

WOLF CREEK 4-H PIG CLUB GETS COMMENDATION OF THE STATE CLUB LEADER

NORTH POWDER—The Wolf Creek 4-H pig club reorganized for 1934 when it met with J. A. Nice, leader, at the grange hall on New Year's evening.

This year's program was begun after closing the work for the past season with a 100 per cent record. The eleven members of the club who started work finished and reported at the end of the year, and in addition to being congratulated upon this record, the local club won further recognition from H. C. Seymour, state club leader, when its secretary, Virginia Nice, submitted her book for the year.

A copy of the congratulatory letter sent the club by Mr. Seymour we reprint: "Corvallis, December 29. Mr. J. A. Nice, North Powder, Oregon. My dear Mr. Nice:

"We have received the secretary's book for the Wolf Creek pig club of which you are the leader. We have checked over this book and surely want to congratulate your secretary upon it. The secretary, Virginia Nice, has kept this book in a most excellent manner; it is one of the best kept books that has come to our office. We are mighty proud of the book and are placing it on file here.

IMPOVERISHED BLOOD, PIMPLES

Kenneth W. Gardner of Springfield, Ore., said: "When I was a boy, my digestion was poor, my blood was impoverished, I had pimples on my face and body, also blotches, and Dr. Pierce's Golden Medical Discovery regulated my digestion and increased my appetite; also my complexion soon cleared, all pimples as my blood became pure and I was as well as now." Write Dr. Pierce's Clinic, Buffalo, N. Y. New size, tablets 50 cts., liquid \$1.00. Large size, tabs. or liquid, \$1.35. "We Do Our Part."

"We also note that your pig club is a 100 per cent club, with eleven members starting out in the work and eleven completing, and all reports on file in our office. We want to congratulate you and your group upon this, and to assure you that the certificate of achievement is being prepared and will be sent to Mr. Avery, your county agricultural agent, who will present it to your club.

"We hope that all of these members will be back in the work next year, again carrying their work through as a 100 per cent club.

"Yours truly, H. C. Seymour, state club leader."

The eleven members active during the past season are Paul, Virginia, Malcolm and Glenn Nice; Forrest Lillard, Audrey, Lorena, Orvin and Roland Gorham, Forrest and Quentin Bowman.

Work during 1934 will be done by the leaders and ten members. Orvin and Roland Gorham were unable to continue, but Billy Walker was enrolled in the club as a new participant.

The annual report of President Eggleston showed the marked progress which the bank has made since the close of 1932, and continued improvement is hoped for. The new federal plan for guarantee of deposits went into effect the first of January and deposits have grown a little since then, but at no greater rate than they had been growing before, showing that public confidence had been fully restored last month.
