La Grande Band Presents Cornet To Andrew Loney

Coming as a complete surprise to Andrew Loney, instructor of music in the city schools, and as an expression of appreciation of his work for the band during the past year, the La Grande band presented Mr. Loney with a cornet...

FIVE BIOLOGY CLASSES IN L. H. S.

The instructor in Biology at the La Grande High school is Mr. Jean Taylor. Mr. Taylor was born in Wayne, Nebraska. He attended the public schools of that city for three years.

TIN CHRISTMAS TREE DISPLAYED

Miss Sartain's room is very attractively decorated for the Christmas season. She has again shown her originality. A brightly colored fringe and gay cellophane decorate the walls.

PASTIMES

For those members of the student body who are at a loss as to how to spend their leisure time during Christmas vacation, we shall offer some suggestions. It is an opportunity to "catch up" on your studies; good books are always an excellent diversion...

GIRLS TAKE MUCH INTEREST IN BASKETBALL

Two court basketball is being played this year instead of three courts. Formerly there were two courts, two forwards and two centers but now the teams consist of three forwards and three guards.

DEBATE CLUB IS NOW UNDER WAY

The newly-organized Debate club met Wednesday at 8:15 in Mr. Blunt's room for the first meeting. The course was outlined by Mr. Blunt. It will be given at least once a week during the sixth-period by him.

IMBLER HOOPERS UPSET TIGERS 16-10

The Imbler cagers' close checking proved too much for the La Grande Tigers and they emerged with a 16 to 10 victory on their home floor. The Tigers led 6 to 2 in the first quarter, but Pratt, Imbler forward, began to find the basket and at half time Imbler led 7 to 6.

NO HI-LIGHTS NEXT WEEK

Owing to the Christmas vacation, the Tiger Hi-Lights will not be published on Tuesday, January 2, or on any other day of that week. The next issue will appear on Tuesday, January 9.

EXCHANGE

Pupils of Twin Falls High school impersonated famous persons and characters as Romeo and Juliet, Mitzel, Green, Mae West and Marie Dressler in the Masquerade merriment.

Hoop Lineup Has Many New Names; Season Now On

The basketball season is on and the Tigers have good prospects for another championship team. Coach Woodie led the largest majority of his last year's champions through graduation, but he is confident that he now has one just as good or a little better.

PLAY PRESENTED AT ASSEMBLY

The assembly held Tuesday morning was opened with two numbers by the high school orchestra. "Intermezzo Damaeua" by McNally, and selections from Verdi's opera, "Il Trovatore."

LOCAL EDUCATORS ATTEND SESSIONS

Herbert Evans, superintendent of city schools; A. L. Gralapp, principal of the La Grande High school; J. W. Leonhardt, principal of Central school, and Miss Edith Darby, critic teacher at the Eastern Oregon Normal school, are among the local educators who have gone to Portland to attend the meeting of the Oregon State Teachers association.

PLEASE DON'T SNOWBALL

In the assembly last Friday the annual winter-time announcement was firmly and sternly made. "Students are requested from snowballing on or near the school grounds. These rulings will be enforced."

Tigers to Meet Joseph Here Jan. 6

After losing a close battle to Imbler, the La Grande Tigers will begin their first practice Friday. With a week's rest, the Tigers will be ready to start their heavy training for the coming basketball season.

NEED MORE GYMNASIA

The need for better gymnasium facilities has never been so evident as at the present time. Grade school basketball practice has begun in earnest, and more interest is being shown this year than ever before.

Less Tardies In 1932 Than Any Other

When comparing the number of tardies in the month of November, 1931, 1932 and 1933, it was discovered that fewer tardies occurred in 1932, the record show that:

BEVERLY VICTOR INJURES FINGER

Doyle Schultz, a student in the first period D. A. II class, had the misfortune to run a sewing machine needle through her finger one morning last week while sewing. A great deal of excitement was caused thereby.

The main feature of the morning was several vocal duets by Bert Wardell and Gene Gasset, accompanied by their guitars. They sang at different intervals throughout the program. The following popular songs were sung:

AWARD ASSEMBLY SCHEDULED SOON

An award assembly will be held on some day this week. Because of a delay in the forwarding of the football awards, the day is yet to be named.

MEN AT WORK ON HIGH SCHOOL

The high school is at the present time somewhat upset, but it is for a very worthy cause. Men are at work painting and kalsomining, and they are putting in wider stairs at one of the entrances of the gymnasium.
