denied knowing anything of the killing until informed by the crowd that had gathered in front of the building. In 1925 White was accused of the slaying of Policeman Edward Pfannme of suburban River Forest, and he was also arrested, but never brought to trial, for participation in the \$80,000 robbery of the International Harvester company. The state twice convicted White of the murder of the policeman, but each time the state supreme court reversed the decision. Jimmie Lynch of Texarkana, Tex. devised a set of controls so he could drive his motorcar from a saddle mounted on the hood.

VANDALS DEFEAT OREGON STATERS AT MOSCOW 31-25

COAST CONFERENCE (Northern Division) Washington 6 0 1,000 Oregon 2 2 500 Oregon State 2 3 400 Idaho 2 4 353 Wash. State 2 5 286

MOSCOW, Jan. 24 (AP)—Idaho's Vandals were out of the cellar today after handing the Oregon State Beavers a 31-25 trouncing in a Northern division Pacific Coast conference basketball encounter here last night. The win pulled Oregon state down into third position and brought the Vandals up to fourth, while Washington State was shoved to the bottom of the heap.

It was a last-season victory for Coach Rich Fox' men. Five points to the lead at the half-time intermission, the Vandals came back in the final period to take the lead, lose it by a single point, grab it again, and hold it until the final gun. Little Wally Geraghty, Idaho's pint-size combination forward and guard, camped on Skeet O'Connell's trail for the duration of the evening, and the usually high-scoring Beaver captain failed to get a single shot through the hoop. Geraghty, in the process, slapped in three to boost the Vandals six points closer to victory. The two outfits meet in the second game of the series here tonight, after which the Beavers will shift over to Pullman for games with Washington State Friday and Saturday.

Whitman College Wins Fast Game With E. O. N. (Continued from Page One)

left, Coach Bob Quinn sent in his entire second team for experience, while Borleske also substituted two reserves. Conklin, at center, started slowly for E. O. N., but after a few minutes was not only getting the tip-off most of the time but was speeding up on his floor play. Petterson also hit a fast pace in the first half, but Wortley, forward, was off and failed to score until the final stanza, when he wrung two field goals.

Whitman's main forte was the fact that the Missionaries were the better ball-handlers, following their shots more closely and getting a large majority of the rebounds off the backboards. Tomorrow and Friday nights the Oregon Normal school quintet from Monmouth will play E. O. N. at the L. D. S. Recreational hall, and fans here are looking forward to two bang-up games.

TIGERS TO PLAY AT BAKER FRIDAY; HARD TEST AHEAD

Baker High, perpetual contender for the basketball title in this district, will be host to the La Grande Tigers' basketball team at Baker Friday night.

Comparative dope indicates La Grande and Baker to be about evenly matched, but the handicap of playing on the narrow Baker floor is expected to give the Bulldogs a shade the best of it.

Baker walked Union last Friday night 49 to 20 with Durward Southard, Baker, starting in the conquest. Saturday, the Bulldogs were hard-pressed to turn back North Powder at North Powder 20 to 16, but were without Southard because of injuries to their star player.

So far the Bulldogs have won seven out of nine games, the victories include a one-point win over Ontario High, a team that many fans believe likely to reach the finals in Eastern Oregon this year.

Also, it will be the first test of Coach Vernon Eller's type of basketball as compared with the system coached by Ira Woodie, who has seen his proteges win several championships in three major sports during the last few years.

Saturday night the North Powder team will play the Tigers in La Grande.

legislation along same lines in this state by the next regular session of our state bodies, was indicated by Senator Hess. The supreme court sustained the Minnesota law which extends in that state the time in which mortgaged property sold under foreclosure may be redeemed. The U. S. supreme court in its decision upheld the right of a state to suspend provisions of contracts in an emergency such as present depressed economic conditions, said Senator Hess.

"Our highest supreme court has rightfully held in my opinion that in such conditions of today our human rights should and must have precedence over property rights," said Senator Hess. "The decision in the Minnesota case will be most far-reaching in its effect."

LeRoy A. Grettum, general manager of the Eastern Oregon Light & Power company, was today formally inducted as a member of the La Grande Rotary club. Mr. Grettum, previous to coming to this part of the country, was a former president of the Rotary club of Winona, Minn.

PETTERSON AND CONKLIN NAMED ON ALL-STAR TEN

Word has just been received from Caldwell, Ida., that following the completion of the collegiate basketball tournament at Nampa last weekend, in which E. O. N. won one game and lost two, one by a one-point margin, that ten outstanding players of the tournament were selected by the officials.

E. O. N. landed two men among the ten, Conklin, center, and Petterson, guard.

College of Idaho placed two men, Boyd, center, and Swan, forward; Gooding college placed two, Erwin, forward, and Rubank, center; Northwest Nazarene two, Martin, forward, Sherman, guard; Albion Normal school one, Powers, forward, and Boke Junior college one, Robertson, center. Since only two guards were honored, it leaves Petterson as unquestionably one of the two best guards in the tourney. Four centers were honored.
