

Ex-Convict Captured By State Policemen

(Continued from Page One) came unharmed and was transferred to Leavenworth, but escaped from the railroad train en route and was not recaptured for two and a half months. He also told officers he was in the gang that escaped from Leavenworth a few years ago.

Then state police wired the Plymouth factory in Detroit, learned that the engine and serial numbers were on a car shipped to a dealer in Denver. Next the state police wired Police Chief Clark in Denver, and learned that the car had been stolen in Denver by a man who gave his name as T. J. Miller. The description wired to La Grande from Denver fitted Audett fairly close, officers said. Also, Police Chief Clark at Denver turned the case over to federal authorities, who in turn notified Portland, and C. C. Spears, at Portland, called state police here and said he was sending Marshal Vogelsang to get the prisoner.

AT THE LIBERTY

A scene from "Hoopla", starring Clara Bow (center), which opens a two-day run today at the Liberty Theatre.

Clara Bow is here again! She comes to the Liberty theatre today in her new starring production for Fox Film, "Hoopla" and is scheduled for an engagement of two days. It is a spectacular picture, filled with turbulent action, milling crowds, riotous color and stirring drama. It has inspired Clara Bow to new emotional heights — more impassioned and fiery than ever. Against the kaleidoscopic background of an active carnival, Clara Bow gives the best performance of her career. She is a carnival dancer enmeshed in a love that is simple, yet strange to this magnet of men!

WILL SPEND U. S. MONEY ON HIGHWAY (Continued From Page One) come from federal aid funds. Although this work is inside the city limits, the city will contribute no cash.

Last night the highway commission, through Engineer Williams, of La Grande, presented a resolution to the city commission, approving the work. The resolution was unanimously passed without discussion. When the gate does highway construction within city limits, it must have the consent of the city governments in order to go ahead. The cost of the La Grande project has not been estimated, but it is expected to involve a considerable sum.

Two colossal idols found on the island of Rovevave, south of Tahiti, were used as ballast for the ship Denise, wrecked on the island and re-floated.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "in" and "up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25-cent drug stores. ©1931 C. M. Co.
