For sandwich fillings, you can use peanut butter softened with cream and butter, cream cheese mixed with cream and dates, sliced or diced meat or fowl combined with celery or lettuce and raisins or prunes mixed with broken nuts. These fillings can be used for white or Graham bread, but it is better to have several of each kind. Wrap the sandwiches in waxed paper to preserve their freshness.

Fruit, one or two kinds, should be included in each lunch box and, with a sweet such as cookie, cake, candy bar, dates or raisins and some milk or cocoa, a substantial as well as tempting lunch can be packed.

SEEK DISMISSAL OF DAMAGE SUIT

PENDLETON, Ore., Jan. 13 (P)—A petition that the \$100,000 damage action brought against them by Mary Pedro, extensive wool grower of Eastern Oregon, be dismissed and court equity assume jurisdiction in the case was filed in circuit court here Friday by Tom Boylen Jr., and J. A. Monese, two of the four defendants.

In their answer the two defendants admitted that they took possession of real property and sheep described in Miss Pedro's complaint, but set forth that they did so under the direction and order of Joe and Rilia Vey, the other two defendants.

The Vey, in their answer, set forth that a lease given by them to Mary Pedro was violated by Miss Pedro and August Sted. The property belongs to the Vays.

And an equally great benefactor was the man (or more likely a woman) who conceived the scheme of making towels as colorfully attractive as they are bathingly serviceable.
