that they have a deeper import than that of the letter, before we can see the reason for the Lord's statement. But those scriptures, equally with those of the New Testament, are Divine and authoritative; and the coming of the Lord and his redeeming message is not to be understood as involving any weakening or repudiation of the principles by which Jehovah led the children of Israel. Jesus and the New Testament teachings are but fulfillment of the law, a revelation of what lay at the heart of the Mosaic ritual.
