

### E. O. N. QUINTET HAS NO CONTESTS BEFORE HOLIDAYS

Although the E. O. N. basketball squad of about 15 men in its second week of practice, no games will be played until after the holiday season. It was announced by Coach Bob Quinn today. He is expecting two or three new players to enter school with the beginning of the second term the first week of January.

Five games have been scheduled, four with Lewiston Normal school and one with the travelling House of David quintet. In addition he is corresponding with Boise Junior college, the College of Idaho and Whitman college.

Most of the games for the Mountaineers probably will be scheduled in Portland during the time the north-west conference meeting is held. Coach Quinn expects to be in Portland at that time and contact coaches of other teams with the view of completing his schedule.

Some veterans from last year's squad will be in school, but several positions will be at stake.

### MACK TRADES OFF STAR PLAYERS IN BIG PLAYER DEAL

By William Weekes  
(Associated Press Sports Writer)  
CHICAGO, Dec. 13 (AP)—The biggest baseball player deal of them all was in the bag today, and the annual major league meeting settled down to regular business and lesser swaps and sales.

Connie Mack had disposed, as had been reported he would, of Lefty Grove, Rube Walberg, Mickey Cochrane, George Earnshaw and Max Bishop, getting in return, around \$300,000 in cash, and Pitcher Bob Kline and Infielder Harold Warstler from the Boston Red Sox, and Catcher Charlie Berry from the Chicago White Sox.

Boston got Grove, Walberg and Bishop; Cochrane will manage Detroit, and Earnshaw will pitch for Chicago. The White Sox lost a first string catcher when Berry went, but obtained in return, Johnny Pask, a receiver who figured in the Detroit-Cochrane deal. The acquisition of Grove, Walberg and Bishop promises to make the Red Sox a real contender for the title next year, while Detroit will be well-heeled for catchers, with Cochrane and Ray Worthy on the roster.

If he pitches as he did in 1929-30 and 31, Earnshaw will give Chicago something they have lacked for several years, a hurler who can be depended upon to win a lot of games. What Philadelphia got out of the deal beside the \$300,000, appears much less concrete.

Mack's announcement almost completely overshadows other bright bits of news. Kenesaw Mountain Landis was signed to another seven-year contract as baseball commissioner, and William Harbridge was given a five-year document as president, secretary and treasurer of the American League.

The huge deal by no means ended the bartering. There were numerous other negotiations on the fire. The Cubs, Pittsburgh Pirates and St. Louis were reported to be tangled up in a sizeable piece of business, while the Cincinnati Reds were said to be after Catcher Bob O'Farrell of the Cardinals as playing manager. Cleveland wanted Oscar Melillo, St. Louis Browns second baseman, but had little hope of getting him as Manager Rogers Hornsby wanted Earl Averill as St. Louis' share of the deal.

The Boston Braves were believed angling for Kiki Cuyler, star outfielder of the Chicago Cubs, as reports of a deal by which the Cubs would trade Pitcher Pat Malone and Cuyler to Cincinnati for Chick Hafey fell through.

However, it was rumored that Pitcher Malone is for sale or trade with St. Louis or Pittsburgh angling for him.

### Union Expecting To Defeat Tiger Team on Friday

A team of sophomores which went through a season of losses, was Union's basketball record for last year. But with that same team now back on the floor, the boys older, more experienced, faster and better equipped to do battle with opponents. Maroon and White stock this year is reported to be flourishing.

Several games last year were lost by narrow margins by the Union five, a fighting outfit, and it is expected that the quintet this year will rank as one of the strongest in this district.

That is the situation that Coach Ira Woodie and his Tigers will face here Friday evening at the L. D. S. Recreational hall. His basketball team, with only three veterans from last year on hand, and the problem of developing new forwards and a center will be hard pressed to defeat Union. As a matter of fact, the Bobcats are expected to win, and are making no bones about it.

During the next two months Woodie's team will be in a formative stage, and he undoubtedly will use many combinations in an effort to find out which group plays the best ball. For that reason local fans are not expecting La Grande to pile up any long string of victories, but most of them believe that by the time the tournament play approaches, the Tigers will be strong enough to cope with all opponents on fairly even terms.

### OREGON STATERS TO OPEN SEASON

OREGON STATE COLLEGE, Corvallis, Dec. 13 — Multnomah athletic club and Union Oil, leading independent basketball teams of Portland, will invade Corvallis this weekend to play the Oregon State quintet. The Orangemen will open their pre-conference season against Multnomah club Friday night at 7:30 o'clock and will play the Oilers at 7:30 Saturday night.

Stats Gill, Orange coach, more than likely will use several combinations during the two nights to get a line on prospects for the conference season which starts here January 5 and 6 against Washington State. The Orangemen not only won the northern division title last year but took the Pacific coast conference championship from Southern California in the divisional play-off.

Six Orange lettermen are back for action this year. Captain Skeet O'Connell, George Hubbard and Merle Taylor are forwards and Red Macdonald, Carl Lenchitsky and Fred Hill are guards.

### TO REFEREE

Dick Huxley, above, has been selected third man in the ring for the Lowell Hutchinson-Jimmy Chandler bout and other matches on the Eagles one-night tourney of amateur boxing champions and near champions at the Sacajawea arena tonight.

### 25 Hoop Games Are Scheduled By Cougar Quintet

WASHINGTON STATE COLLEGE, Pullman (Special) — Nine non-conference games preceding the regular basketball season have been scheduled by Earl V. Foster, graduate manager. The northern division Pacific Coast conference schedule includes 15 games, four each with the University of Oregon, University of Washington, Oregon State college and University of Idaho.

Coach Jack Priel will send his basketball players into their first competition next Saturday night against Whitman college at Walla Walla. Cheney Normal will be played at Pullman December 15 and 16 while Ellensburg Normal will be met at Ellensburg December 28 and 29 in non-conference tilts. Gonzaga will be played December 30 at Spokane and February 10 at Pullman. Olsen's Terrible Swedes, a traveling aggregation of fancy performing stars, will appear here January 1 with Whitman college playing a return game January 2.

For the last six weeks Priel has been working his men who shape up promising in the pre-season workouts. Lettermen from last year who are turning out include Roland Johnson and Lee Sonedecker, forwards; Ken Wills, Rex Scott and Phil Schmitt, guards. Among the likely varsity players are Bob Houston, 6 foot 7 inch giant; and Steve McNeil and

### RESTLESS FOOTBALL SQUAD SPURNS REST

BIRMINGHAM, Ala. (AP) — The well known letter carrier who went for a walk on his day off had nothing whatever on the Bulldogs of Howard college.

Having acquitted themselves well in several strenuous games, the football players were given a five-day holiday by Coach Eddie McLane. He told them they need not come near the practice field nor even so much as think of football, for they needed a rest.

Next day Eddie looked out the window and saw the whole team busily engaged in the roughest sort of practice. He tried to run them in, but they complained of weariness at leaving and insisted they must keep in trim.
