Anniversary Sale

7 Big Days Starts Sat., Dec. 2 Ends Sat., Dec. 9

THIS WEEK marks the 37th anniversary of the founding of the W. H. Bohnenkamp & Co. . . . 37 years of continuous operation under the same management and owners. Of this accomplishment and success we are justly proud and also that we are superseded in years of service by only one other mercantile firm in the city of La Grande—J. H. Peare & Son—to whom we offer our most sincere wish for future continuance.

In commemoration of these many years of serving the public of La Grande and surrounding territory and of the confidence our customers have shown by their constant and repeated accounts with this firm, we are offering at this season of holiday buying, **UNPRECEDENTED VALUES** in all departments of the store.

Thousands of articles of quality always carried by W. H. Bohnenkamp & Co. are included in this **Mammoth Sale**. . . Products with nationally known names that are household by-words are now being offered at prices even lower than we could have purchased them at last Spring's low market price — and far below today's replacement value.

In view of these low prices, we are asking that all purchases during this one week carry a substantial deposit, yet recognizing the economic difficulties that prevail, we will accept during this sale—

ALL COUNTY, CITY AND SCHOOL DIST. NO. 1 WARRANTS AND LA GRANDE 1ST NATIONAL BANK C. D.'S AT FULL FACE VALUE
